ORDER

Case is presented today before Lok Adalat. Parties are absent and they have been keeping themselves absent for the last two and half years.

It transpires from the record of the case file that the 1st Party-Management are not traceable and notices were issued to them through ordinary and registered post have failed to make proper and sufficient service on them. Thus all attempts to effect service on them have turned futile. By the order dated 5-12-2007 the 2nd Party-Union was called upon to take steps for service at local address of the 1st Party-Management but that order was not complied with all till today. All the more the 2nd Party-Union is not

coming to the court since that date. As such it is not possible for this Tribunal to adjudicate upon the dispute referred to by the Government. Therefore no alternative is left with this Tribunal except to return the reference to the Government of India. Accordingly the reference is returned to the Government of India, Ministry of Labour for taking necessary action at their end.

AWARD

This claim petition has been registered on the basis of the reference received from the Government of India, Ministry of Labour by its order No. L-11011/3/2005-IR (M) dated 9-11-2005 referred the following dispute under Section 10 (1) (d) of the I. D. Act, 1947 for adjudication to this Tribunal between the management of Airport Authority of India and their workman. The terms of reference is:

SCHEDULE

“Whether the action of the Management of Airports Authority of India, Hyderabad in not paying the equal pay to Sri G. A. Rudrappa on par with his junior Sri. R. Subbarayalu is legal and justified? If not, to what relief the workman is entitled to?”

Notices were issued to the parties concerned after receipt of this reference which was numbered in this tribunal as I.D. No. 68/2005.

2. The workman has submitted his claim statement through the Branch Secretary of Indian Airports Kamgar Union wherein the Branch Secretary has established the

cause of Mr. G. A. Rudrappa who is said to be a member of the union and joint General Secretary of the union. It has been submitted by the workman union that Mr. G. A. Rudrappa was appointed as Fire Operator in the year 1982, subsequently he was promoted as Fireman in 1994 and further promoted as Superintendent, Fire Service in 2002 and again he was placed as a Senior Superintendent, Fire Services w.e.f. the year 2004 and he is working in that capacity. Mr. G. A. Rudrappa has been working under Respondent continuously with unblemished record of services. The corporate head quarters of the Respondent employer issued office order No. MPA/5/MISC/98 dated 9-2-1998 for adoption of unified pay scale and designation for executives and non-executive employees in the Respondent management and subsequently by another order dated 9-6-2001 No. MPA/5/MISC/2001. The Respondent has adopted the unified pay scale and designations for non-executives in Respondent's employment and rectified pay anomalies to being parity in pay scales and designations among the employees in Airports Authority of India (IAD & NAD) w.e.f. 1-4-96. Even after the issuance of that order the anomalies of the pay scales amongst the employees of AAI (IAD & NAD) have been existing. One such example is of Mr. R. Subbarayalu employee no. 3055068, Fire Foreman working in AAI (IAD) at Chennai Airport who is junior to Mr. G. A. Rudrappa in the same cadre but he has been drawing more pay than Mr. G. A. Rudrappa. Therefore there existed pay anomaly between the said Mr. R. Subbarayalu and Mr. G. A. Rudrappa. Even though they are working in the same cadre carrying same designations from 1-4-96 to August, 2002. A Comparative statement of pay has been given by the Petitioner.

3. It has further been submitted that consequent

Name	Mr. G. A. Rudrappa	Mr. R. Subbarayalu
Date of joining the department	29-3-1982	17-9-1983
Post held on 1-4-1996 & at the time of wage revisions	Fire Foreman	Fire Foreman
Present designation	Sr. Superintendent	Sr. Asst. (Foreman)
Basic Pay + Sp. Pay as on 31-12-96	Rs. 3490	Rs. 3760
Wage revision basic pay on 1-1-97	Rs. 8460	Rs. 8860
Annual Increments	January	July
Basic pay as on 1-1-2001	Rs. 9260	Rs. 9660
Basic pay as on 1-7-2001	Rs. 9500	Rs. 9860

upon the implementation of CHQ's order dated 16-4-2003 the pay of Mr. G. A. Rudrappa has been fixed at Rs. 8460 on 1-1-97 and that of Mr. R. Subbarayalu is Rs. 8860 though Mr. R. Subbarayalu a junior to Mr. G. A. Rudrappa, he is drawing 400 more basic salary per month. Therefore, there is pay anomaly. The Respondent company filed their counter before conciliation officer wherein they have categorically stated that prior to 1-4-1996, the workman is not entitled for equal pay with the said Mr. R. Subbarayalu, though, the Petitioner was entitled for the equal pay after 1-4-1996. The Petitioner is entitled for the difference of the wages and consequential benefits from April, 1996 till 31-1-2006. He is also entitled for difference of wages from 14-1-2006 onward till the date of actual re-fixation of the pay. The Petitioner further submitted that as per the order dated 9-2-1998 and 9-6-2001 there should not be any anomaly between the pay scale of the employees of IAD & NAD who constituted the work force of Airports Authority of India. The Petitioner workman Mr. G. A. Rudrappa made several representations but no action was taken in the matter, therefore, workman approached the conciliation officer. No conciliation could take place and the matter was referred to the Government of India, who has referred the matter to this tribunal for adjudication and hence, this petition.

4. Respondent had filed his counter statement stating therein that the Petitioner's union is an unrecognized union, does not authorize to espouse the cause of any employee working under the Respondent. On this point alone this petition deserves to be dismissed.

5. In reply to the reference, the Respondent has submitted that workman Mr. G. A. Rudrappa can not claim equal pay on par with Mr. R. Subbarayalu as both employees belong to two different divisions and they have come from two different organisations, i.e., International Airports Division (IAD) and National Airports Divisions (NAD). Both the organisations have different rules and different pay structures and after merger of both the organisation i.e., International Airports Division (IAD) and National Airports Division (NAD) no common seniority between employees of the two divisions has been adopted by Airports Authority of India management. Therefore, the question of equal pay on par with Mr. R. Subbarayalu does not arise.

6. It has further been submitted that the Respondent and Airport Authority of India came into existence on 1-4-1995. It was formed under the Act of Parliament (Airports Authority of India Act, 1944) by the merger of erstwhile International Airports Division (IAD) and National Airports Division (NAD). Even after the merger of the two organisations as Airports Authority of India, these organisations are following their own R & P Rules

and seniority. The promotions of employees of IAD and NAD are being done on the basis of their own seniority maintained by them till date. For administrative purposes these two organisations are named as International Airports Division (IAD) and National Airports Division (NAD). The Petitioner is working as Senior Superintendent, Fire services his seniority is maintainable as per seniority list prepared and circulated by International Airports Division. He was promoted as per his seniority of International Airports Division Fire services personnel, hence removal of pay anomaly if any exists can be done only comparing employees of International Airports Division. Respondent has further submitted that though Airports Authority of India adopted unified pay scale and designations for the executives and non-executives of both the divisions, common seniority of the employees has not yet been implemented, both the divisions are maintaining their own seniority separately and promotions of the employees of both the divisions are considered separately and promotions of the employees of both the divisions are considered separately as per the list maintained by them.

7. It has further been submitted that no protection can be extended to the Petitioner by comparing him with employee who entered into the service from different source i.e., International Airports Authority of India. Therefore, the Petitioner's plea to remove pay anomaly in comparison with Mr. R. Subbarayalu, an employee of International Airports Division can not be accepted. Moreover, Mr. R. Subbarayalu has retired from service on 31-1-2004. The Petition is devoid of merits and deserves to be dismissed.

8. Parties were directed to produce their evidences. Petitioner workman filed affidavit of Mr. G. A. Rudrappa as WW1 and produced himself for cross examination who has been cross examined by the Respondent at length. Petitioner has further filed affidavit of Mr. M. Q. Baig, branch secretary of the Petitioner union in support of the Petitioner's claim he appeared for cross examination but he was not cross examined and thus, the Respondent's right to cross examine the WW2 was forfeited. Respondent has not filed any documentary or oral evidence. However, the Petitioner has filed 26 documents which has been marked by him through his affidavit as Ex.W1 to W27.

9. On the date of argument Respondent did not appear as such, I have heard argument of ex-parte argument from the Petitioner's counsel.

10. Learned Counsel for the Petitioner has argued that the Petitioner was appointed earlier than the junior employee Mr. R. Subbarayalu. Petitioner joined on 29-3-1982 whereas Mr. R. Subbarayalu joined the service

on 17-9-2003. As on 31-12-96 basic pay of the Petitioner was Rs.3490 whereas that of Mr. R. Subbarayalu was Rs.3760. As such the anomaly exists as on 31-12-96 and there is a difference of Rs.270 per month in basic pay. Since both the employees are employees of Airports Authority of India, there can not be disparity in the pay scale of Mr. G. A. Rudrappa and Mr. R. Subbarayalu because, Mr. G. A. Rudrappa joined the service in March, 1982 whereas Mr. R. Subbarayalu joined the service on 17-9-83. I have considered this argument and have gone through the claim statement submitted by the Petitioner union and the oral evidence of Mr. G. A. Rudrappa in the light of counter statement presented by the Respondent management.

11. It is undisputed fact that Petitioner Mr. G. A. Rudrappa was appointed in the employment of National Airports Division whereas Mr. R. Subbarayalu was appointed in International Airports Division. It is also not disputed that the service conditions of the two erstwhile Airport authorities were different. The Petitioner workman Mr. G. A. Rudrappa appeared for the cross examination. In his cross examination at page '3' he has admitted that "prior to the merger of the two organisation in the Airports Authority of India, the workman Petitioner belongs to National Airports Division whereas Mr. R. Subbarayalu belongs to International Airport Division". He has further admitted that "prior to merger both the organizations were having their own independent service rules and regulations regarding their employees." A suggestion has been given to the Petitioner that even on the date of the examination of the witnesses employees of both the organizations are bound by their departmental rules and regulations of their parent departments. The witness has replied in negative, however, he has admitted in the next sentence that "common seniority list has not been prepared by the Respondent as yet." He has further admitted that "promotions of each merged organisation were given taking into consideration of their seniority in their previous organisations." The above admission of the Petitioner prove the contention raised by the Respondent management that seniority list of the merged cadre of the International Airport Division and National Airports Division employees after their merger in Airports Authority of India has not been finalized as yet and employees of both the erstwhile organisation are being governed by the erstwhile seniority list prepared by their organisation. In light of this admitted fact I am of the considered view that the contention of the Petitioner that he is senior to Mr. R. Subbarayalu is not based on any material placed by the Petitioner union or the workman concerned Mr. G. A. Rudrappa.

12. This tribunal has to consider:—

(I) Whether the action of management of Airports Authority of India, Hyderabad in not paying equal

pay to Mr. G. A. Rudrappa on par with his junior Mr. R. Subbarayalu is legal and justified?

(II) If not, what relief the workman is entitled to?

13. Point No. (I): For the determination of the first question, as whether the action of management in not paying equal pay to Mr. G. A. Rudrappa on par with his junior Mr. R. Subbarayalu, is legal and justified or not, tribunal has to consider the material placed by the Petitioner and its union before this Tribunal. It is admitted fact that Petitioner was appointed in the employment of National Airports Division whereas Mr. R. Subbarayalu was appointed by International Airports Division of Airports Authority of India's which has been constituted by the merger of International Airports Authority of India and National Airports Authority of India by an act of Parliament called Airports Authority of India Act, 1994 and both the above said organisations merged to form Airports Authority of India. It is, further admitted that the common seniority list of the employees of International Airports Authority of India and National Airports Authority of India has not been prepared as yet though the organisations has been merged to form Airports Authority of India. Petitioner workman Mr. G. A. Rudrappa, WW1 has himself admitted in his cross examination that common seniority list was not yet prepared by the Respondent. When it is admitted fact that after the merger of the two organisation International Airports Authority of India and National Airports Authority of India, common seniority list was not prepared and has not been prepared as yet. The Petitioner's contention is devoid of any merit that he is senior to Mr. R. Subbarayalu because Petitioner and Mr. R. Subbarayalu were appointed in two different organisation of the Airports. Since they are employees of two different organisations though the Petitioner's was appointed in his organisation in the year 1983 he can not claim seniority over an employee of another organisation, though that employee might have been recruited in a subsequent year in his organisation. Thus, the very basis of the pay parity being claimed by the Petitioner workman is baseless and unfounded and based on misconceived notions and misinterpretation of policy of the merger of two different organisations.

14. Petitioner himself has admitted that promotions in each merged organisation were given taking into consideration of their seniority in their previous organisations. Thus, the Petitioner's contention that he is senior to Mr. R. Subbarayalu is baseless and unfounded. Moreover, the Petitioner has not given the date of promotion of Mr. R. Subbarayalu as Fire Foreman and the date of his promotion as Fire Foreman in the their respective organisations. Simply, because the two organisations merged to form one Airports Authority of India organization Petitioner can not be said to be senior to

a person of another organization to which he does not belong. Thus, the very basis of the claim statement of the Petitioner is baseless and unfounded. Petitioner has not been able to prove that he is senior to Mr. R. Subbarayalu, as such his claim is baseless, unfounded and unjustified. The documents relied by Petitioner Ex.W1 to W27 are of no help to petitioner to decide the claim of Petitioner.

15. This tribunal is of the definite opinion that the Petitioner is not senior to Mr. R. Subbarayalu, who is an employee of erstwhile Indian International Airports Authority of India is neither junior to Mr. G. A. Rudrappa nor Mr. G. A. Rudrappa is senior to Mr. R. Subbarayalu. Hence, the action of management in not making the equal pay to Mr. G. A. Rudrappa at par with Mr. R. Subbarayalu is neither illegal nor unjustified. The action of the management of Airports Authority of India is fully justified and legal.

16. **Point No. (II):** So far as, the second question is concerned the Petitioner has not been able to prove that he is senior to Mr. R. Subbarayalu nor he has been able to prove that service conditions of Petitioner Mr. G. A. Rudrappa and that of Mr. R. Subbarayalu were one and same and they form a single entity of the employees. Whereas from the own admission of the Petitioner it is proved that even on the date of examination of the Petitioner before this tribunal employees of International Airports Authority of India and National Airports Authority of India are being governed by the service rules of their previous organizations, the promotions are also being given on the basis of their respective seniority prepared by both the organization separately. Hence, Petitioner Mr. G. A. Rudrappa is not entitled for any relief. His claim for equal pay on par with Mr. R. Subbarayalu is unjustified, unfounded, baseless and deserves to be rejected and he is not entitled for any relief. The reference is answered as such and hence this award.

Accordingly, an Award is passed Transmit.

AWARD

Passed on 13-7-10

Government of India vide notification no. L-29012/6/2002-IR(M). dated 13-11-2003 by exercising its powers under Section 10 of the Industrial Disputes Act, (the Act in short)

has referred the following industrial dispute for adjudication to this Tribunal :—

“Whether the action of the management of M/s. Haryana Minerals Ltd., in terminating the services of workman Shri Jaswant Singh S/o Shri Amar Singh is justified? If not, to what relief the workman is entitled?”

After receiving the reference, parties were informed. Parties appeared and filed their respective pleadings. As per the pleadings of the parties the workman Jaswant Singh was employee of M/s Haryana Minerals Limited. He was appointed as clerk-cum-typist on 5-8-1976 as per rules. His services were terminated on 25-1-2001. It is the contention of the workman that his services were terminated without complying with the provisions of Section 25 N of the Industrial Disputes Act. The establishment in which the workman was working has more than 100 employees and no permission from the competent Government was taken before retrenchment of the services of the workman. Apart from it, the workman has also contended that juniors to him were retained in the services in violation of Section 25H of the Act.

The management appeared and filed a detailed reply (written statement). It is the contention of the management that Haryana Minerals Ltd. was continuously running in losses and the management took the decision for closure of the establishment. Accordingly, the services of all the workers were retrenched according to law.

Parties were afforded the opportunity for adducing evidence. Evidence of workman was recorded. On behalf of the management evidence of Shri Surender Kumar Jain was recorded. Documentary evidence was also filed by the parties.

I have heard the parties at length.

As stated earlier, the workman has prayed for a reasonable compensation on account of his illegal termination from the services. The workman has challenged the retrenchment on two accounts namely permission from the appropriate Government before retrenchment of the services of the workman was not taken and juniors to him were retained in the services.

I have gone through the entire materials on record. Document Annexure D-1 makes it clear that permission from appropriate Government was taken by the establishment having 100 or more employees. Thus, there is no force in the contention of the workman that his retrenchment was violative of Section 25N of the Act. Certain directions were given by the Central Government to comply with in case of the retrenchment of the services. One of the directions was principle of last come first go shall be applicable in case of retrenchment. It is established before this Tribunal that for exigency of work few employees were retained in the services and few of them were juniors to the workman. But this fact has also proved before this

Tribunal that after retrenchment of the services of the workman, he was afforded another service as retrenchee and he is serving and working in another department as a Government servant. It has also come before this Tribunal that the persons who were retained for exigency of work were retrenched after some time. Meaning thereby, for a particular period some persons were retained in exigency of work and the workman was provided with another job as retrenchee. The establishment Haryana Minerals Ltd. was wind up as per the rules. Retrenchment compensation and other benefits were given to the workman as per rules. The management or the appropriate Government was not bound to provide with the services to the workman in another department. The Government was kind enough to accommodate the workman in another department in good gesture.

The proceedings of this Tribunal runs on the basis of justice, equity and good conscious. If one junior to the workman was retained in the service for exigency of work for a limited period and after that period his services were also terminated, it cannot vitiate the lawful retrenchment of the workman.

Another contention of the workman is that retrenchment compensation was paid on the basis of old pay-scale. It has come before this Tribunal that new pay-scale was not adopted by the management of Haryana Minerals Ltd. Adoption of new pay-scale and granting the pay-scale to the employee is the prerogative of the management. The establishment was at the stage of the winding up on the basis of the consistent losses. Under such circumstances the management was justified not to adopt the new pay-scales. Moreover, it is law of service jurisprudence that granting the new pay-scale is the prerogative of the management and the Tribunal is not competent to issue any direction regarding it.

Thus, on the basis of the above observation, I am of the view that there is no force in the claim petition of the workman. The workman was rightly retrenched from the services and he is not entitled for any relief. The industrial dispute is accordingly answered. Let appropriate Government be approached for publication of award, and thereafter, file be consigned to record room.

AWARD

Passed on : 13-7-10

Government of India vide notification no. L-12012/104/2002 IR(B-II), dated 26-09-2002 by exercising its powers under Section 10 of the Industrial Disputes Act, (the Act in short) has referred the following industrial dispute for adjudication to this Tribunal:—

“Whether the action of the management of Punjab & Sindh Bank in terminating the services of Shri Amrit Singh S/o Shri Mohinder Singh, Ex-Peon (Daily Wage Basis) w.e.f. 25-12-2000 without any notice and without any payment of retrenchment compensation is legal and just? If not, what relief the concerned workman is entitled to and from which date?”

After receiving the reference parties were informed. Parties appeared and filed their respective pleadings. On perusal of the pleadings of the workman, it is clear that he

has claimed to work with the management from 01-02-1989 to 18-04-1999 on several occasions in different periods. In compliance of the instructions, dated 12-01-99, issued by the Head Office of Punjab & Sindh Bank regarding the engagement of the temporary peons the workman was appointed as temporary peon on temporary basis for a period of two months on a basic pay plus DA and other allowances vide letter dated 17-05-99. The services of the workman were extended several times, but without disclosing any reasons and without issuing any notice or one month wages in lieu of notice and retrenchment compensation his services were terminated on 25-12-2000. He has completed 240 days of work in the preceding year from the date of termination. His termination was against the provisions of Section 25 F of the Act. In spite of work available with the management his services were terminated. On the basis of the above facts, the workman had prayed for setting aside the termination order and for a consequential order reinstating him into the services along with the back wages and other benefits.

The management appeared and contented the claim of the workman by filing written statement. It is contended in the written statement that workman was not appointed as per the procedure for recruitment applicable to the bank. He was temporarily appointed and had not completed 240 days of work in the preceding year from the date of his termination. The contents of para no. 3 & 4 of the claim petition have not been denied as such. In these paras the workman has stated that in compliance of the instruction given by the Head office, he was appointed as a temporary peon on basic pay plus DA and other allowances. This contention has not been denied by the management in specific terms.

During the proceedings before this Tribunal the workman Shri Amrit Singh died and her widow Smt. Balwinder Kaur was ordered to be substituted in claim petition. The widow of the deceased workman, Smt. Balwinder Kaur filed the affidavit and her statement was recorded. No evidence was adduced by the management.

Parties were heard at length.

On perusal of the materials on record, it is evidently clear that the appointment of the workman on 17-05-1999 was lawful appointment which was made in compliance of the instructions dated 12-01-1999. The copy of the instruction is on record and it is very well mentioned in this letter that violation of these instruction shall be viewed very seriously. In compliance of these instructions the workman was appointed as temporary peon for two months and this period was extended several times by issuing the several letters. If the work is available, issuing of several letters, for me is the unlawful labour practice. The several letters, with notional breaks for me are issued to prevent the workman for claiming and exercising the rightful claims under the provisions of the Act. If the work is regularly

available, there is no reason before the management to issue the different letters for a short term with notional breaks. If the letters are treated in continuation, the deceased workman has certainly completed 240 days in the precedings year from the date of his termination. Admittedly, no notice or one month wages in lieu of notice or retrenchment compensation was given to the workman before termination of his services. This makes the termination of the deceased workman illegal and void. The only remedy which can be given to the widow of the deceased workman is a reasonable compensation. The compensation should be equal to the compensation which would have been given to the workman if he had been alive. There are certain parameters which have to be considered by the Tribunal before awarding the compensation. The wages which the workman was getting at the time of his termination, length of service, retrenchment compensation, one month wages in lieu of notice, interest thereon, inflation, inflexion in the price of day to day consumable items etc, have to be considered by the Tribunal before awarding the punishment. If all the factors are considered, in my view an amount of Rs. 1,50,000 (one lacs fifty thousand only) would have been a reasonable amount of compensation to be awarded to the workman, if alive. Accordingly, the widow of the deceased workman Smt. Balwinder Kaur will be entitled for an amount of compensation of Rs. 1,50,000 (One lac fifty thousand only) from the management of the bank. The bank is directed to pay the compensation within one month from the date of publication of the award. If his amount is deposited or paid to the workman within one month from the date of publication of the award no interest need to be paid failing which the widow of deceased workman shall be entitled for an interest at the rate of 8% per annum from the date of filing the claim petition by the deceased workman till the final realization. Accordingly, the industrial dispute and reference is answered. Let Central Government be approached for publication of award, and thereafter, file be consigned to record room.

AWARD

Passed on : 21-7-2010

The Government of India vide Notification No. L-17012/59/96-IR(B-II), dated 05-09-1997 by exercising its powers under Section 10 of the Industrial Disputes Act, (the Act in short) has referred the following industrial dispute for adjudication to this Tribunal:—

“Whether the action of the management of LIC of India in awarding punishment of removal from service of Shri Devender Bansal w.e.f. 01-11-95 along with recovery of misappropriated amount from him is legal & justified. If not, to what relief the concerned workman is entitled?”

After receiving the reference, parties were informed. Parties appeared and filed their respective pleadings. The main case of the workman in nut shall he was appointed as a Development Officer with the management on 28-08-1987. Because of his tremendous hard work he was honoured as “Crorepati Development Officer” by the management. He was issued a charge sheet on the false allegations for

misappropriation of public funds. He was charge sheeted on two counts for such misappropriation and committing fraud. He reply the charge sheet which was not accepted by the management. As per the contention of the workman enquiry was conducted of false and fabricated charges. No proper opportunity of being heard was afforded to him during enquiry. On the basis of the enquiry report he was dismissed from the services. He preferred an appeal which was dismissed. Thereafter, he raised the industrial dispute and on account of failure of conciliation report, this reference.

The management appeared and opposed the claim by filing written statement. Preliminary objections were taken that Development Officer does not fall within the definition of the workman under the Industrial disputes Act 1947. On merits, it was contended by the management that workman Shri D.K. Bansal as Development Officer received a sum of Rs. 8912 in cash from Smt. Inderpal Kholi, an agent of ICI towards revival of policy no. 160234251 favouring Shri Charanjeet Singh. The workman does not deposit the money and issued a cheque from his saving bank account making counter feet signatures of Charanjeet Singh. The cheque was dishonoured for non-matching of signatures. It is further contended by the management that workman Shri Devender Kumar Bansal as Development Officer collected sum of Rs. 15,500 in cash from Shri K.K. Whig under several policies for his son Ranjeet Whig & Arun Bhagat. He did not deposit the amount and issues several cheques from his saving bank account which were dishonored.

The management further more contended that workman misappropriated the funds. He was issued the charge sheet. The workman replies the charge sheet and after conducting a fair and proper enquiry, he was dismissed from the services. This Tribunal after hearing both of the parties on preliminary issue regarding the jurisdiction of this Tribunal deposed off the same on 21-01-2003 holding that Development Officer of LIC is not the workman as per the definition of the workman given under the Industrial Disputes Act, 1947. This further held that this Tribunal has no jurisdiction to adjudicate the reference in question. The workman preferred a CWP before Hon'ble High Court of Punjab & Haryana against the order passed by the Tribunal dated 21-01-2003. Hon'ble High Court of Punjab & Haryana was kind enough to set-aside the award passed by this Tribunal on jurisdictional issue and remanded the case to this Court to decide that matter afresh after recording the evidence of the parties. Thereafter, parties were summoned. They were provided with the opportunity for adducing evidence. Oral and documentary evidence was adduced/filed.

I have heard the parties at length and perused the entire materials on record. The main points for determination before this Tribunal are as follows :—

- (1) Whether the Development Officer working in LIC is the workman and consequently this Tribunal has got jurisdiction to adjudicate this reference?
- (2) Whether the act of the workman constitutes misconduct for committing misappropriation of funds?
- (3) Whether a fair, reasonable and proper enquiry was conducted by the management, if yes, its effects.
- (4) To what relief/reliefs the workman is entitled?

I am adjudicating and answering all these points one by one.

So far as the issue no. 1 is concern, it has become the settled law of service jurisprudence that Development Officer comes within the definition of workman as enumerated under the Industrial Disputes Act. Without going to deep and detailed history of judicial adjudication regarding the nature of work of Development Officer, it will be proper to mention the latest judgment decided by Hon'ble Apex Court in *CWP 2004/2008 LIC of India Vs. R. Suresh*. In this judgment the Bench of Hon'ble Supreme Court of Hon'ble Mr. S.B. Sinha and Hon'ble Mr. Justice V.S. Sirpurkar has specifically held that Development Officer of LIC is a workman. Hon'ble the Apex Court has relied the law in S.K. Verma's case on the same issue. In this Judgment Hon'ble Supreme Court has also held that in spite of exclusion clause in 1956 LIC Act, as amended in 1972, the jurisdiction of Tribunal/Labour Court is not barred on the matters which are not inconsistent with the manners enumerated in the LIC Act, 1956.

Thus, on the basis of the above observations, I am of the view that Shri Devender Kumar Bansal a Development Officer of the LIC is a workman as defined under the provisions of Industrial Disputes Act and this Tribunal has got the jurisdiction to adjudicate and answer the reference in question.

The issue no. 3 is relating to the enquiry conducted by the enquiry officer this issue has not raised by the parties seriously. The workman in his pleadings and affidavit has stated that fair and proper enquiry was not conducted by the enquiry officer. Fair and proper enquiry for the purposes of this issue means that the enquiry was conducted as per the rules applicable to the parties.

It also includes that rules of principle of natural justice were complied with and all proper and possible opportunities of being heard was afforded to the workman.

The workman in garlanding words has stated that enquiry was not properly conducted but has failed to narrate the circumstances and instances which lead to the violation of any rules of principle of natural justice and rules relating to the departmental enquiry applicable to the parties. I have gone through the enquiry report submitted by the management. On perusal of the enquiry report and

enquiry proceedings, it is clear that the charge sheet was issued to the workman. Workman replied the charge sheet. Dissatisfying with the reply, it was ordered by the disciplinary authority to conduct a departmental enquiry. The order was received by the workman. He appeared before the enquiry officer. He participated in the enquiry proceedings and all possible opportunity of being heard was afforded by the enquiry officer. He received the report of the enquiry officer and show cause notice. He was also afforded the opportunity of being heard by the disciplinary authority before awarding the punishment.

Thus, from the perusal of the evidence, it is clear that a proper and fair enquiry was conducted against the workman. The plea taken by the workman that funds were not the funds of the management has no concern with the issue of fairness of enquiry. It may be the part of the decision making. As stated earlier, while deciding the issue on fairness of enquiry, this Tribunal has to see whether there were a procedural lapses or the violation of any rules of principle of natural justice. As stated earlier, on perusal of the entire materials on record, I am unable to trace out any procedural lapse or any violation of rules of principle of natural justice on the part of the enquiry officer and the disciplinary authority while conducting the departmental enquiry and disciplinary proceedings respectively. The issue no. 3 is accordingly disposed off.

The issue no. 2 is related to the decision making of the enquiry officer. As stated earlier the workman was charge sheeted for two accounts. He received the amounts respectively but he does not deposit the same. It has been the contention of the workman that amount received was not the amount of the Corporation, and if it was not the amount of Corporation, it cannot be the subject matter of mis-appropriation of funds. It is contended by the workman that a civil liability for breach of contract emerges between the parties and LIC of India has no concern with it. It is further stated by the workman that amount in question was later on deposited by the workman and policy reviewed and in present time all the policies are lying. It has further been contended by the workman that it is not within the duty of the Development Officer and the agent to collect the amount and get deposited the same in the LIC office. It is not within the duty of the workman how the amount received by him can be the amount of the Corporation?

The duties of the Development Officer have been given in Annexure 2. Rule 5 of Annexure 2 reads as under:-

A. Your duties as a Development Officer shall be:

(i) To develop and increase the production of Life Insurance Business in a planned way as far as may be practicable in the area that may be allotted to you or in which you are allowed to work from time to time through the agents placed under your supervision by the Corporation and in consonance with the corporate objectives of the Corporation.

(ii) To guide, supervise and direct the activities of the agents placed under your supervision by the Corporation.

(iii) To introduce suitable persons to the corporation for appointment as now agents.

(iv) To act generally in such a way as to activate existing agents and motivate new agents so as to develop a stable agent force.

(v) To render all such services to policy holders conducive to better policy servicing.

(vi) To carry out the investigation of claims, revival of lapses policies and liaison work in connection with Salary Savings Scheme Business.

(vii) To perform such other duties as may be entrusted or assigned to you from time to time.

B. You shall ensure that the agents in your organization conduct their work and/or business strictly in accordance with the provisions of the Insurance Act, 1938 and rules framed thereunder, and such other Rules and Regulations that the corporation may issue from time to time and the LIC of India (Agents) Rules, 1972, as amended from time to time, and in the best interest of the Corporation.

C. After an agent recruited at your instance, has continuously worked for the Corporation for a period of 5 years or more and the Branch manager is satisfied that the agent is no longer in need of the help and guidance of any Development Officer, such an agent may be treated as a Direct agent at the sole discretion of the Corporation."

Sub-clause V & VI are important for the purpose of present industrial dispute, Sub-clause V says that it is the duty of the Development Officer to render all such services to the policy holders conducive to better policy serving. Likewise, Clause VI reads that it is the duty of the Development Officer to carry out the investigation of claims, revival of lapses policies and liaison work in connection with Salary, Savings business.

The above two clauses namely Clause V & VI specifically mentioned that it is the duty of the Development Officer to render services to policy holders conducive to better policy serving and for revival of lapse policies. This duty also includes to help the parties in depositing the policies premium. If any policy holder or any other person on his behalf gives the amount to the Development Officer for revival of the policy, this comes within the duty of the Development Officer to get amount deposited in the LIC office for reviving the lapses policies. Thus, it cannot be accepted that amounts received by the Development Officer from the policy holders or from any other person on behalf of the policy holders are not the amounts of the LIC.

If the contention of the workman is accepted that it was not the fund of the LIC, the evidence on record further proves that the workman has committed fraud with the policy holders and the Corporation. It is not only the case of the workman that he could not deposit the

amount for a short period. But he deposited that amount by cheque drawn from his saving bank account and the cheque was signed by him in the name of Shri Charanjeet Singh, policy holder no. 160234251 for revival of said policy. It cannot be believed that on the cheque book belonging to the workman. Shri Charanjeet Singh put on his signatures. The cheque was bound to be dishonored. Likewise, in another transactions of Rs. 15,500 several cheques from his account were issued by the workman were dishonored. Thus, the workman issued the cheque deposited the same in the various policy nos. knowing it that he is not having the sufficient funds in his account. Thus, the act of the workman that he issued the cheque from his account and put on his signature of Charanjeet Singh and issued the several cheques for policy of Shri K.K. Whig which were dishonored are sufficient to prove that the workman did do it with intention to defraud the policy holders and the LIC. The workman had deposited the amount after a substantial time has no concern with the act of misconduct committed by the workman. Likewise, Smt. Inderpal Kaur has withdrawn the complaint has no concern with the misconduct of the workman which has already been completed. The ultimate sufferer were either the LIC whose prestige and confidence was at stake or Shri Charanjeet Singh whose policy was reviewed after a substantial period. Accordingly the statement of Shri K.K. Whig that :

"I do not take receipt from a gentlement who came to my house and also oblidging me to do some work on my behalf"

"cannot held the workman, where misconduct has been proved by independent witness".

Accordingly, I am of the view that enquiry officer has rightly held both of the charges proved against the workman. There is no occasion for this Tribunal to interfere in the findings of the enquiry officer.

Disciplinary authority after affording the opportunity of being heard awarded the punishment of removal from services which in any view is proportionate to the committed misconduct. LIC deals with its clients in financial matters. The lack of integrity in financial transactions resulted in loosing trust and confidence in LIC by the workman. Where such trust and confidence is lost, the workman become untrustable for the institution and he was rightly punished keeping away from Corporation. No interference, accordingly, in punishment award to the workman, is called for. Let Central Government be approached for publication of award, and thereafter, file be consigned to record room.

AWARD

Passed on 3rd day of August, 2010

1. The Government of India, Ministry of Labour vide its Notification No. L-22012/217/95-IR(C-II) dated 12-9-97 has referred the following dispute for adjudication by this tribunal:-

“Whether the action of the management of Rajnagar Opencast Mines of SECL, Hasdeo area in not regularizing the services of Sh. Munna Lal and 14 other contract workers (list enclosed) engaged at Coal Handling Plant, Rajnagar Opencast Mines is legal and justified? If not to what relief are the workmen entitled and from which date?”

2. The Union/workman did not appear inspite of notice sent through registered post. The then Tribunal, thereafter, proceeded ex parte against the Union/workmen on 12-12-2007.

3. The management/non-applicant appeared and filed his written statement. The case of the management, in short, is that it is stated that the terms of reference does not show the period of engagement of the workmen and also does not disclose the name of contractors under whom they were alleged to have been engaged as contract workers. It is stated that the Union was not authorized to raise the dispute of these workmen who could not be member of the Union as per by laws. The management had never employed these workmen and there was no relationship of employer and employees. The management invited tender for execution of casual/miscellaneous work of cleaning of CHP from petty contractors and the cleaning job of CHP is of intermittent and casual in nature and it does not come within the prohibited category. The photocopies of the work orders are filed which are Annexure M/1 to M/16, to show pretty work of cleaning job of CHP. The management had no control over the contract labourers engaged by the contractors in any matters. The workmen are not entitled to any relief.

4. The only point for issue is as to whether the action of management in not regularizing the services of the contract workers is legal and justified?

5. To prove the case, the management has adduced oral and documentary evidence. The management witness Shri K. Nath is Sub Area Manager of Rajnagar Open Cast Mine. He has stated that identification of the workers have not been established nor the particulars of the contractors under whom the workmen worked is proved. The burden is on the union/workmen to establish that they had worked under the contractors for the specified periods. There is no evidence on the record to prove the said fact. In absence of the said evidence the claim of workmen/ Union appears to be not justified. The work orders (Annexure M/1 to M/16) show that pretty contract was given to the contractors of pretty amount for specified period to different contractors. This also shows that there was casual work of cleaning of CHP. He has also stated that the workers of the pretty contract had no control what so ever of the management. Moreover it is not established that these claimants had worked under any of these contractors. The evidence of the management witness is un rebutted and there is no reason to disbelieve his evidence. Thus, it is clear that the workmen are not entitled to any relief. Accordingly the reference is answered.

6. In the result, the award is passed without any order to costs.

7. Let the copies of the award be sent to the Government of India, Ministry of Labour and Employment as per rules.

Telephone Attendent-cum-Dak Khalasi was engaged by Delhi Metro Rail Corporation Ltd. (hereinafter referred to as the Corporation) to work at the residence of Shri B.K. Mishra, Deputy Chief Engineer. Services of Shri Nitya Parkash Mishra were initially engaged w.e.f. 1st of May, 2000, for a period of one year. He was appointed purely on contractual basis. He was granted temporary status on completion of 180 days of continuous service vide order dated 13th of November, 2000. His contractual appointment was extended from time to time. Lastly vide order dated 28-10-04, the Corporation extended his contractual appointment upto 30-4-2005. On 7-12-2004 Shri Nitya Parkash Mishra was caught red handed by

Shri B.K. Mishra, when former was committing theft at the residence of the latter. Shri Mishra obtained some writings from Shri Nitya Parkash in that regard. Apprehending legal action. Shri Nitya Parkash Mishra abandoned his job. He joined services with M/s. Money Line as a sales executive in December, 2004, itself. Despite the fact that he got job with M/s. Money Line, Shri Nitya Parkash wrote letters to the Managing Director of the Corporation, Leveling allegations against Shri B. K. Mishra, alleging termination of his services and seeking relief of reinstatement in service. Memorandum dated 31st of January, 2005, was sent to Shri Nitya Parkash Mishra highlighting that he was unauthorisedly absent from his duty w.e.f. 8-12-04. He was called upon to explain as to why he has not joined his duties and legal action should not be initiated, which explanation he was supposed to tender within a period of ten days from the receipt of the said letter. Though the letter was sent by registered post, yet a copy of the said letter was served personally on Shri Mishra when he visited office of the Chief Personnel Officer on 17th of February, 2005. He submitted a reply to that letter on 24th of February, 2005. In the meantime he got served a legal notice on the Corporation. When Shri Mishra opted not to join his duties, an order dated 29-4-2005 was passed relieving him from the services of the Corporation w.e.f. 30-4-05. Feeling aggrieved, Nitya Parkash Mishra raised a dispute before the Conciliation Officer. Since conciliation proceedings failed, appropriate Government referred the dispute to this Tribunal for adjudication, vide order No. L-41012/197/2005-IR(D-I), New Delhi dated 4-12-2006, with following terms:

“Whether the action of the management of D.M.R.C. Ltd., Pragati Vihar, New Delhi, in terminating the services of Shri Nitya Parkash Mishra Peon w.e.f. 07-12-2004 is legal and justified? If not to what relief he is entitled to?”

2. Claim statement was filed on behalf of Shri Nitya Parkash Mishra pleading that he was appointed as an attendant w.e.f. 1-5-2000 and posted at the residence of Shri B.K. Mishra, Deputy Chief Engineer. He was granted temporary status on 1-11-2000, in the scale of Rs. 2550-3200. He alleged that Shri B.K. Mishra was not behaving properly with him, since he used to scold him over petty matters without any rhyme or reason. Shri Mishra was in the habit of extending threats relating to termination of his services. He used to plead with Shri Mishra each and every time with folded hands. On 7-12-2004 Shri Mishra compelled him to give writings in following terms: “I was committing theft of money. I got prepared a key one month back at Rajapur”. Another writing obtained from him was, “Do not hand me over to police. My career will be spoiled”. He projects that he had no other alternative but to give those writings to Shri Mishra. After obtaining above writings, Shri B.K. Mishra verbally told him that his services stands terminated and he need not to report for duty w.e.f. 8-12-2004.

Claimant presents that he pleaded with Shri Mishra and requested him to return those writings but he refused to oblige him. He sent a complaint to Police Station Prashant Vihar, Delhi on 9-12-2004, by post but no action was taken. He visited police station personally to enquire about his complaint but no satisfactory reply was given. On 24-12-04 he made a complaint to the Managing Director of the Corporation but no reply was received. On 10-1-2005 he served a legal notice but to no avail. He continuously visited office of the management. He received a letter dated 31-1-2005 and came to know that the Corporation had levelled false allegations to the effect that he was absconding from his duties, with effect from 8-12-94. He submitted his reply dated 24-2-2005. Despite his explanation, so tendered, he was not allowed to resume his duties. On 22nd of March, 2005, he made a complaint to the Conciliation Officer concerning illegal termination of his service by Shri Mishra. He was not a contractual employee, since he was appointed against a regular post. He worked for a period of more than 240 days in a calendar year. During the course of conciliation proceedings he came to know that allegations of theft were levelled against him by Shri B.K. Mishra, who had used writings obtained from him. Allegations of absconding from duties was also levelled. Those allegations were false and frivolous. No charge sheet was ever served upon him nor any enquiry was conducted. He unfolds that he has continuously worked with the Corporation for a period of 4 years and termination of his services is in violation of the provisions of section 25-F of the Industrial Disputes Act, 1947 (in short the Act), since no notice or pay in lieu thereof and retrenchment compensation was paid to him. Another person was employed by the Corporation in his place. Termination of his services amounts to retrenchment. He claims that an award may be passed in his favour, reinstating his services with continuity, full back wages and all consequential benefits. He also seeks cost of litigation.

3. Claim was demurred by the Corporation pleading therein that the claimant was appointed as Telephone Attendant-cum-Dak Khalasi for a period of one year on contractual basis. His contractual appointment was extended on year to year basis and lastly his contractual appointment came to an end on 30-4-2005. Shri Nitya Parkash Mishra was absent from his duties unauthorisedly w.e.f. 8th December, 2004, without any information or prior sanction of his leave. He was advised vide letter dated 31st of January, 2005, to report for duties but he failed to comply the said advice. His services came to an end on 30-4-2005, on expiry of his contractual employment.

4. It is not disputed that Shri Nitya Parkash Mishra was engaged w.e.f. 1-5-2000 and was deputed to work at the residence of Shri B.K. Mishra, Deputy Chief Engineer. It was also not disputed that he was given temporary status w.e.f. 1-11-2000 in pay scale of Rs. 2550-3200. It is pleaded that he was appointed purely on contractual basis for a

period of one year and grant of temporary status would not accord any right or title to claim continuity of service, regularisation of service or seniority etc. Based on need and performance, his contractual appointment was extended on year to year basis, which extension was lastly done upto 30-4-05. It has been denied that Shri B.K. Mishra compelled the claimant to give writings, as detailed by him in his claim statement. It has been denied that Shri Mishra used to extend threats to the claimant. It has been pleaded that the claimant never reported for his duty w.e.f. 8-12-04. Since services of the claimant came to an end on expiry of term of his contractual appointment, there was no case for termination of his services. There was no situation to serve any notice or grant him pay for notice period, besides retrenchment compensation. Shri Mishra is gainfully employed with M/s. Money Line, a franchise of I.C.I.C.I Bank, as per his Identity Card No. A-151, issued to him by the said employer. His claim for reinstatement with continuity and other consequential benefits is liable to be dismissed.

5. In his rejoinder the claimant reiterates facts pleaded by him in his claim statement. He disputes that he was employed with M/s. Money Line a franchise of I.C.I.C.I. Bank, as per identity Card No. A-151, issued him by the said firm.

6. Claimant tendered his affidavit Ex. WW1/A as evidence. He also relied certain documents in support of his claim. He was cross examined at length of the management. No other witness was examined on behalf of the claimant in support of his claim.

7. Shri B.K. Mishra Chief Project Manager who tendered his affidavit Ex. MW/1/A as evidence, besides placing reliance on certain documents. He was cross examined in part. His further cross examination was deferred, since he wanted to consult records to affirm or deny that office order Ex. WW1/2 was served on the claimant or not. On the adjourned date, management opted not to produce Shri Mishra for further cross examination. Under these circumstances testimony of Shri Mishra could not be purified by an ordeal of cross examination. Hence, his evidence cannot be read in evidence against the claimant.

8. Shri P.N. Thakur, Senior Personnel Officer, tendered his affidavit Ex. MW/2A as evidence on behalf of the management, besides placing reliance on documents which were proved by the management in the testimony of Shri B.K. Mishra. Shri Thakur was cross examined at length on behalf of the claimant. No other witness was examined on behalf of the management too.

9. Arguments were heard at the bar. Shri R.S. Saini, authorized representative advanced arguments on behalf of the claimant. Shri Pankaj Malik, authorized representative, raised his submissions on behalf of the management. I have given my careful considerations to the arguments advanced at the bar and cautiously pursued

the record. My findings on issues involved in the controversy are as follows:

10. Shri Nitya Parkash Mishra swears in his affidavit Ex. WW1/A that he was appointed as an attendant against a permanent and regular post w.e.f. 1-5-2000 and posted at the residence of Shri B.K. Mishra, Deputy Chief Engineer. He was granted temporary status w.e.f. 1-11-2000 and was placed in the scale of Rs. 2550-3200. He worked honestly and sincerely with the Corporation. Shri B.K. Mishra was not behaving properly with him from last 3-4 months prior to December, 2004. He used to scold him on petty matters without any rhyme or reason. He used to extend threats of termination of his service. He (witness) used to plead with him each and every time with folded hands. On 7-12-04 Shri B.K. Mishra compelled him to write. "I was caught committing theft of money. I got prepared a key one month back from Rajapur." He also obtained writing, "Do not hand me over to Police. My career will be spoiled". He was having no option but to give those writings to Shri Mishra. After obtaining those writings. Shri Mishra verbally terminated his services and directed him not to report for duty from 8th of December, 2004. He requested Shri Mishra to return writings, obtained from him but Shri Mishra had not returned it. His services were terminated w.e.f. 8-12-2004. His last drawn wages were Rs. 6280, in the scale of Rs. 2780-3200.

11. Shri Mishra went on to unfold that he lodged a complaint with Police Station Preet Vihar on 8-12-04, which was sent by him under postal certificate. However no action was initiated by the police. He sent a complaint dated 24-12-04 to the Managing Director of the Corporation by post as well as through courier. No reply of the complaint was received. He served a legal notice dated 10-1-05 which was sent by registered post and under postal certificate. No reply to the said notice was received. He visited the office of the Corporation continuously but to no avail. He received letter dated 31-1-05 from Chief Personnel Officer, wherein false and frivolous allegations were levelled against him. He submitted a reply dated 24-2-05 explaining that he was not absconding from his duty. Thereafter no response was received from the management. He filed a complaint to the Regional Labour Commissioner on 22-3-2005 against illegal termination of his services. The Corporation claimed that he was a contractual employee, which claim is false. He was not a contractual employee and continuously served the Corporation for more than 240 days in the calendar year immediately preceeding termination of his service.

12. The claimant asserts that no charge sheet was served upon him for alleged misconduct. No enquiry was conducted against him. Termination of his services is totally illegal, arbitrary, against legal provisions and principles of natural justice. Termination of his services is violative of

the provisions of section 25-F, 25-G and 25-H of the Act, since another employee has been appointed in his place. His juniors were retained in service by the Corporation. No notice or pay in lieu thereof besides retrenchment compensation was paid to him. He also made representation to Labour Minister and a Member of Parliament against termination of his services. With a view to cover their lapses, the Corporation has shown him as a contractual employee. During the course of his cross examination, he concedes that in December, 2004, he worked with M/s. Money Line, a franchise of I.C.I.C.I. Bank. He hastens to add that he worked with them for 15 days only. He opted not to unfold exact date of his appointment with M/s. Money Line. He offered an explanation that one of his friend got his indentity card prepared, as an employee of M/s. Money Line.

13. Shri P.N. Thakur swears in his affidavit Ex. MW2/A that claimant was engaged as Telephone Attendant-cum-Dak Khalasi purely on contract and daily rate basis for a period of one year. His contractual appointment was extended on year to year basis, which came to an end on 30-4-2005. Shri Nitya Parkash was absenting himself from his duties unauthorisedly w.e.f. 8-12-04, without any information or prior sanction of his leave. He was advised vide letter dated 31-1-05 to report for duty. He failed to report for his duty for reasons best known to him. Accordingly his services came to an end on expiry of contractual employment of 30-4-2005.

14. Shri Thakur projects that Shri B.K. Mishra never compelled the claimant to write anything on his dictation. With effect from 8-12-04 Shri Nitya Parkash Mishra never reported for his duty at the residence of Shri B.K. Mishra. Shri Mishra was gainfully employed with M/s. Money Line, a franchise of I.C.I.C.I. Bank, as per identity card No. A-151, issued to him. He had proved photo copy of application dated 1-5-2000, submitted by the claimant copy of office orders dated 13-11-2000, 31-10-2001, 16-10-2002, 27-10-2003, 28-10-2004, 29-4-2005, letter dated 31-1-2005 and indentity card alongwith mail received from M/s. Money Line. During the course of his cross examination, he projects that no person was appointed at the residence of Shri Mishra in place of Nitya Parkash Mishra. Shri B.K. Mishra made a complaint against the claimant regarding his absence from duty. He projects that the claimant never reported to the office of the Corporation after 7-12-04, requesting his reinstatement in the job. He concedes that the Corporation filed written statement before the Conciliation Officer.

15. When facts testified by rival parties and documents proved over the record are closely scanned it came to light that the claimant approached Shri B.K. Mishra for a job of Bangla Peon. He moved application Ex. MW1/1 to Shri Mishra, who recorded his endorsement on the said

application to the effect that he had tried the claimant for two days and found him reliable for the job. He recommended his case for consideration. On recommendation so made by Shri B.K. Mishra, order dated 4-5-2000 was issued communicating approval of the Competent Authority for engagement of the claimant as an Attendant at the residence of Shri B.K. Mishra w.e.f. 1-5-2000 on daily rate basis. This order has been proved by the claimant as Ex. WW1/2. Claimant projects that temporary status was granted to him w.e.f. 1-11-2000 and he was placed in the scale of Rs. 2500-3200. When office order No. DR/351/2000 dated 13-11-2000, which has been proved as Ex. MW1/2 is scanned, it came to light that temporary status was granted to the claimant, besides others, on completion of 180 days of continuous services, purely on contractual basis w.e.f. 1-11-2000 for a period of one year. It was made clear in office order Ex. MW1/2 that grant of temporary status shall not give any right, title or claim for continuity or regularization or seniority etc. Though the claimant asserts that temporary status was granted to him w.e.f. 1-11-2000 but he disputes that he was a contractual employee. As unfolded by Shri Thakur, temporary status was granted to the claimant on the strength of order Ex. MW1/2. The claimant, a daily rated employee, was granted pay scale of Rs. 3550—3200 on the strength of the order referred above. Though it is cornerstone of the case of the claimant that he was accorded temporary status w.e.f. 1-11-2000 and placed in the scale of Rs. 2550—3200, yet he disputes that he was a contractual employee, appointed for a period of one year, with a stipulation that he shall not claim any right, title, continuity, regularization or seniority etc. The claimant approbates and reprobates facts, which he cannot be permitted to do so. He cannot avail benefit of order Ex. MW1/2 in respect of grant of temporary status and placing him in the scale of Rs. 2550-3200 and discard stipulations to his appointment on contractual basis for a period of one year, without any right, title or claim for continuity or regularization or seniority etc. Therefore it is evident that claimant was accorded benefit of being placed in the scale of Rs. 2550—3200 and temporary status on completion of 180 days of continuous service purely on contractual basis. His appointment was made initially for a period of one year and was not to accord any right, title or claim for continuity, regularization or seniority etc. It stood established that the claimant was appointed as a contractual employee with temporary status, vide order Ex. MW1/2 and prior to that he was a daily rated employee.

16. Documents Ex. MW1/3 to Ex. MW1/6 were proved by Shri Thakur, during the course of his testimony. The claimant attempted to dispel those documents, asserting that the Corporation had fabricated it subsequently. Except this bald claim, no material was brought over the record to give an inference that the documents were fabricated. Neither in his testimony nor during the course of cross-

examination of Shri Thakur, claimant tried to highlight any fact with a view to castigate contents of the documents referred above. These documents were issued under the signature of Shri P. R. Narayanan, Chief Personnel Officer of the Corporation. Office memorandum Ex. WW1/11, issued by Shri Narayanan, was served upon the claimant, which document is not disputed. Signatures of Narayanan on documents Ex. MW1/3 to Ex. MW1/6 were compared with the signatures which appear on Ex. WW1/11 and it came to light that these documents were authored by one and the same person, who executed Ex. WW1/11. Hence it became apparent that Ex. WW1/3 to Ex. WW1/6 were issued by the Corporation under the signature of Shri Narayanan, Chief Personnel Officer. Nothing has come over the record to show that these documents were issued subsequently by Shri Narayanan with a view to forge a defence in the case. These documents were issued in respect of various contractual employees, including the claimant. Their employee numbers, dates of birth, dates of joining service, category to which they belong (viz. General S.C. and S.T.), the dates upto which their contract of employment were extended besides previous reference numbers and dates were mentioned in these documents Ex. MW1/3 to Ex. MW1/6. These facts go to conclude that documents Ex. MW1/3 to MW1/6 were issued by Shri Narayanan time to time, as and when exigency arose to extend terms of contract of claimant and others. Every presumption lies in favour to the fact that official acts were regularly performed by the officers of the Corporation.

17. Matter can be perceived with another angle. Maxim "*omnia praesumuntur rite et solemniter esse acta*" conveys a general rule that a court of law shall uphold official, juridical and other acts, rather than to render them inoperative and with this view, where there is general evidence of acts having been legally and regularly done, to dispense with proof of circumstances, strictly speaking essential to the validity of those acts and by which they were probably accompanied in most instances, although in other the assumption rests solely on grounds of public policy. It would mean that if an official act is proved to have been done, it will be presumed to have been regularly done, a presumption arises in respect of legality and correctness of the official acts performed. Not to talk of some evidence but no inference has been brought over the record on behalf of the claimant to rebut the presumption available in favour of the document referred above. Therefore, testimony of Shri Thakur is to be accepted and it has to be concluded that Ex. MW1/3 to Ex. MW1/6 were issued from time to time by P. R. Narayanan, Chief Personnel Officer of the Corporation.

18. When Ex. MW1/3 is scanned it came to light that contractual employment of the claimant was extended from 1-11-2000 to 31-10-2000, with a stipulation not to give any right, title or claim for continuity, regularization or seniority to him. In the same manner his contractual employment

was extended from 31-10-2002 to 31-10-2003 on the strength of Ex. MW1/4. His contractual employment was extended from 31-10-2003 to 31-10-2004 on the strength of Ex. MW1/5, which was further extended from 30-10-2004 to 30-10-2005 vide Ex. MW1/6. All these documents highlight that he was appointed purely on contractual basis, which term of his employment was extended from time to time. The Corporation made it clear that extension of his contractual employment shall not accord any right, title or claim for continuity of service, regularization and seniority etc. These documents denounce the claim put forward by Shri Mishra to the effect that he was appointed against a regular post.

19. Question for consideration comes as to whether accord of temporary status to the claimant resulted into acquisition of substantive right to hold that post. For an answer to this proposition this Tribunal may seek guidance from scheme laid down by the Government of India for accord of temporary status on casual employment. The said scheme was notified on 10-9-1993. In that scheme it has been proposed to accord temporary status on a casual employee on completion of one year continuous service. On accord of temporary status he shall get benefits under the scheme, which is extracted thus:

1. This scheme shall be called "Casual Labourers (Grant of Temporary Status and Regularisation) Scheme of Government of India, 1993".
2. This scheme will come into force with effect from 1-9-1993.
3. This scheme is applicable to casual labourers in employment of the Ministries/Departments of Government of India and their Attached and Subordinate offices, on the date of issue of these orders. But it shall not be applicable to casual workers in Railways, Department of Telecommunication and Department of Posts who already have their own schemes.
4. Temporary status.—(i) Temporary status would be conferred on all casual labourers who are in employment on the date of issue of this OM and who have rendered a continuous service of at least one year, which means that they must have been engaged for a period of at least 240 days (206 days in the case of offices observing 5 days week).
- (ii) Such conferment of temporary status would be without reference to the creation/availability of regular Group 'D' posts.
- (iii) Conferment of temporary status on a casual labourer would not involve any change in his duties and responsibilities. The engagement will be on daily rates of pay on need basis. He may be deployed anywhere

within the recruitment unit/territorial circle on the basis of availability of work.

(iv) Such casual labourers who acquire temporary status will not, however, be brought on to the permanent establishment unless they are selected through regular selection process for Group 'D' posts.

5. Temporary status would entitle the casual labourers to the following benefits:—

(i) Wages at daily rates with reference to the minimum of the pay scale for a corresponding regular Group 'D' official including DA, HRA and Special Compensatory Allowance or Composite Hill Compensatory Allowance, etc., that is only one of the compensatory allowance, more beneficial to them, can be taken into account for the purpose of calculating their wages.

(ii) Benefits of increments at the same rate as applicable to a Group 'D' employee would be taken into account for calculating pro rata wages for every one year of service subject to performance of duty for at least 240 days (206 days in administrative offices observing 5 days week) in the years from the date of conferment of temporary status.

(iii) Leave entitlement will be on a pro rata basis at the rate of one day for every 10 days of work. Casual or any other kind of leave, except maternity leave, will not be admissible. They will also be allowed to carry forward the leave at their credit on their regularization. They will not be entitled to the benefits of encashment of leave on termination of service for any reason or on their quitting service.

(iv) Maternity leave to lady casual labourers as admissible to regular Group 'D' employees will be allowed.

(v) 50% of the service rendered under temporary status would be counted for the purpose of retirement benefits after their regularization.

(vi) After rendering three years' continuous service after conferment of temporary status, the casual labourers would be treated on par with temporary Group 'D' employees for the purpose of contribution to the General Provident Fund, and would also further be eligible for the grant of Festival Advance, Flood Advance on the same conditions as are applicable to temporary Group 'D' employees, provided they furnish two sureties from

permanent Government servants of their Department. (vii) Until they are regularized, they would be entitled to Productivity—Linked Bonus/Ad hoc bonus only at the rates applicable to casual labourers.

6. No benefits other than those specified above will be admissible to casual labourers with temporary status. However, if any additional benefits are admissible to casual workers working in industrial establishments in view of provisions of Industrial Disputes Act, they shall continue to be admissible to such casual labourers.
7. Despite conferment of temporary status, the services of a casual labourer may be dispensed with by giving a notice of one month in writing. A casual labourer with temporary status can also quit service by giving a written notice of one month. The wages for the notice period will be payable only for the days on which such casual worker is engaged on work.
8. Procedure for filling up of Group 'D' posts (i) Two out of every three vacancies in Group 'D' cadres in respective offices where the casual labourers have been working would be filled up as per extant Recruitment Rules and in accordance with the instructions issued by Department of Personnel and Training from amongst casual workers with temporary status. However, regular Group 'D' staff rendered surplus for any reason will have prior claim for absorption against existing/future vacancies. In case of illiterate casual labourers or those who fail to fulfil the minimum qualification prescribed for the post, regularization will be considered only against those posts in respect of which literacy or lack of minimum qualification will not be a requisite qualification. They would be allowed age relaxation equivalent to the period for which they have worked continuously as casual labourer.
9. On regularization of casual worker with temporary status, no substitute in his place will be appointed as he was not holding any post. Violation of this should be viewed very seriously and attention of the appropriate authorities would be drawn to such cases for suitable disciplinary action against the officers violating these instructions.
10. In future, the guidelines as contained in this Department's O.M. dated 7-6-1988, should be

followed strictly in the matter of engagement of casual employees in Central Government offices.

11. Department of Personnel and Training will have the power to make amendments or relax any of the provisions in the scheme that may be considered necessary from time to time.

[G.I., Dept. of Per. & Trg. O.M. No. 51016/2/90 -Estt. (C) dated the 10th September, 1993].

20. The scheme referred above makes it clear that on accord of temporary status, an employee is granted certain benefits in parity with regular employees but he does not acquire any right to hold that post. Accord of temporary status on an employee does not confer a right on him to claim his lien on the post. He is a purely temporary employee for all purposes and intent. He does not acquire any substantive right to hold that post and his services can be dispensed with when period of his contractual employment comes to an end. Rights of a contractual employee shall be governed by the terms of his contract. Here in the case claimant was appointed as a Telephone Attendant-cum-Dak Khalasi on contractual basis, whose contract was extended from time to time. Accord of temporary status has not resulted into a status of the servant of the Corporation. His services remained contractual all throughout. On conferment of temporary status the claimant was not given status of an employee of the Corporation. Therefore, it does not lie in the mouth of the claimant that he became regular employee of the Corporation.

21. Claimant was appointed as an Attendant w.e.f. 1-5-2000 on daily rate basis. On accord of temporary status, he was made a contractual employee w.e.f. 1-11-2000, on the strength of order Ex. MW1/3. Term of his contractual employment were extended from time to time, as detailed above. Till 30-4-05 he remained a contractual employee in the scale of Rs. 2550-3200. It emerges over the record that the claimant was appointed as a contractual employee and continued as such upto 30th of April, 2005, by the Corporation. No evidence was adduced by the claimant to show that he was kept in contractual employment for a long period with a view to deprive him status and privilege of a permanent employee. His case has been that he was appointed against a regular post. Therefore, for want of pleading and evidence, this Tribunal cannot embark upon an enquiry as to whether he was kept contractual employee by the Corporation with a view to deprive him a status available for a permanent employee and that act amounted to unfair labour practice. Even otherwise no such issue was referred by the appropriate Government for adjudication. Therefore, the Tribunal cannot look into the aspect as to whether acts of the Corporation amounted to unfair labour practice, when claimant was kept as a

contractual employee for a continuous long period by the Corporation.

22. Hue and cry has been raised by the claimant that Shri B.K. Mishra compelled him to make confession of a theft. He declares that he was forced to right, "I was caught committing theft of money. I got prepared a key one month back from Rajapur". Another writing, "do not hand me over to the police, My career will be spoiled" was also obtained from him, announces the claimant. He went on to depose that after obtaining those writing, his services were terminated by Shri Mishra orally, by directing he directed him not to report for duty from 8th December, 2004. He presents that his services were terminated w.e.f. 8th of December, 2004 and it amounted to award of punishment, without an opportunity to explain his conduct. Shri Saini tried to argue that termination of services of the claimant by Shri B.K. Mishra casts a stigma on him and it was incumbent on the part of the Corporation to conduct a domestic enquiry that too in consonance with the principles of natural justice. He presents that when no enquiry was conducted, termination of the services of the claimant is in violation of the provisions of law.

23. Shri Malik presents that no such writings, as claimed, were extorted by Shri Mishra from the claimant. According to him services of the claimant came to an end on expiry of terms of contract. He presents that it was not a case of punishing the claimant on commission of misconduct by him. To appreciate facts, the Tribunal had to rely over certain documents placed over the record by the parties. Failure report, submitted by the Conciliation Officer, to the appropriate Government has been placed over the record. In his report dated 9th of November, 2005, the Conciliation Officer took into consideration the contents of the written statement submitted by the Corporation before him. He noted in his report that the Corporation claimed that the claimant was absconding from his duties from 8th of December, 2004, without any information or leave application. He further notes that the Corporation claimed that the claimant committed theft on 7-12-04 at the residence of Deputy Chief Engineer, where he was employed and was caught red handed by the Officer. The claimant confessed in presence of society officials and gave writings in that regard. He recorded that the Corporation asserted that while remaining unauthorized absent, the claimant took out outside job with M/s. Money Line, a franchise of I.C.I.C.I. Bank as per identity card No. A-151, issued to him by the said employer. In view of these facts his contractual employment which expired on 30-5-05 was not extended and he was relieved from service.

24. Facts were obtained from Shri B. K. Mishra by the Corporation, when representation of the claimant was received. Shri Mishra reported the incident in extenso. He presents that on 7-12-04 he went to his residence during

noon hours, since he felt unwell. He consumed some medicine and slept in one of the room of his house. His wife was away. After sometime he got up and found claimant in his (witness) bed room and locking the almirah. He pulled him to drawing room's balcony and called for help Security persons, Monoj Tyagi. Smt. and Shri V.N. Mehra and Shri N.K. Midha reached there. Two duplicate Keys (of bed room almirah) and stolen money were recovered from the claimant. He confessed in presence of those persons and told that duplicate keys were got made a month back from Rajapur Market of Sector 9. Claimant bagged that he be not handed over to police, since he had returned everything which he had stolen and his future would be spoiled. He wrote those facts in presence of neighbours and security person. Claimant did not report on duty after that incident. On receipt of that report Shri P.R. Narayanan, Chief Personnel Officer, recorded a detailed note with reference to proceedings which took place before Assistant Labour Commissioner (Central) on 29th of August, 2005. In that note he records fact relating to theft committed on 7-12-04 at the residence of Shri B.K. Mishra. He further records that the claimant never returned for work from 8-12-04. It has further been commended by Shri Narayanan that while remaining unauthorized absent the claimant sought job with M/s. Money Line, a franchise of I.C.I.C.I. Bank. It has been detailed in that note that when contractual employment of the claimant came to an end no further extension was granted and he stood relieved from service w.e.f. 30-4-2005. From these facts it is evident that an incident of theft took place at the residence of Shri B.K. Mishra, who caught the claimant red handed. The claimant made confession before Shri Mishra and others and gave in writing to that effect also. The claimant did not report for duty w.e.f. 8-12-04. However, facts relating to the incident of theft and claimant being caught red handed by Shri Mishra were never placed before this Tribunal by the Corporation. No clear facts were pleaded on the proposition as to whether the claimant gave in writing to Shri Mishra about commission of theft and pleaded that he should not be handed over to Police. These aspects make it clear that the Corporation had not placed all facts before the Tribunal. Though Shri B.K. Mishra was brought in the witness box, but intentionally he was withheld by the Corporation

25. What was motive of the Corporation in concealing facts relating to theft and withholding Shri Mishra from the Tribunal? Apparently it was so done with an idea to project that the services of the claimant were not disengaged on account of misconduct of theft, committed by him at the residence of Shri B.K. Mishra on 7-12-04. In case it emerges over the record that the services of Shri Mishra were dispensed with on account of misconduct as a penalty, in that situation the management is saddled with a duty to conduct an enquiry and to accord a reasonable opportunity of being heard to the claimant, in respect of charges levelled against him.

26. When a civil servant is removed, dismissed or reduced in rank by way of punishment, provisions of clause (2) of Article 311 of the Constitution ought to have been complied with. Two safeguards are provided in that Article, which are : (1) that the persons employed in civil capacities under the union or state shall not be dismissed or removed by an authority subordinate to that by which they were appointed, and (2) no such person shall be dismissed or removed or reduced in rank except after an inquiry in which he has been informed of the charges against him and given a reasonable opportunity of being heard in respect of those charges. However, there shall be no need of inquiry or of giving notice in following circumstances:—

- (i) where a person is dismissed or removed or reduced in rank on the ground of conduct which has led to his conviction or a criminal charge; or
- (ii) where the authority empowered to dismiss or remove a person or to reduce him in rank is satisfied that for some reason, to be recorded by that authority in writing, it is not reasonably practicable to hold such inquiry; or
- (iii) where the President or the Governor, as the case may be, is satisfied that in the interest of the security of the State it is not expedient to hold such inquiry.

27. Provisions of Article 311 of the Constitution are applicable both to permanent and temporary service. In *Purshotam Lal Dhingra* (AIR 1958 S.C.36) the Apex Court ruled that Article 311 does not, in turn say that the protection of that Article extends only to persons who are permanent members of the services or who hold permanent civil posts. The court concluded that Article 310 makes no distinction between the permanent and temporary members of the service or between persons holding temporary or permanent posts.

28. Whether Shri B.K.Mishra terminated services of the claimant on 7-12-04? For an answer to this proposition it is to be seen whether Shri Mishra was competent to appoint and dispense with services of the claimant. For this answer facts, which are emerging out of the documents proved by the parties are to be addressed to again. EX.MW1/1 is the application submitted by the claimant to Shri B.K.Mishra for his engagement as Bangla Peon. Shri Mishra recorded his endorsement on it and forwarded to the Competent Authority for favourable consideration. The claimant was appointed vide order dated 4-5-2000, which has been proved by him as EX.WW1/2 as on daily rate basis. Appointment order was issued by Deputy Chief Personnel Officer. This fact makes it clear that the claimant was aware that Shri B.K.Mishra as Deputy Chief Engineer was not competent to appoint him as an Attendant. Ex.MW1/2, on the strength of which temporary status was

accorded to the claimant and placed in the scale of Rs.2550—3200, was issued by Shri P.R.Naryanan. On the strength of this document his contractual employment was extended from time to time. Letter dated 31-1-2005, which was received by the claimant personally on 17-2-2005, was issued by Shri Narayanan, on the strength of which he was called upon to explain as to why disciplinary action should not be initiated against him for his unauthorized absence. He was further required to explain as to why he was not joining his duties till the date of issue of that letter. All these facts make it clear that while serving at the residence of Shri B.K.Mishra, the claimant was well aware that Shri Mishra was not competent to engage or disengage his services. Claimant presents that Shri Mishra terminated his services verbally, saying that he should not report for duty thereafter. Claimant wrote letter Ex. WW1/5 to Managing Director of the Corporation. This fact makes it clear that he was well aware that Shri Mishra was not at the helm of affairs in the matter of his employment or termination of his service. Therefore, the claimant was not at all misled by the fact that Shri Mishra had asked him not to report for duty, after the incident of commission of theft. Service of notice Ex. MW1/7 on the claimant made it clear to him that he was in the service of the Corporation till the date of its issue and receipt by him. He was required to offer his explanation for his unauthorised absence and to report for duty at the earliest. When this notice was received by the claimant on 17-2-2005, his misconception that his services were terminated by Shri B.K.Mishra melt away. He became aware that he was still in the service of the Corporation. He made a reply of that letter on 24-2-2005. He detailed facts in that reply and claimed that he was not an absconder from service. Though he projected that he was ready to join his service but he had not tendered his joining report alongwith explanation Ex.WW1/12. What were the reasons for doing so? Those reasons were spelled out by Shri Thakur in his affidavit Ex.MW2/ A, wherein he projects that the claimant was gainfully employed with M/s Money Line, a franchise of I.C.I.C.I. Bank. These facts were conceded to by the claimant in his testimony. However, he presents incomplete facts, when he testified that he worked with M/s Money Line for 15 days in December, 2004. From his admission it is evident that claimant joined services of M/s Money Line in December, soon after the incident of theft, which took place on 7-12-04. Whether he served for 15 days only? Answer lies in negative. Ex.MW1/10 projects that the claimant joined services with M/s Money Line as Sales Executive in December, 2004. Ex.MW1/9, which is photo copy of identity card, issued in favour of the claimant by his new employer, makes it clear that application for issuance of that card was made in January, 2005 and it was issued on 6th of January, 2005. Therefore, it is evident that in January, 2005, the claimant was serving with his new employer. When he was in the service of his new employer, that fact persuaded him not to join his duties when notice Ex.MW1/7 was served upon him and he replied it vide

Ex.WW1/12. Therefore, it is evident that in February, 2005, when Ex.MW1/7 was received by the claimant, he was still in the service of the Corporation. No termination order was in existence on that date.

29. When service of the claimant were dispensed with? Shri Thakur gives an answer to this proposition. He presents that the claimant, who was a contractual employee, was not given extension and his contractual employment came to an end on 30-4-05. He has proved order Ex.MW1/8 in that regard. This order highlights that on expiry of contractual employment tenure of Nitya Parkash Mishra, working at the residence of Shri B.K.Mishra, Deputy Chief Engineer, he stood relieved from the organization from afternoon of 30-4-05. The claimant had filed calculation of his leave record and encashment amount paid to him by the Corporation. This document shows that there were 114 earned leaves to the credit of the claimant. On the date when he was relieved from services of the Corporation his basic pay was Rs.2780 and dearness pay was Rs.13901 besides D.A. of Rs.584. A sum of Rs.18065 was computed in his favour on account of his leave encashment, which was paid to him by the management. Though this document was not proved by the claimant, yet he relied it. No hue and cry was raised by the claimant concerning payment of encashment of his earned leaves. Consequently this document goes to substantiate that the claimant was in the service of the Corporation till 30-4-05. Therefore, it does not come over the record that service of the claimant were dispensed with on 8 of December, 2004.

30. As highlighted by order Ex.MW1/8, which was admittedly served upon the claimant, Shri Nitya Parkash Mishra was relieved from the services of the Corporation on 30-4-2005. Shri Mishra concedes during the course of his testimony that Ex.WW1/M2 (order Ex.MW1/8 has been exhibited inadvertently as such also) was received by him. By acceptance of this order, which has not been questioned by him, he implicitly admits his discharge from the service of the Corporation on 30-4-2005. Therefore, it is clear that service of Shri Mishra were not dispensed with on 8th of December, 2004. No evidence worth consideration came out of the record to show that service of Shri Mishra were dispensed with on account of penalty for misconduct of theft. In such a situation the management was not saddled with any responsibility to serve a charge sheet on Shri Mishra and to conduct a full-dress enquiry. Provisions of Article 311 of the Constitution had not come into play in the present controversy. Though allegations of theft were there against Shri Mishra, yet his services were not dispensed with by the Competent Authority on those misconducts, emanating stigma on him. In such a situation it is not a case where order Ex.MW1/8 (proved by the claimant as Ex.WW1/M2) can be discarded being violative of the provisions of Article 311 (2) of the Constitution.

Services of the claimant came to an end when terms of his contractual employment were not extended any further. Therefore, that act does not make the action of the management unjust, unfair and illegal. A temporary employee, who has no right to the post, cannot compel his employer to give extension to terms of his employment. His services can be dispensed with, in terms of contract without assigning any reason, since he has no right to hold the post.

31. There is other fact of the coin. It is not the case of the claimant that he was recruited in terms of rules of recruitment. In Uma Devi [2006(4) SCC I] the Apex Court considered the proposition as to whether the persons who got employment, without following of a regular procedure or even from the back door or on daily wages can be ordered to be made permanent in their posts, to prevent regular recruitment to the posts concerned. Catena of decisions over the subject were considered and the court declined the submissions of the workmen to be made permanent on the posts which were held by them in temporary or adhoc capacity for a fairly long spell. The Court ruled thus:

“With respect, why should the State be allowed to depart from the normal rule and indulge in temporary employment in permanent posts? This Court, in our view, is bound to insist on the State making regular and proper recruitments, and is bound not to encourage or shut its eyes to the persistent transgression of the rules of regular recruitment. The direction to make permanent—the distinction between regularization and making permanent, was not emphasized here—can only encourage the State, the modal employer, to flout its own rules and would confer undue benefits on a few at the cost of many waiting to compete. With respect the directions made in Piara Singh [1992 (4) SCC 118] is to some extent inconsistent with the conclusion in para 45 of the said judgment therein. With great respect it appears to us that the last of the directions clearly runs counter to the constitutional scheme of employment recognized in the earlier part of the decision. Really it cannot be said that this decision has laid down the law that all ad-hoc, temporary or casual employees engaged without following a regular recruitment procedure should be made permanent”.

32. Taking note of some of recent decisions, the Apex Court held that the State does not enjoy a power to make appointments in terms of article 162 of the Constitution. The Court quoted its decision in Girish Jyanti Lal Vaghela [2006 (2) SCC 482] with approval, wherein it was ruled thus.

“The appointment to any post under the State can only be made after a proper advertisement has

been made inviting applications from eligible candidates and holding of a selection by a body of experts or a specially constituted committee whose members are fair and impartial through a written examination or interview or some other rational criteria for judging the inter se merit of candidates who have applied in response to the advertisement made. A regular appointment to the post under the State or Union cannot be made without issuing advertisement in the prescribed manner which may in some cases include inviting applications from the Employment Exchange, where eligible candidate get their names registered. Any regular appointment made on a post under the State or Union without issuing advertisement inviting applications from eligible candidates and without holding a proper selection where all eligible candidates get a fair chance to compete would violate the guarantee enshrined under article 16 of the Constitution".

33. In P.Chandra Shekhara Rao and Others [2006 (7) SCC 488] the Apex Court referred Uma Devi's Case (supra) with approval. It also relied the decision in a Uma Rani [2004 (7) SCC 112] and ruled that no regularization is permissible in exercise of statutory powers conferred in Article 162 of the Constitution, if the appointments have been made in contravention of the statutory rules. In Somveer Singh [2006 (5) SCC 493] the Apex Court ruled that appointment made without following due procedure cannot be regularized. In Indian Drugs & Pharmaceuticals Ltd. [2007 (1) SCC 408] the Apex Court reiterated the law and announced that the rules of recruitment can not be relaxed and court can not direct regularisation of temporary employees de hors the rules, nor can it direct continuation of service of a temporary employee (whether called a casual, ad-hoc or daily rated employee) or payment of regular salaries to them.

34. In Uma Devi (supra) it was laid that when a person enters a temporary employment or get engagement as contractual or casual worker and the engagement is not based on a proper selection as recognized by the relevant rules or procedure, he is aware of the consequence of the appointment being temporary, casual or contractual in nature. Such a person cannot invoke theory of legitimate expectation for being confirmed for the post when an appointment to the post could be made only by following a proper procedure or selection in any concerned cases, in consultation with the public service commission. Therefore, theory of legitimate expectation cannot be successfully advanced by temporary, contractual or casual employees. It cannot also be held that the State held out any promise while engaging these persons either to continue them where they are or to make them permanent. The State cannot constitutionally make such a promise. It is also obvious that the theory cannot be invoked to seek relief of being made permanent in the post. In view of those precedent neither continuance nor regularisation of services of the

claimants can be ordered, since it would amount to back door entry into Government job.

35. In view of the foregoing reasons the action of the management in relieving the claimant from the service w.e.f. 30-4-05 is found to be legal and justified. No relief of reinstatement or continuation in service can be granted to the claimant. An Award is accordingly, passed. It be sent to the appropriate Government for publication.

Central Government Employees Consumer Cooperative Society Ltd. (known as Kendriya Bhandar) New Delhi, was registered under the provisions of the Multi State Cooperative Societies Act, (in short the Multi State Societies Act), 2002, with the main objectives to obtain, distribute and market food stuff, essential commodities and other consumer goods at reasonable prices for benefit of Central Government Employees and employees of subsidiary/autonomous organization set up by the Government of India or Union Territory Administration and other Consumers within its area of operation, besides other objects detailed in its bye laws. Kendriya Bhandar has its head office at Pushpa Bhawan, Madangir Road, New Delhi, while its branch office are located throughout the territory of the country. One of the branch office of Kendriya Bhandar is located at Faridabad, Haryana. Shri Deepak Kapoor (hereinafter referred to as the claimant) was engaged as part time clerk at Faridabad Office of Kendriya Bhandar. Initially he was paid at Rs.1200 PM, which was subsequently enhanced to Rs.1500 a month. He served Kendriya Bhandar from 1st of January, 2001 till 12-9-2003. When claimant was disengaged, he raised a demand for reinstatement in service. When his demand was not conceded to, he raised a dispute before the Conciliation Officer. Since conciliation proceedings failed, the Central Government referred the dispute to this Tribunal for adjudication, vide order No.L-42012/114/2005-IR(CM-II), New Delhi, dated 15-01-2007, with the following terms:

“Whether the action of the management of Kendriya Bhandar in terminating the services of Shri Deepak Kapoor w.e.f. 12-9-2003 is legal and justified? If not to what relief is the workman entitled?”

2. In his claim statement, claimant pleads that he joined Kendriya Bhandar in January, 2001 as part time accounts clerk. There are more than 1000 employees working with Kendriya Bhandar. He used to render his services from 2 PM to 7 PM every day. He was a workman and no administrative, managerial or supervisory functions were assigned to him. He never gave any chance of complaint to his superiors and his work was satisfactory. However, no overtime or weekly off was given to him. When he completed six months of his service, he was made to deposit a sum of Rs.1,00,000 as security. His earned wages for the month of July and August, 2003 were not paid. When he raised demand in regard his services were dispensed with on 12-9-2003 by way of verbal orders. He made a demand for release of his earned wages and reinstatement in service, which demand was not conceded to. On 3rd of May, 2004, he sent a letter, which was replied through an Advocate vide letter dated 17-5-2004. It was made clear in that letter that the management was not ready to take him on job. Termination of his services amounts to his victimization and unfair labour practice. He rendered continuous service

for more than 240 days. in every calendar year. His termination is in violation of sections 25-F and 25-G of the Industrial Disputes Act, 1947 (in short the Act). He claims reinstatement in service with continuity and full back wages, besides return of his security amount.

3. Claim was resisted pleading that Kendriya Bhandar is not a State within the meaning of Article 12 of the Constitution, hence this Tribunal has no jurisdiction to entertain the dispute. It has been pleaded that Kendriya Bhandar is a Society registered under Multi State Societies Act, hence this Tribunal cannot invoke its jurisdiction to adjudicate the reference. It has further been pleaded that branch office of Kendriya Bhandar is located at Faridabad, while its head office is situated at Pushpa Bhawan, E. Wing, Madangir Road, New Delhi. The claimant ought to have impleaded officer at the helm of affairs at its head office, instead of officers at its branch office, Faridabad. It has not been disputed that the claimant was engaged as a part time accounts clerk in January, 2001. However, it is pleaded that he was paid a consolidated sum of Rs.1200 PM, which was subsequently enhanced to Rs.1500 PM in April, 2002. He used to attend office hardly for one hour in a day, since he was performing similar type of job with various other organisations. It has been denied that his work was satisfactory. There were various complaint against him regarding his work and conduct, pleads the management. It has been denied that the claimant was made to deposit a sum of Rs.1,00,000 as a security, on completion of six months of his service. His claim that he rendered continuous service of more than 240 days in a calendar year is not maintainable, since he was a part time employee. It has been denied that his wages for the month of July and August, 2003 were not paid. Since he was a part time employee, his services were disengaged on payment of his entire dues. It had been projected that claim put forward that his juniors were therein the service is false. He is not entitled to any relief: not to talk of relief of reinstatement in service. His claim, being devoid of merits, may be dismissed.

4. Claimant had tendered his affidavit Ex. WW 1/A as evidence. He was cross examined at length on behalf of the management. Shri Vijay Yadav, Divisional Manager, tendered his affidavit Ex.MW1/A as evidence on behalf of the management. He was cross examined at length on behalf of the claimant. No other witness was examined by either of the parties.

5. Arguments were heard at the bar. Claimant had advanced arguments in person Shri J.P.Jain, authorised representative, raised his submissions on behalf of the management. I have given my careful considerations to the argument advance at the bar and cautiously perused the record. My findings on issues involved in the controversy are as follows :—

6. At the outset Shri Jain has argued that Kendriya Bhandar is not an ‘industry’ which is being carried on by

or under the authority of the Central Government. He contends that Shri Vijay Yadav highlights facts in his affidavit Ex. MW1/A to the effect that Kendriya Bhandar is a Society registered under Multi State Societies Act and is not a State within the meaning of Article 12 of the Constitution. He presents that since Kendriya Bhandar is not an 'industry' being run by or under the authority of the Central Government. Central Government is not competent to make a reference of the dispute to this Tribunal. He argued that this Tribunal cannot invoke its jurisdiction to adjudicate the dispute. Contra to it claimant projects that Kendriya Bhandar is an instrumentality of the Government of India and as such the reference has been rightly made to this Tribunal by the appropriate Government. He contends that this Tribunal has jurisdiction to entertain and adjudicate the reference under consideration.

7. A society serving interest of members in more than one State and having objects not confined to one State shall be registered under provisions of the Multi State Societies Act. The Central Government may appoint a person to be the Central Registrar, who shall exercise powers under Multi State Societies Act. To be registered under the said Act, a Society should have objects to serve the interest of the members in more than one State and its bye-laws to provide for social and economic betterment of its members through self help and mutual aid in accordance with co-operative principles, enacts sub-section (1) of Section 5 of the Multi State Societies Act. Sub section (1) of Section 6 of the said Act contemplates that an application for the purpose of registration of a Multi State Cooperative Society shall be made to the Central Registrar in such form and with such particulars as may be prescribed. Sub-section (2) of Section 6 of the said Act provides as to who shall sign the application for registration. The said application shall be accompanied by 4 copies of proposed bye-laws, enacts sub-section (3) of Section 6 of Multi State Societies Act. Sub-section (1) of Section 7 of that Act empowers Central Registrar to register a Multi State Cooperative Society and its bye-laws, on being satisfied about compliance of the provisions of that Act and its rules. He shall issue a certificate of registration and the society so registered shall be a body corporate, having perpetual succession, a common seal and power to acquire and dispose of property, both moveable and immoveable, enter into contract, institute and defend suits and other legal proceedings and to all necessary things for the purposes for which it is constituted. Section 25 of the Multi State Societies Act enlists the category of persons (legal) or natural, who can acquire membership of such a Society. It contemplates as follows:

"25. Persons who may become members

- (1) No person shall be admitted as a member of a Multi-State co-operative society except the following, namely:

 - (b) any multi-state co-operative society or any co-operative society;
 - (c) Central Government;
 - (d) a State Government;
 - (e) the National Co-operative Development Corporation established under the National Co-operative Development Corporation Act, 1962 (26 of 1962)
 - (f) any other corporation owned or controlled by the Government

Provided that if the application is not disposed of within the period aforesaid, or the decision is not communicated within a period of fifteen days of the expiry of the aforesaid period of four months, the Multi-State Co-operative Society shall be deemed to have made a decision, on the date of expiry of such period, refusing admission to the applicant.
 - (5) It shall be the duty of every member of a Multi-State Co-operative Society to promote and protect the interests and objects of such society."

7. Ultimate authority of a Multi-State Cooperative Society vests in its general body, as enacted by Section 38 of Multi State Societies Act. Provisions are enacted for meeting of the general body of the Society. Board of Directors shall exercise such powers as may be necessary or expedient for the purposes of carrying out functions of the Society. Besides those powers, Board of Directors shall exercise powers and functions as follows:

“49. Powers and functions of board

- (1) The board may exercise all such powers as may be necessary to expedient for the purpose of carrying out its functions under this Act.
- (2) Without prejudice to the generality of the foregoing powers, such powers shall include the power —
 - (a) to admit members;
 - (b) to interpret the organizational objectives and set-up specific goals to be achieved towards these objectives;
 - (c) to make periodic appraisal of operations;
 - (d) to appoint and removed a Chief Executive and such other employees of the society as are not required to be appointed by the Chief Executive;

 - (j) to approve annual and supplementary budget;
 - (k) to raise funds;
 - (l) to sanction loans to the members; and
 - (m) to take such other measures or to do such other acts as may be prescribed or required

under this Act or the bye-laws or as may be delegated by the general body.

Section 122 and 123 of the Multi State Societies Act empowers the Central Government to issue certain directions to the Society or to supersede Board of its Directors in certain circumstances.”

8. Bye-laws of Kendriya Bhandar provides that there can be two class of members viz; A class members and B class members. An individual can be A class member while an Institution can be B class member. A member can be expelled from the membership of the Society by a majority of 2/3rd of members entitled to vote, who are present at general body meeting held for the purpose, on the ground specified in bye-law No.7. In certain circumstances an individual would cease to be a member. Kendriya Bhandar has authorised share capital of Rs.15 crores, consisting of 150 lakhs shares of the value of Rs10 each, subscribed by its members, Its capital shall comprise of : (a) Subscribed share capital, (b) Deposits from Members/Central Government (c) Loans and debentures (d) Donations and grants (e) Realised profits. Bye-Law 11 speaks of allotment of shares to individual members while bye-law 13 speaks of limited liability of the members, to the face value of shares held by them. Society may settle claims, as provided by bye-law 12.

9. General Body of the Society shall be constituted of delegates elected, in the manner provided by bye-law 14. Bye-law 15 provides about meetings of the general body while powers and functions of general body are detailed in by-law 17. Bye-law 18 speaks about the constitution of Board of Directors. There shall be 13 Directors, including Chairman, out of whom the Government may nominate three Directors. Board may co-opt two Directors and the rest are to be elected, in the manner provided by bye-law 19. Powers and functions of Board of Directors are given in by-law 22. Power and functions of the Chairman of Board of Directors is given in bye law 24. Board of Director shall constitute an Executive Committee as provided by bye-law 25, whose power and functions are detailed in bye law 26. Power and functions of Managing Director are provided in bye-law 27, while functions of the Secretary are their in bye-law 29. Employees of Kendriya Bhandar are to be appointed by Board of Directors or by the Executive Committee. Pay and allowances and other benefits of employees of Society are to be proved by Board of Directors. It has been projected that Kendriya Bhandar is not getting any grants from Government of India.

10. Now it is to be considered whether by way of nomination of three Directors, the Government of India has vast and pervasive control over functioning of Kendriya Bhandar. Powers of nomination of three directors is given to the Central Government with a view to see that a Multi

State Cooperative Society serves its objectives and it secures proper implementation of cooperative production and other development programmes. Nothing has come over the record that three nominated Directors can overrule the decision of majority for Board of Directors or they can exercise control over functioning of Kendriya Bhandar. Such nomination merely gives the Government a right to implement cooperative powers, policies and its decision in that field. It will not empower Central Government to follow its deep and pervasive authority over Kendriya Bhandar. Therefore, nomination of three directors of Kendriya Bhandar would not go to conclude that Kendriya Bhandar is being run by or under the authority of the Central Government.

11. To call Kendriya Bhandar as an industry being carried on by and under the authority of the Central Government, it is to be ascertained whether there are legal powers with the Central Government to regulate functioning of Kendriya Bhandar. As detailed above ultimate authority lies in the hand of the general body, who elects Board of Directors and its Chairman. Board of Directors function by way of majority decision. Kendriya Bhandar has its own objectives to follow and funds to utilize in furtherance of those objectives. Therefore, neither the administrative control nor budgetary power are there in the hands of the Central Government to run Kendriya Bhandar under its authority. Nothing has come over the record to say that Kendriya Bhandar was being run under the authority of the Central Government. It cannot be said that Kendriya Bhandar is an 'industry' which belongs to the Central Government or is an undertaking being run by the Central Government. Consequently one cannot conclude that Kendriya Bhandar is an 'industry' owned or carried on by or under the authority of the Central Government.

12. As to whether the Central Government is an appropriate Government for the purposes of a dispute under reference. Sub-clause (a)(i) of Section 2 of the Act defines the appropriate Government, which definition is reproduced thus:

“(a) appropriate Government” means

(i) in relation to any industrial dispute concerning any industry carried on by or under the authority of the Central Government or by a railway company or concerning any such controlled industry as may be specified in this behalf by the Central Government or in relation to an industrial dispute concerning a Dock Labour Board established under Section 5A of the Dock Workers (Regulation of Employment) Act, 1948 (9 of 1948), or the Industrial Finance Corporation of India Limited formed and registered under the Companies Act, 1956 (1 of 1956) or the Employees' State Insurance Corporation established under

Section 3 of the Employees' State Insurance Act, 1948 (34 of 1948), or the Board of Trustees constituted under Section 3A of the Coal Mines Provident Fund and Miscellaneous Provisions Act, 1948 (46 of 1948), or the Central Board of Trustees and the State Boards of Trustees constituted under Section 3A of the Coal Mines Provident Fund and Miscellaneous Provisions Act, 1948 (46 of 1948), or the Central Board of Trustees and the State Boards of Trustees constituted under Section 5A and Section 5B, respectively, of the Employees' Provident Fund and Miscellaneous Provisions Act, 1952 (19 of 1952), or the Life Insurance Corporation of India established under Section 3 of the Life Insurance Corporation Act, 1956 (31 of 1956), or the Oil and Natural Gas Corporation Limited registered under the Companies Act, 1956 (1 of 1956), or the Deposit Insurance and Credit Guarantee Corporation established under Section 3 of the Deposit Insurance and Credit Guarantee Corporation Act, 1961 (47 of 1961), or the Central Warehousing Corporation established under Section 3 of the Warehousing Corporations Act, 1962 (58 of 1962), or the Unit Trust of India established under Section 3 of the Unit Trust of India Act, 1963 (52 of 1963), or the Food Corporation of India established under Section 3, or a Board of Management established for two or more contiguous States under Section 16, of the Food Corporations Act, 1964 (37 of 1964), or the Airports Authority of India constituted under Section 3 of the Airports Authority of India Act, 1994 (55 of 1994), or a Regional Rural Bank established under Section 3 of the Regional Rural Banks Act, 1976 (21 of 1976) or the Export Credit and Guarantee Corporation Limited or the Industrial Reconstruction Bank of India Limited, the National Housing Bank established under Section 3 of the National Housing Act, 1987 (53 of 1987) or an air transport service, or a banking or an insurance company, a mine, an oil field, a Cantonment Board, or a major port, the Central Government and

(ii) in relation to any other industrial dispute, the State Government.”

13. As testified by Shri Vijay Yadav Kendriya Bhandar has not received any financial assistance or aid either from the Government or from any other organization. Though its memorandum of association, rules and regulations provide that Kendriya Bhandar may receive grant from Government of India or donations from any other organization, yet it is clear that no such grant or donation was ever received by the Kendriya Bhandar. It was never governed by the Central Government or Railway Administration. The Central Government or Railway Administration never acted as an authority to regulate or

administer aims and objects of Kendriya Bhandar. It never functioned under the authority of Central Government or the Railway Administration. Hence it cannot be said that Kendriya Bhandar is an 'industry' carried on by or under the authority of the Central Government or Railway Administration. In such a situation the Central Government was not appropriate Government for making a reference of the dispute to this Tribunal for adjudication.

14. Who shall be the appropriate Government for the present dispute? Answer has been provided in clause (a) (ii) of Section 2 of the Act, which contemplates that in relation to any other industrial dispute the State Government is the appropriate Government. However, this Tribunal is not oblivious of the proposition that Union Territory of Delhi enjoins a special status under the Constitution. Delhi is a Union Territory having some special provisions with respect to its administration. Article 239 of the Constitution speaks that every Union Territory shall be administered by the President acting, to such extent as he thinks fit, through an administrator to be appointed by him with such designation as he may specify. Article 239 AA makes special provisions with respect to Delhi, detailing therein that the Union Territory of Delhi shall be called the National Capital Territory of Delhi and the administrator thereof appointed in article 239 shall be designated as the Lieutenant Governor. There shall be Legislative Assembly, and provisions of article 324 to 327 and 329 shall apply in relation the Legislative Assembly of the National Capital Territory of Delhi as they apply in relation to a State. The Legislative Assembly shall have power to make laws for the whole or any part of the National Capital Territory with respect to the matters enumerated in the State List or the Concurrent List except the matters with respect to entries 1, 2 and 18 of the State List and entries 64, 65 and 66 of that list, in so far as they relate to the said entries 1, 2 and 18. The Council of Ministers shall be headed by the Chief Minister to aid and advise the Lt. Governor in exercise of his functions in relation of the matters with respect to which the Legislative Assembly has power to make laws. In case of difference of opinion between Lt. Governor and his ministers on any matter, the Lt. Governor shall refer it to the President for decision and act according to the decision given thereon by the President and pending such decision the Lt. Governor is competent to take action in urgent matters. The Chief Minister shall be appointed by the President and Ministers shall be appointed by the President on the advice of the Chief Minister. Therefore, it is evident that though a Legislative Assembly is there in National Capital Territory of Delhi yet it is a Union Territory administered by the President through the Administrator appointed by him. In case of difference of opinion between the Administrator and the Ministers it is the decision of the President that prevails. Consequently the State Government merges with the Centre when Lt. Governor Administer the

Union Territory or in case of difference of opinion the President decides the issue.

15. State Government has been defined in clause (60) of Section 3 of the General Clauses Act, 1897, in respect of anything done or to be done after commencement of the Constitution (7th Amendment) Act, 1956 in a case of State, the Governor and in a Union Territory, the Central Government. Therefore, it is evident that for a Union Territory, no distinction has been made between the State and the Central Government. The President administers the Union Territory, through an Administrator appointed by him. In case of National Capital Territory of Delhi, it is being administered by the President though the Lieutenant Governor. Though there is a Legislative Assembly and Council of Ministers, yet in case of difference of opinion between the Lieutenant Governor and Council of Ministers, the decision of the President shall prevail, which fact makes it clear that for the purpose of administration of the Union Territory, the Central and the State Government merges over certain matter.

16. High Court of Delhi was confronted with such a proposition in *M. K. Jain* (1981 Lab. I.C.62) wherein it was laid as follows :

"The award was sought to be voided, inter alia, on the ground that by virtue of the constitution and composition of the Corporation, Central Government was the only authority competent to make a reference of the dispute to the Industrial Court and that the reference by the Lieutenant Governor of Delhi was, therefore, in excess of powers. Even otherwise no exception could be taken to the order of reference, even if it be assumed that Central Government was the appropriate Government, in as much as the distinction between the Central and the State Government in relation to the Union Territory in our constitutional framework is rendered illusory, Union Territory is administered by the President of India under Article 239 of the Constitution of India, acting to such extent as he thinks fit. Therefore the Administrator, to be appointed by him, in the case of Union Territory, there is an amalgamation of the constitutional classification of legislative and executive powers between the Centre and the States. According to Section 3(60) of the General Clauses Act, the "Central Government" in relation to the administration of Union Territory means the Administrator acting within the scope of authority given to him under article 239 of the Constitution of India and in terms of Section 3(60) of the General Clauses Act, "State Government" as respects anything done or to be done in the Union Territory means the Central Government. In the case of Union Territory, therefore, the Central and State

Governments merge and it is immaterial whether an order of reference is made by one or the other. This contention must, therefore, fail”.

17. Again Mahavir [97 (2002) DLT 922] the High Court was confronted with the same proposition. Relying the precedent in M.K. Jain (supra) with profit it was ruled that reference made by the Government of NCT of Delhi was not bad despite the fact that appropriate Government was the Central Government. Difference of State Government and Central Government goes to the brink of abolition when State Government has been defined as the Central Government by clause (60) of Section 3 of the General Clauses Act and Delhi is being administered by the President through the Administrator appointed by him. Therefore, the aforesaid precedents make it clear that a status of Union Territory of Delhi can be termed as Central Government in certain matters.

18. Whether the Central Government can be termed as State Government for any purpose? Article 53 of the Constitution provides that the executive power of the Union shall vest in the President and shall be exercised by him either directly or through officers subordinate to him in accordance with the Constitution. Article 73 defines extent of executive power of the Centre, that is, on matters which shall be controlled and administered by the Central executive. It has been detailed therein that the executive power of the union shall extend—(a) to the matters with respect to which Parliament has power to make laws and (b) to the exercise of such rights, authority and jurisdiction as are exercisable by the Government of India by virtue of any treaty or agreement. The extent of the State's executive power is set out in Article 161 of the Constitution. Administrative relations between the union and the states is to be dealt in accordance with the provisions of Article 256, 257, 258, 258A, 260 and 261 of the Constitution. Article 258A was added by 7th Amendment Act, 1956 to make a matching provision to clause (1) of Article 258 of the Constitution. While exercising powers contained in clause (1) of Article 258, the President is empowered to entrust union functions to a State Government or its officers. There was no provisions enabling the Governor of a State to entrust state functions to the Central Government or its officers. That lacuna was found to be of practicable difficulty and provisions of Article 258A were inserted in the Constitution. Thus it is evident that arena of union executive powers and the state executive powers are well defined.

19. Clause (8) of Section 3 of the General Clauses Act defines the Central Government in relation to administration of Union Territory, “the Administrator thereof acting within the scope of authority given to him under Article 239 of the Constitution”. Therefore, it is

evident that Administrator of Government of N.C.T. Delhi has been defined to mean as Central Government to administer the Union Territory of Delhi. Hence for the limited purposes, provided in the Constitution, executive functions of the Central Government can be entrusted to Government of a State or its Officers. The Central Government would not be termed as the State Government, when those functions are being executed by the State Government or its officers. So executive power of the Union can be exercised in certain matters by the State Government or its officers but in that situation too the Central Government would not be termed as the State Government. The special provisions referred above would not make the reference, made by the Central Government as the reference made by Government of N.C.T. of Delhi.

20. There is other facet of the coin. This Tribunal was constituted vide notification No.A-11020/33/75-CLT dated 30.9.76. It was provided in the notification that the Tribunal has been constituted under the powers provided in sub-section (1) of sub-section (2) of Section 7-A, of the Act, with its headquarter at New Delhi. Another notification was issued on that very date empowering the Tribunal to adjudicate applications moved in sub-section (2) of Section 33-C of the Act, in relation to the workman employed in any ‘industry’ in the Union Territory of Delhi, in respect of which the Central Government is the appropriate Government. Therefore, the Tribunal has been empowered to adjudicate industrial disputes, in respect of which Central Government is the appropriate Government. As pointed out above, the appropriate Government in this case is the State Government. Under these circumstances this Tribunal cannot entertain the present dispute for adjudication, in respect of which appropriate Government is the State Government.

21. Since this Tribunal cannot invoke its jurisdiction to adjudicate the reference, hence the Tribunal refrains its hands from entering into the merits of the matter. The Central Government was not competent to make a reference of this dispute to this Tribunal. The parties should seek redressal at the appropriate forum. With these observations an award is passed. It be sent to the appropriate Government for publication.

...Management

By M/s. B.S. Krishnan Associates.

This case coming up for hearing on 21-07-2010, this Tribunal-cum-Labour Court on 27-07-2010 passed the following.

AWARD

This is a reference made under Section 10 (1) (d) of Industrial Disputes Act challenging the termination of service. The reference is :

"Whether the action of the management of M/s. Travancore Titanium Products Ltd. Trivandrum in terminating the services of Shri A. Abhilash from the canteen services of M/s. Travancore Titanium Products Ltd., Trivandrum is justified? What relief the workman is entitled to?"

2. The facts of the case in brief are as follows :—The claimant Sri. A Abhilash contends that his father T. Ajayakumar was an employee of Travancore Titanium Products Ltd., Trivandrum as Canteen Store Attender. He was dismissed from service for habitual absence in 2003. The claimant's mother applied for employment for the claimant on compassionate ground. The management did not consider the application. Hence the claimant's mother approached the State Government. As required by the Government the management provided employment to the claimant on contract basis. The management had promised to absorb him later. His employment was extended from time to time up to 9-9-2007. He had worked altogether 537 days during which he had put in continuous service of 330 days. The management was extending the service with artificial breaks after each period of six months. It was done with a view to deny continuous service and consequential benefits. It is an unfair labour practice. On 9-10-2007 when the claimant wanted to join duty as per the direction of the management his services were terminated. This was done without complying with S.25-F of I.D. Act. The work he was doing permanent in nature. The termination is illegal.

3. The management contends that the reference is not maintainable as there is no termination of service. The workman has no locus standi to raise the dispute. The claimant's father was an employee of the management. He was dismissed from service for unauthorised absence after enquiry on 19-12-2003. Later he died on 31-03-2004. Claimant's mother applied for getting employment for the claimant under dying in harness scheme. However the scheme was not applicable to the claimant since his father died while he was out of service. The government on 09-12-2005 required the management to provide employment to the claimant on contract basis as a special case. Thus the claimant was taken on contract basis for a period of 179 days on a consolidated pay of Rs. 3500 per month w.e.f. 2-1-2006. Thereafter such contract was renewed on request of the claimant from time to time. The last contract was for 89 days. However the workman requested for sometime to take up that contract due to his illness. Though time was granted he never turned up but approached District Labour Officer Trivandrum as well as Assistant Labour Commissioner (Central) with a prayer for regularisation. The conciliation conducted by ALC ended in failure. The workman was engaged purely on contract basis for specific periods. On completion of the contract period his contract

ceased. Therefore there is no retrenchment so far as the claimant is concerned. It is denied that the claimant was employed continuously for more than 330 days during an year. The work entrusted to the claimant during the contract period is not perennial in nature. As per the request of the Central Government Kerala government had expressed its opinion that the dispute raised by the claimant is not fit for reference. He is not entitled for any relief.

4. In the light of the above contentions the following points arise for consideration.

1. Is the claimant a contract worker?

2. Was he terminated from service, if so, is it legal?

5. The evidence consists of the oral testimony of WW1 and documentary evidence of Exts. W1 to 11 on the side of the claimant and MW1 and Exts. M1 to M24 on the side of the management.

6. Point No. 1:—It is an admitted fact that the claimant's father Sri T. Ajaya Kumar was employed in management company as Canteen Store Attender. Due to habitual absence disciplinary action was taken against him a domestic enquiry was conducted, he was found guilty and was dismissed from service on 19-12-2003. Thereafter he died on 31-03-2004. The claimant's mother then submitted an application to the management for employment for the claimant on compassionate ground. But it was not considered favourably. Hence the claimant approached the state government which recommended employment on contract basis. It is thereafter that the workman was engaged on contract basis on a consolidated pay of Rs. 3500 per month for a period of 179 days w.e.f. 05-01-2006. On expiry of the period at the request of the claimant the contract was renewed from time to time up to 09-09-2007. It is the case of the claimant that though he was taken initially on contract basis the management had promised to absorb him. They continued to employ him from time to time with artificial breaks. He worked continuously for 330 days during an year. The request for renewal of contract was submitted by the claimant periodically due to the compulsion of the management, failing which he would have been thrown out of service. The work he was doing was permanent in nature. He was treated as an employee of the management and not as a contract worker.

7. The claimant's duty in the company was cleaning supplying tea and eatables to employees of the company working in different sections etc. It is admitted in the claim statement para 2 onwards that he was taken for work on contract basis and such contracts were extended from time to time. When the claimant was in the box he repeated that he was engaged on contract basis and the contract was extended every time on his application. He also admitted that his father was out of service at the time of his death

and that the claimant was employed on the recommendation of State Government. He stated that the last contract was for a period of 89 days. He had sought 10 days' time to join duty. Ext. M2 is the offer of management for contract for 89 days. His request seeking 10 days' time is Ext. M3. He admitted that even after 10 days' time he had neither resumed duty nor applied for further time (cross examination, page 6- WW1). The management witness no doubt has confirmed this fact while he was in the box.

8. Ext. M8 is a letter of Kerala Government dated 09-12-2005 to the management requesting to offer employment to the worker on contract basis as a special case on compassionate ground. Accordingly the management offered work on contract basis as per Ext. M9 offer dated 02-01-2006. The claimant accepted the offer by Ex. M11 letter dated 02-01-2006. The management then issued Ext. M10 memo dt. 05-01-2006 engaging the worker on contract basis for 179 days on a consolidated pay of Rs. 3500 per month. By Ext. M12 memo dated 01-07-2006 management informed the worker that the period of contract was completed. The worker then made Ex. M1 request dated 01-07-2006 for extension of contract. By Ext. M13 memo dated 07-07-2006 the management offered work again on contract basis for 179 days. By Ext. M-14 letter dated 07-07-2006 the worker accepted the offer. By Ext. M15 memo dated 11-07-2006 the management engaged him on contract basis. By Ext. M-16 memo dated 04-01-2007 the management intimated the worker that the contract period was completed. The worker by Ext. M-17 letter dated 29-12-2006 made a request for extension of contract. By Ext. M-18 memo dated 13-03-2007 the management offered contract employment for another 179 days. By Ext. M-19 letter dated 14-03-2007 the worker accepted the offer. By Ext. M-20 memo dated 15-03-2007 the management engaged the worker on contract basis for 179 days. By Ext. M-21 memo dated 08-09-2007 the management informed the worker that the period of contract was completed. By Ext. W4 memo dated 27-09-2007 the management offered contract engagement again for 179 days on consolidated pay. There is no evidence to show that he had accepted Ext. W4 offer. Meanwhile the worker had made representation to State Government for absorption in the company. By Ext. M4 letter dated 06-06-2007 the Government informed the worker that there is no scope for employment under dying in harness scheme as his father had expired when he was out of service and the company had given the work on contract basis as per the recommendation of the Government. The claimant again by Ext. M-22 dated 04-09-2007 requested the management for extension of contract. Once again by Ext. M-23 dated 27-09-2007 the claimant repeated his request. By Ext. M2 dated 20-11-2007 the management offered work on contract basis for a period of 89 days. By Ext. M3 dated 30-11-2007 the claimant sought 10 days' time to resume duty because of his illness. But he did not report

for work even after 10 days as admitted by him in the cross-examination referred supra. By Ext. M-24 letter dated 25-04-2009 the Kerala Government wrote to Central Government informing that the claimant was engaged only on contract out of his remuneration. Ext. W7 is production to support the contention. It is a reply to application under RTI Act. basis at the recommendation of the State Government and the dispute raised by the claimant is not fit for reference for adjudication. Exts. W1 to 3, 5 and 6 produced by the worker are the same as Exts. M-9, M-13, M-18, M-10 and M-15 respectively. It was submitted by the learned counsel for the worker that despite the contract, the workman was treated as an employee of the management.

9. It was submitted by the learned counsel for the workman that deductions were made towards PF and ESI out of his remuneration. Ext. W7 is produced to support the contention. It is a reply to application under RTI Act. The document shows that PF and ESI deductions were made in respect of the worker. Every worker, who is engaged in a company, whether casual, contractual or otherwise is eligible for PF and ESI and hence the contributions towards PF and ESI have to be deducted out of the wages or remuneration given to the worker. It would not show any change in the status of worker. Ext. W8 is canteen attendance statement of worker. But the attendance statement itself indicates that the worker was in service in the canteen on contract basis. Ext. W9 is information furnished to the worker under RTI Act on 13-01-2010. It again reveals that the worker was engaged on the recommendations of the State Government on contract basis for 179 days. Exts. W-10 and 11 are not relevant and they relate to educational qualification of the worker having passed SSLC and pre-degree examinations by 1998. Thus the pleadings and evidence leave no room for any ambiguity about the nature of employment of the worker in the management company. It was purely on contract basis. The fact that there is a few days gap between the contracts is no reason to say that they are artificial breaks created by the management for denying continuous service and consequential service benefits. Being a contractual employee on expiry of the period of contract there was renewal of contract from time to time up to 09-09-2007. Thereafter on repeated request of the worker again the management offered on contract basis work for a period of 89 days by Ext. M2. But the worker thereafter never turned up to resume work admittedly (WW1 page 6 cross examination). There is nothing to show that he was at any time employed either as casual worker or temporary worker, or permanent worker but only as contractual worker. The case of the worker in the box that he was compelled to make a request for work on contract basis is not based on pleadings. There is no such pleadings either in the claim statement or in the rejoinder. The pleading is to the effect

that he was promised absorption and was asked to make request for engagement on contract basis. There was no compulsion on the side of the management to work as a contract worker. The very letter of the State Government shows that this contention of the worker has no foundation. At no point of time he had complained that the contracts were made under compulsion. So also the contention that the work that he was doing was of perennial in nature, cannot stand so long as he was engaged only as a contract worker. There is no prohibition in engaging contract workers for any kind of work whether temporary or permanent for specified periods. As a result it has to be held that the claimant is only a contract worker and not an employee of the company either casual, temporary or permanent.

10. Since the claimant is only a contract worker his contention that he had worked continuously for 330 days during an year will not help him to claim benefits under S.25-F of ID Act or any other provision. Once the period of contract was over, his work also came to an end. The fact that the contract is not renewed and the worker is not engaged again for work will not amount to termination of service or retrenchment. As per S.2(oo) (bb) of ID Act non renewal of contract of employment is not retrenchment. The position is clarified in *West Fort Hospital v. State of Kerala* 2004 (3) KLT 139 and *State of Rajasthan v. Rameshwar Lal Gahlot* 1996 LAB I.C. 914. It is held that if the appointment is for a fixed period S.25-F will not apply as it is covered by S.2(oo) (bb) of ID Act. Therefore continuous service however long it may be has no relevance if the nature of employment was contractual for a specified period or periods. On expiry of the period or periods the contract and the work automatically comes to an end. There is no termination or retrenchment. Hence the claimant is not entitled for benefits under S.25-F of ID Act or any other provision.

In the result an award is passed finding that there is no termination of service and there is no illegality in not continuing the service of the claimant Sri. A. Abhilash in the canteen of management and the claimant is not entitled for any relief.

The award will come into force one month after its publication in the official Gazette.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10(1)(d) of the Industrial Disputes Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their order No. L-29011/23/88-D-III(B) dated, the 1st December, 1988.

SCHEDULE

“Whether the action of the management of Bishrampur Graphite Project in dismissing the services of S/Shri Nandeo Singh, Suresh Prashad and Rajeshwar Manjhi w.e.f. 18-9-87 is justified? If not, to what relief the workmen are entitled?”

2. The case of the workmen as disclosed in their written statement is that the concerned workmen

S/Shri Nandeo Singh, Suresh Prasad and Rajeshwar Manjhi had been working as permanent workmen at Bishrampur Graphite Project. The management with an ulterior motive to victimise them alongwith the other workmen issued a false and frivolous chargesheet dated 11-3-1988. They replied to the chargesheet denying the allegations levelled against them. Being not satisfied with the reply of the concerned workmen management conducted an invalid and irregular departmental enquiry in which the charges against the concerned workmen were not established and till then the concerned workmen were dismissed on the basis of perverse findings of the enquiry officer. Thereafter the union of the concerned workmen raised an industrial dispute before the ALC(C) Dhanbad which ultimately resulted reference to this Tribunal for adjudication. It has been prayed on behalf of the workmen to pass an Award in favour of the concerned workmen directing the management to reinstate them in their services with full back wages.

3. In the written statement filed on behalf of the management it has been stated that Bishrampur Graphite Project is one of the mines of the Bihar State Mineral Corporation Limited which is an enterprise of Government of Bihar and which is wholly financed by the said Government. The employees of the Bihar State Mineral Development Corporation Limited are public servants within the meaning of Clause 12 of Section 21 of the Indian Penal Code.

4. The concerned three workmen mentioned in the order of reference were the employees of Bishrampur Graphite Project located in district Palamau, Bihar. On certain acts of misconducts committed by them alongwith other workmen on 2-3-81 coming to his notice the Mines Manager, Bishrampur Graphite Project issued a chargesheet on 3-3-81 to the concerned workmen S/Shri Rajeshwar Manjhi and Nandeo Singh submitted reply to the chargesheet. The management being not satisfied with the reply of the chargesheet appointed Shri R. P. Singh, Administrative Officer, BSMDC Ranchi as Enquiry Officer who held an enquiry holding the concerned workmen S/Shri Suresh Prasad, Nandeo Singh and Rajeshwar Manjhi guilty of the charges levelled against them. The General Manager, BSMDC accepted the findings of enquiry officer and considering the gravity of the misconduct dismissed the concerned workmen by office order dated 10-9-87. Accordingly it has been prayed on behalf of the management to pass an Award holding the dismissal of concerned workmen as justified and that they are not entitled to get any relief.

5. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paras of each other's Written Statement.

6. Before taking up the case for hearing on merit fairness and propriety of domestic enquiry was heard as a preliminary issue in which management produced R. P. Singh who has been examined as MW-1 and he has proved documents marked as Ext.M-1 to M-12/1. After hearing both sides this Tribunal vide its order dated 25-2-94 held that the domestic enquiry was not conducted fairly and properly. Thereafter the management was directed to adduce evidence to prove the charges against the concerned workmen. Management, however, produced Dhananjay Dubey, Rabindra Prasad, and R. K. Mishra who have been examined as MW-1, MW-2 and MW-3 respectively. The concerned workmen have not produced any witness nor examined themselves.

7. No argument have been advanced on behalf of the concerned workmen.

8. It has been argued on behalf of the management that the concerned workmen assaulted the management officials for which FIRs have been lodged. They have assaulted by lathi to Shri Dhananjay Dubey. MW-1 has stated that he has been assaulted by the concerned workmen on 2-3-81 at about 4 P.M. They started assaulted and abusing the management officials and demanding their wage revision also revocation of suspension order with respect to a workman Nikhileshwar Kr. Singh and rejection of his leave. From the evidence of the management witnesses it appears that the concerned workmen assaulted the management officials causing injury. Therefore, they do not deserve any sympathy. Such workmen should not be retained in the organisation in order to maintain discipline in the industry. Under such circumstances, the management was justified in dismissing the concern workmen from service. Accordingly the following Award is rendered :—

“The action of the management of Bishrampur Graphite Project in dismissing the services of S/Shri Nandoo Singh, Suresh Prasad and Rajeshwar Manjhi w.e.f. 18-9-87 is justified. Consequently, the concerned workmen are not entitled to get any relief”.

AWARD

A Canteen Boy was engaged by Local Implementation Committee at Deen Dayal Upadhaya Marg branch of Canara Bank. As and when any employee of subordinate cadre used to be on leave, services of that Canteen Boy were availed by the Branch Manager. Steps were taken by the bank to get his services regularized, which steps could not reach to a logical end. When services of the Canteen Boy were disengaged, he raised a demand for reinstatement of his services. Since needful was not done by the bank, he raised an industrial dispute before the Conciliation Officer. Conciliation proceedings failed and a failure report was submitted to the appropriate Government. The dispute so raised, was referred to this Tribunal for adjudication, vide order No. L-12012/101/2005-IR(B-II), New Delhi dated 18th of May, 2006 with following terms :

“Whether it is a fact that Shri Laxman Singh S/o Shri Bishan Singh was engaged during 1986 to September, 2000 and that he was engaged for a period of 240 days of service in any 12 calendar months proceeding his termination him from service. If so, whether the action of the management in terminating him from

service w.e.f. September, 2003, is legal and justified and to what relief is the disputant concerned entitled to ?”

2. Claim statement was filed by the Canteen Boy, namely. Shri Laxman Singh pleading therein that initially he was engaged on 15th of March, 1986 in the canteen of Deendayal Upadhaya Marg, Urdu Ghar Branch, Canara Bank. Beside serving in the canteen, he also worked as peon on leave vacancy in the said branch of the bank. He served in canteen upto 1989 and thereafter he worked as Water Boy and Peon. He was paid at the rate of Rs. 60/- per day, as and when he rendered his services as Water Boy and was paid @ Rs. 129/- per day as and when he rendered his services as a Peon. He served the bank continuously for a period of 240 days in a calendar year since 1986 till September, 2003. He served the bank to entire satisfaction of his superiors. He was appreciated, when he worked against leave vacancy as part time employee. In the year 2000 his name was recommended for absorption in the services of the Bank. He rendered continuous service for a period of 16-17 years. His services were illegally terminated in September, 2003. His dues were not paid at the time of termination of his services. No show cause notice or enquiry was ever conducted against him. He requests that his termination may be set aside and he be reinstated in service with continuous and all consequential benefits.

3. The bank demurred his claim pleading that there was no relationship of employer and employee between the parties. It has been claimed that dispute raised by the claimant does not fall within the ambit of an industrial dispute, as defined in clause (k) of Section 2 of the Industrial Disputes Act, 1947 (in short the Act). The Bank is under an obligation to follow the procedure of recruitment, besides norms of reservation for Scheduled Caste and Scheduled Tribe candidates. The claimant was never recruited by the bank nor he worked continuously for a period of 240 days in a calendar year. It has been pleaded that intermittently sweeping and cleaning jobs were taken by the bank from the claimant on daily wage basis. He was paid for the days he worked. He was not in the list of panel for daily wagers. His case was never recommended for absorption in the services of the bank. Claim put forward reinstatement with continuity of service is liable to be dismissed, being devoid of merits.

4. Claimant had tendered his affidavit Ex. WW1/A as evidence in support of his claim. He was cross examined at length on behalf of the management. Shri S.K. Batra tendered his affidavit Ex. MW1/A as evidence to rebut the claim. Shri Batra was cross examined at length on behalf of the claimant. No other witness was examined by either of the parties.

5. Arguments were heard at the bar. Shri Rakesh Kaushal, authorised representative, advanced arguments

on behalf of the claimant. Shri Rajat Arora, authorised representative, raised his submissions on behalf of the management. I have given my careful considerations to the arguments advanced at the bar and cautiously perused the record. My findings on issues involved in the controversy are as follows:

6. A claim was made on behalf of Shri Laxman Singh that initially he was engaged by the bank in canteen at Deen Dayal Upadhaya Marg, Urdu Ghar Branch. He worked in the canteen for considerable period. Besides working in the canteen he also worked as a peon on leave vacancy. It has been projected that he rendered services in the canteen upto 1989. To substantiate those facts, the claimant swears in his affidavit Ex. WW1/A that he was engaged in canteen, Deen Dayal Upadhaya Marg, Urdu Ghar Branch of the bank on 15-3-1986. He rendered his services in canteen upto 1989.

7. The management disputes factum of engagement of the claimant as a Canteen Boy. However, the claimant projected facts that he worked as Canteen Boy in the aforesaid branch. According to him in March, 1990, Branch Manager asked him to perform job of a Peon. Therefore, from facts projected by the claimant in his affidavit Ex. WW1/A, it emerges that Laxman Singh claims that he was initially engaged as a Canteen Boy.

8. Out of facts projected by the parties, it emerges that the claimant was engaged as Canteen Boy by Local Implementation Committee, which Committee he served upto 1989. Local Implementation Committee runs a canteen and employs a Canteen Boy. It is an admitted fact that the bank bears by way of subsidy to the extent of 95% of the cost incurred by the canteens for payment of salary, provident fund contribution gratuity uniform etc. and also provides premises, furniture, utensils, electricity, water etc. to the Committee free of charge. The canteen so run by the Committee is not a statutory canteen. The Committee is not under legal obligation to run such a canteen. Bank does not exercise supervision and control on the work of Canteen Boy employed by the Committee. The bank has absolutely no right to take any disciplinary action or to direct any employee of the Committee to do a particular work. In the absence of any obligation, statutory or otherwise for running a canteen by the bank, an employee of the Committee cannot be termed as an employee of the bank. Law to this effect was laid by the Apex Court in Reserve Bank of India's case [1996 (3) S.C.C. 267].

9. In State Bank of India's case (AIR 2000 SC 1518) the Apex Court was again seized of such a proposition. It was ruled therein that canteens run by the Committee for providing certain amenities in the branch are non statutory, non recognized canteens, because admittedly there is neither statutory provision nor any obligation arising out of award or contract between the bank and its employees to run such canteen. Employees of the canteens, which are

being run at various branches by Local Implementation Committee would not become employee of the bank, as bank is not having any statutory or contractual obligation to run such canteens. Bank does not employ Canteen Boys. Bank does not supervise or control their work. For appointing a Canteen Boy there are no rules framed by the bank. The bank has nothing to do with the running of the Canteen. The scheme framed by the bank for running of a Canteen by Local Implementation Committee only promotes welfare activities for benefits of its employees. Therefore, it cannot be said that Canteen Boys are employees of the Bank.

10. Law laid by the Apex Court in above precedents squarely apply to the present controversy. Contention of the claimant that he worked as a Canteen Boy no where bring accolades for him, since being an employee of the Committee the claimant can not assert that he was an employee of the bank. No evidence came over the record to establish that in March 1986, the bank employed the claimant. Relationship of employer and employee were never created between the parties. Therefore, service rendered by the claimant to the Committee would not espouse his case. He failed to show that he was it the employment of the bank when he served the committee as Canteen Boy.

11. Now second limb of evidence would be appreciated. Laxman Singh unfolds in his affidavit Ex. WW1/A that he worked as peon on leave vacancy in Deen Dayal Upadhaya Marg, Urdu Ghar branch of the bank. He also worked there as Water Boy. As and when he worked as Water Boy he was paid @ Rs.60 per day and when he worked as a Peon, he was paid @ Rs. 129 per day. He rendered continuous service for 240 days in a year since 1986 till September, 2003. Facts projected by Laxman Singh that he rendered continuous service with the bank since 1986 are in contradiction to his own stand. As pointed above, he claims to have been engaged as a Canteen Boy. Engagement of the claimant as Canteen Boy cannot establish his claim of rendering continuous service of 240 days in a calendar year since 1986. According to his own admission he served in the canteen upto 1989. Therefore, case of the claimant that he served Deen Dayal Upadhaya Marg, Urdu Ghar branch of the bank as Canteen Boy upto 1989 cannot provide accolades to him.

12. Claimant admits in his testimony that no appointment letter was issued to him. He claims that Ex. WW1/3 is the letter wherein his services were appreciated. When Ex. WW1/3 is perused, it came to light that this document purports to have been addressed by the Chief Manager to Assistant General Manager, S.S. (W) Circle Office, New Delhi, with a request to grant permission to engage the claimant as part time employee against leave vacancy. It has been detailed that he served against leave vacancy in 1988 and thereafter from 21st of February, 2000. In that letter it has been mentioned that Laxman Singh was

sincere, hard working and punctual. One may infer out of this document that the claimant served the bank for some time. But no period is detailed there in for which his services were taken. Hence this document cannot be taken to mean that Laxman Singh had rendered 240 days continuous service in every calendar year. This letter may highlight that after 1988 Laxman Singh was engaged against leave vacancy on 21st of February, 2000. This letter no where spells that there was continuity in service rendered by the claimant, when he served the bank against leave vacancies.

13. Letter Ex. WW1/4 was written by the Assistant General Manager to the Chief Manager requiring the latter to furnish information in the format in respect of engagement of Laxman Singh against leave vacancies. That letter does not contain an admission on the part of the bank to the effect that Laxman Singh rendered continuous service of 240 days in every calendar year. Ex. WW1/M is the reply to letter Ex. WW1/4. Therefore, this document could not bring any other fact, favourable to the claimant. When Shri Batra entered the witness box for facing ordeal of cross examination, 49 vouchers were put to him which were proved as Ex. MW1/W 1 to Ex. MW1/W49. Ex. MW1/W52 to Ex. MW1/W76 were also proved during the cross examination of Shri Batra. These vouchers were brought over the record to show that the claimant worked with the bank for the days recorded in the vouchers, for which payment was released in his favour. An exercise was taken to ascertain the period for which the claimant worked as detailed in the vouchers referred above. On close scrutiny of these documents, it came to light that he worked for 23 days in April, 24 days in May, 25 days in June, 25 days in July, 25 days in August, and 26 days in September, 1989. In all he worked for 148 days in 1989. He worked for 20 days in April, 26 days in May, 26 days in June, 25 days in July, 24 days in August, 18 days in October, 21 days in November and 24 days in December, 1990. In all he worked for 184 days in 1990. He worked for 18 days in January, 25 days in April, 23 days in May, 25 days in June, 26 days in July, 27 days in August and 24 days in September, 1991. He worked for 168 days in 1991. He worked for 24 days in March 2001 and 21 days in April, 2001. Thus he worked for 45 days in 2001. It is obvious that in none of the aforesaid calendar years he rendered continuous service of 240 days.

14. "Continuous Service" has been defined by section 25B of the Act. Under sub section (1) of the said section, "continuous service for a period" may comprised of two period viz. (i) uninterrupted service, and (ii) interrupted service on account of (a) sickness, (b) authorized leave, (c) an accident, (d) a strike which is not legal, (e) a lock out and (f) a cessation of work that is not due to any fault on the part of the workman, shall be included in the "continuous service". Sub-section (2) of the said section introduces a fiction to the effect that even if a workman is not in "continuous service" within the meaning of clause (1) for a period of one year or six months, he shall be deemed to be

continuous service for that period under an employer if he has actually worked for the days specified in clauses (a) and (b) thereof. In *Vijay Kumar Majoo* (1968 Lab.I.C.1180) it was held that one year's period contemplated by sub-section (2) furnished a unit of measure and if during that unit of measure the period of service actually rendered by the workman is 240 days, then he can be considered to have rendered one year's continuous service for the purpose of the section. The idea is that if within a unit period of one year a person had put in at least 240 days of service, then he must get the benefit conferred by the Act.

15. An enquiry was made to find out whether the claimant has actually worked for not less than 240 days during a period of 12 calendar months immediately preceding his retrenchment. To reckon continuous service of 240 days the period of service rendered by the claimant in preceding 12 calendar months was into account, from the date of termination of his services. As detailed above claimant had not rendered 240 days continuous service in any of the 12 calendar months, when he served the bank against leave vacancies or otherwise. The claimant worked as a Water Boy at Intermittent periods. He also worked as a daily wager and coolie charges were also paid to him when he worked in October, November and December, 1990, as well as in January, 1991. Therefore, I have no hesitation to conclude that the claimant had not rendered 240 days continuous service in any of the calendar year, when he worked as Water Boy as well as daily wager. He could not show that he continuously worked against a post of Water Boy or as a daily water.

16. In view of the findings recorded above, it is evident that the claimant has not been able to establish that he was engaged by the bank in 1986 to September, 1989, since he was engaged as a Canteen Boy initially and that engagement was by Local Implementation Committee and not by the bank. He could not show that he rendered 240 days continuous service with the bank in a calendar year preceding the date when his services were alleged to have been terminated. When the claimant was performing casual jobs, in that situation his services came to an end and when that casual job ceased to exist. Therefore, it cannot be said that the claimant rendered a continuous service and is entitled for the benefit, as enacted by section 25 F of the Act.

17. There is other facet of the coin, Claimant had not projected a case that his services were engaged in consonance with recruitment rules. Neither he could show that he was engagement against a post which was circulated to public at large. He nowhere projects that he faced a written test/interview and thereafter appointed in banks services. In *Uma Devi* [2006 (4)SCC 1], the Apex Court considered the proposition as to whether the persons who got employment, without following of a regular procedure or even from the back door or on daily wages can be

ordered to be made permanent in their posts to prevent regular recruitment to the posts concerned. Catena of decisions over the subject were considered and the court declined the submissions of the workmen to be made permanent on the posts which were held by them in temporary or adhoc capacity for a fairly long spell. The Court ruled thus:

"With respect, why should the State be allowed to depart from the normal rule and indulge in temporary employment in permanent posts? This Court, in our view, is bound to insist on the State making regular and proper recruitments, and is bound not to encourage or shut its eyes to the persistent transgression of the rules of regular recruitment. The direction to make permanent - the distinction between regularization and making permanent, was not emphasized here-can only encourage the State, the modal employer, to flout its own rules and would confer undue benefits on a few at the cost of many waiting to compete. With respect the directions made in *Piara Singh* [1992 (4) SCC 118] is to some extent inconsistent with the conclusion in para 45 of the said judgement therein. With great respect it appears to us that the last of the directions clearly runs counter to the constitutional scheme of employment recognized in the earlier part of the decision. Really, it cannot be said that this decision has laid down the law that all adhoc, temporary or casual employees engaged without following a regular recruitment procedure should be made permanent."

18. Taking note of some of recent decisions, the Apex Court held that the State does not enjoy a power to make appointments in terms of article 162 of the Constitution. The Court quoted its decision in *Girish Jyanti Lal Vaghela* [2006 (2) SCC 48] with approval, wherein it was ruled thus:

"The appointment to any post under the State can only be made after a proper advertisement has been made inviting applications from eligible candidates and holding of a selection by a body of experts or a specially constituted committee whose members are fair and impartial through a written examination or interview or some other rational criteria for judging the inter se merit of candidates who have applied in response to the advertisement made. A regular appointment to the post under the State or Union cannot be made without issuing advertisement in the prescribed manner which may in some cases include inviting applications from the employment exchange, where eligible candidate get their names registered. Any regular appointment made on a post under the State or Union without issuing advertisement inviting applications from eligible candidates and without holding a proper selection where all eligible candidates get a fair chance to

compete would violate the guarantee enshrined under article 16 or the Constitution”.

19. In P.Chandra Shekhara Rao and Others [2006 (7) SCC 488] the Apex Court referred Uma Devi's Case (supra) with approval. It also relied the decision in a Uma Rani [2004 (7) SCC 112] and ruled that no regularization is permissible in exercise of statutory powers conferred in Article 162 of the Constitution, if the appointments have been made in contravention of the statutory rules. In Somveer Singh [2006 (5) SCC 495] the Apex Court ruled that appointment made without following due procedure cannot be regularized. In Indian Drugs & Pharmaceuticals Ltd. [2007 (1) SCC 408] the Apex Court reiterated the law and announced that the rules of recruitment can not be relaxed and court can not direct regularisation of temporary employees dehors the rules, nor can it direct continuation of service of a temporary employee (whether called a casual, adhoc or daily rated employee) or payment of regular salaries to them.

20. In Uma Devi (supra) it was laid that when a person enters a temporary employment or get engagement as contractual or casual worker and the engagement is not based on a proper selection as recognized by the relevant rules or procedure, he is aware of the consequence of the appointment being temporary, casual or contractual in nature. Such a person cannot invoke theory of legitimate expectation for being confirmed for the post when an appointment to the post could be made only by following a proper procedure or selection in any concerned cases, in consultation with the public service commission. Therefore, theory of legitimate expectation cannot be successfully advanced by temporary contractual or casual employees. It cannot also be held that the State held out any promise while engaging these persons either to continue them where they are or to make them permanent. The State cannot constitutionally make such a promise. It is also obvious that the theory cannot be invoked to seek relief of being made permanent in the post. In view of those precedent neither continuance nor regularisation of services of the claimants can be ordered, since it would amount to back door entry into Government job.

21. In view of the foregoing reasons the action of the management in relieving the claimant from the service w.e.f. September, 2003 is found to be legal and justified. No relief of reinstatement or continuation in service can be granted to the claimant. An Award is to be passed accordingly.

AND

The Assistant General Manager,
Bank of Baroda,
Regional Office,

AWARD

1. Central Govt. MOL, New Delhi vide notification no, L-12012/69/2007-IR(B-II) dated 08-10-07 has referred the following dispute for adjudication to this tribunal—

2. Whether the action of the management of Bank of Baroda, Kanpur in terminating Sri Bhagwati Prasad Tiwari, Watchman Regional Office, Kanpur from service with effect from 28-02-05 by way of superannuation treating his date of birth as 08-02-45 is just fair and legal? If not to what relief the workman concerned is entitled?

3. Breif facts are that the claimant Sri Bhagwati Prasad Tiwari has filed his claim statement praying that the action of the opposite party in terminating his services by way of superannuation, treating his date of birth as 08-02-45 is not just and fair and it should be declared illegal and he should be paid wages for the said period.

4. It is alleged that he was appointed in the service of the opposite party Bank of Baroda as sub-staff vide appointment order dated 01-06-72. At the time of appointment his date of birth was recorded by the opposite party as 8-11-1945, on the basis of school leaving certificate, original was submitted to the bank at the time of joining the service. Thus he was due for his retirement on 08-11-05 or on 30-11-05 on completing sixty years of age. But the opposite party in an illegal manner forcibly retired the workman with effect from 28-02-05 when he had not attained the age of superannuation. It is alleged that this action was taken by the bank due to animosity, as a criminal case was filed against the claimant, in which he was convicted; the bank terminated his service on the basis of his conviction. He filed a writ in the Hon'ble High Court turned down the order of the opposite party and ordered reinstatement of the workman, due to which the bank felt annoyed, though they reinstated him on 08-01-05. He again joined the service on 10-01-05, but later on he was informed that he will be retiring on 28-02-05. This action of the opposite party amounts to premature retirement of the workman. It is against the provisions of I.D. Act, 1947, as they have not given any notice or notice pay. Conciliation proceedings were also taken up wherein the opposite party accepted his date of birth as 08-11-1945, but the opposite party did not comply. Therefore, the action of the opposite party is illegal and liable to be set aside.

5. Opposite party has filed written statement. Appointment of the claimant has been admitted but it is denied that the employer has recorded his date of birth as

8-11-1945. In the official record the date of birth is recorded as 8-2-1945 and accordingly his date of retirement is 8-02-05. Thus the claimant has been legally and validity retired with effect from 28-2-05 after attaining the age of superannuation. This date of birth has been confirmed by the record which was also filed by the claimant like form of gratuity and pensionary benefits form in which he has filled his date of birth as 8-2-1945. It is stated that the bank is a public institution and no officer of the bank has any enmity with the claimant therefore, question of taking any revengeful action does not arise. He has been validity superannuated therefore; question of reterenchment or notice pay does not arise. The order of the Hon'ble High Court was ex parte and when it was communicated to the opposite party they themselves informed the claimant to join his duties and claimant as such joined his duty on 10-1-05. He has been paid his wages rightly with effect from 10-1-05 and no pay or allowances have been withheld. Opposite party has wrongly written the date of birth in the statement of PF as 8-11-1945 due to typographical and clerical error which was rectified. The claimant did not raise any objection at that time. Claimant has also submitted a receipt on 2-5-05 mentioning that he has been retired on 28-2-05 after attaining the age of superannuation and received full and final payment. It is denied that they have admitted his date of birth during the conciliation proceedings. Reference order as he has been validity retired therefore, there is no valid industrial dispute and reference order is bad in law. It is stated that the claimant after receiving all terminal benefits has no locus standi at this stage to raise any dispute. Therefore, reference is liable to be rejected.

6. Both the parties have filed documentary evidence. Claimant has filed one photocopy, which is not properly legible but it appears that this application may have been filed by the opposite party before ALC(C) in conciliation proceedings, paper no.3/12 is a photocopy. It appears that this letter has been given by the bank to the claimant stating that he is going to superannuate on 28-2-05, paper no.3/13 is a photocopy of PF Statement, wherein date of birth has been shown as 8-11-1945, paper no.3/14-15 are papers which were given by the bank to the claimant to be filled by him at the time of retirement.

7. Opposite party has filed 5 documents vide list 5/1. Paper no. 5/2 is a photocopy the register maintained at Head Office, in which date of birth is mentioned as 8-2-45 of the claimant, paper no. 5/3 is a photocopy of PF claim submitted by Sri Tiwari claimant in which the date of cessation is mentioned as 28-2-05 submitted on 27-5-05, paper no.5/4 is a photocopy of gratuity claim submitted by claimant at the time of retirement, paper no.5/6-5/9 are photocopies of receipt of full and final payment wherein the claimant has mentioned the date of cessation as 28-2-05, paper no. 5/10 is photocopy of retirement order of claimant received by him on 21-2-05.

8. Heard the arguments, peruse the records. Claimant did not appear at the time of argument. It is true that he has not adduced any oral evidence in support of his aversions mentioned in the plaint. He has taken a specific stand of animosity against the bank employees, which has been totally denied by the bank authorities. Now burden shifts or a heavy burden lies on the claimant to prove the fact that the opposite party had acted in a mala fide manner but he has not come in witness box. He did not state on oath regarding the aversions made in the claim statement. Opposite party has filed the photocopies of the record of the claimant wherein the date of birth has been shown as 8-2-45. Claimant has received all the retirement benefits and he did not object at that time. The contention of the A.R. of the opposite party that the claimant has knowingly and to harass the opposite party has filed this claim statement. I find weight in the contention of the opposite party. In such circumstances the claimant has miserably failed to prove his case.

9. Before parting with it, it may be pointed out that the papers filed by the claimant have been carefully examined by me. Opposite party has specifically stated that there was a typographical mistake in the preparation of PF statement which was later on rectified, therefore, paper no. 3/13 statement of PF filed by the claimant does not improve the case of the claimant unless proved otherwise.

10. Therefore, reference is decided against the claimant and the action of the opposite party is found to be just and proper.

Reference is decided accordingly.

AWARD

Passed on this 22nd day of July, 2010

1. The Government of India, Ministry of Labour *vide* its Notification No. L-40012/142/96-IR(DU) dated 12-3-98 has referred the following dispute for adjudication by this Tribunal:—

“Whether the action of the management of Telecom, Bhopal in not regularizing the services of Shri Sripal S/o Shri Ramkrishna Dohare even though he was working as a casual labourer from 1988 to 1991 is legal and justified? If not, to what relief the workman is entitled to?”

2. The Union/workman did not appear in the reference in spite of proper notice issued to them. Lastly the then Tribunal proceeded the reference *ex parte* against the Union/workman on 9-2-2007.

3. The management appeared and filed his Written Statement. The case of the management in short is that the alleged workman was never engaged by the management as no record is available with the Telecom Bhopal. The claim of the workman for his regularization in the department

is baseless, fabricated and frivolous. In view of the facts and circumstances of the case, the reference be answered in favour of the management.

4. The important issue is as to whether the workman was ever engaged as a casual labourer with the management. If so, he is entitled to any relief.

5. To prove and establish the case, the management has adduced evidence in the case. The management witness Shri P.N. Singh is Divisional Engineer (Legal) in the office of GMT (D), BSNL, Bhopal. He is conversant with the facts of the case. He has stated in his evidence that there is no record available to show that the alleged workman was ever engaged by the management. There is no other evidence in rebuttal to the evidence of this witness. There is no reason to disbelieve the evidence of this witness. However, the Union/workman has raised the dispute but the case against him is *ex parte* as such there is no evidence on his behalf. Thus, it is clear that the claim of the workman is not justified. Accordingly, the reference is answered in favour of the management.

6. In the result, the award is passed without any order to costs.

7. Let the copies of the Award be sent to the Government of India, Ministry of Labour & Employment as per rules.

1. The Central Government in exercise of the powers conferred under clause (d) of sub-secs. 1&2(A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following Industrial dispute to this Tribunal for adjudication which is as under:—

“Whether the action of the management of General Manager, Bharat Sanchar Nigam Limited, Jaipur, in terminating the services of their workman Shri Balbeer w.e.f. 9-1-2004 is legal and justified? If not, to what relief the workman is entitled to?”

2. Pursant to the receipt of the reference, the registered notices were issued to both the parties. The representative on behalf of the non-applicant has appeared, but applicant has not appeared. Upon careful perusal of the record, it appears that acknowledgement receipt of the notice issued to the applicant is on the record which shows that registered notice has been served upon the applicant. But despite service of registered notice neither the applicant nor any representative on behalf of the applicant has appeared before the Tribunal to file claim statement. Resultantly no matter could be placed before the Tribunal to adjudicate the matter on merit. It appears that the applicant is not willing to contest further. Thus, under these circumstances “No Claim Award” is passed.

AWARD**2-8-2010**

1. The Central Government in exercise of the powers conferred under clause (d) of sub-secs. 1&2(A) of Section 10 of the Industrial Disputes Act, 1947 has referred the following Industrial dispute to this Tribunal for adjudication which is as under:—

“Whether the demand of the MES Employees Union for grant of INSITU promotion of highly skilled grade to Shri Ramvir Pratap Singh and 19 others, as per Annexure, as MCM, is legal and justified? If yes, to what relief the workmen are entitled to, and from which date(s)?”

2. Pursuant to the receipt of the reference, the registered notices were issued to both the parties. On careful perusal of the record it appears that statement of claim was filed by the Secretary, MES Employees Union, Bikaner on 29-8-2007. The post of Presiding Officer was lying vacant at that time and it remained vacant till August, 2009. On subsequent dates, both the parties were absent, therefore, in pursuance to the orders dated 7-4-2010, 6-5-2010, registered notices were issued to both the parties. It appears from the acknowledgement receipt on the record that notices for appearance on 25-6-10 have been served upon the parties. Despite service of registered notice none appeared on behalf of the union and non-applicant.

3. In present reference the question under consideration is whether the demand of the MES employees union for grant of INSITU promotion of highly skilled grade to workman Shri Ramvir Pratap Singh and 19 others is justified?

4. Since the union has espoused the case of the workmen, therefore, initial burden to justify the demand was upon the union but neither any workman nor any representative on behalf of the union has appeared in support of its claim. The union has not adduced any evidence in support of the claim. Therefore, no material could be placed before the Tribunal to adjudicate the matter on merit. It appears that the union espousing the case of workmen is not willing to contest the case further. Under these circumstances "No Claim Award" is passed in this matter.

2. Pursuant to the receipt of the reference, the registered notices were issued to both the parties. The representatives on behalf of the non-applicant has appeared, but applicant has not appeared. Upon careful perusal of the record it appears that acknowledgement receipt of the notice issued to the applicant is on the record which shows that registered notice has been served upon the applicant. But despite service of registered notice neither the applicant nor any representative on behalf of the applicant has appeared before the Tribunal to file claim statement. Resultantly, no matter could be placed before the Tribunal to adjudicate the matter on merit. It appears that the applicant is not willing to contest further. Thus under these circumstances "No Claim Award" is passed.

AWARD

By Order No. L-20012 (112)/87-D.III (A)/IR (C-I) dated 20-9-90 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Whether Shri Prayag Bhuiya and 81 others are to be treated as workmen of Katras Chaitudih Colliery of M/s. BCCL, and whether the demands of the Dalit

Mazdoor Sangh that these persons be regularised in the service of the colliery is justified? If so to what relief are the workmen entitled to?”

2. Written statement has been filed on behalf of the workmen stating that Prayag Bhuiya and 81 other concerned workmen had been working as Wagon Loaders and Hard Coke Stacker since 1977 at Katras Chaitudih Colliery. The concerned workmen were performing permanent and prohibited category of job within the precinct and premises of the management and they were performing the jobs under direct control and supervision of the management. All the implements for execution of their jobs were being supplied by the management. In the Wage Board Recommendation the job and categories of Wagon Loader and Hard Coke Stacker are there still then the management had been paying the concerned workmen much below the rate of NCWA-III in the name of so-called intermediary. Arunapucha Sah. The so-called intermediary neither possessing any licence under the Contract Labour (Regulation & Abolition) Act nor the principal employer was possessing any registration certificate under the Contract Labour (Regulation & Abolition) Act. For all purposes the concerned persons are the employees of the management still then the management had been paying the concerned workmen much below the statutory wages which had been seriously objected too by the union. The concerned workmen and union represented before the management several time for their regularisation and payment as per NCWA. The management became annoyed and stopped them from service w.e.f 16-9-84 without following the principles of natural justice. The concerned workmen had put in continuous service still then the management stopped them from service without complying the provisions of Sec. 25-F of the I. D. Act. Thereafter the union raised an industrial dispute before the A.L.C. (C), Dhanbad which ended in failure due to adamant attitude of the management. Thereafter the Ministry of Labour has referred the dispute to this Tribunal for adjudication.

It has been prayed before this Tribunal to answer the reference in favour of the workmen by directing the management to treat the concerned workmen as employees of the management and also to regularise them with retrospective effect.

3. The management has filed written statement stating that none of the concerned workmen ever worked in the colliery in any capacity. There exists no relationship between the management and the concerned persons. Each workmen employed by the management had been given letter of employment, Identity Card, Pay-slips, bonus cards, provident fund number etc. and his name will appear in the Form ‘B’ Register of the colliery. The union has not furnished the particulars of the concerned workmen, such as Form ‘B’ Number, I. D. Card Number, P. F. Number, Pay-slip & Bonus Card numbers etc. which indicate that the

concerned persons do not have any paper to show their employment under the management. From the list of workmen and the nature of reference, it appears that the concerned workmen are claiming to have worked as wagon loaders in loading hard coke and coal at the coal depots and hard coke plant. The workmen carrying in loading of coal or hard coke get wages on piece rated basis and received the bonus on the basis of bonus cards. The concerned workmen did not produce pay-slips and bonus cards to show that they had worked as casual wagon loader in loading coal. The concerned workmen have made out a case in the written statement that they were engaged as contractor's workers on wagon loading and hard coke stacking. Thus the concerned persons are making out new cases each time with the sole motive of getting employment by any means. It has been submitted that there was no requirement of contract labour on the job of wagon loading or hard coke stacking. The management has sufficient number of permanent and casual workers to perform all such jobs. The management has pay-loaders to mechanically load wagons, trucks with coal and hard coke. Therefore the question of engaging any of the concerned persons on the job of wagon loading or hard coke stacking did not arise.

It has been prayed that the Tribunal be graciously pleased to pass the award holding that the concerned workmen are not entitled to any relief.

4. Both the parties have filed their respective rejoinders admitting and denying some of the paragraphs of each other's written statement.

5. Notices were sent to the parties on 25-6-2009 fixing the date as 27-8-2009 for arguments on merit. But neither the anybody appeared on behalf of the workmen nor anyone appeared on behalf of the management. Both the parties have filed their written statements and have given evidence as per record.

6. The workmen have produced WW-1, Ram Lakhan Das, who has proved Ext. W-1 and WW-2, Karu Ram who has proved Exts. W-2, W-3 and W-4.

The management has produced MW-1, P. B. Bhowmik, who has proved Exts. M-1, M-2 to M-2/14. The management has also produced MW-2, Manohar Singh MW-3, Kamal Nath Singh and MW-4, Prasant Kumar Pandey who has proved Exts. M-3 and MW-5, Ashok Kumar Sinha who has proved Exts. M-4 and M-4/1 and MW-6, Hara Kant Jha.

The concerned workmen demanded for their regularisation on the ground that they are working with the management. In this respect the evidence of workman is very important. WW-2, Karu Ram, stated in cross-examination that Ext. W-4 does not bear the signature of the General Manager to whom it was addressed. There is no seal of the office of the General Manager on this letter,

nor anything in token of receipt of the letter. There is no Seal on this letter of the office where Sri H. K. Jha was then working. It shows that Ext. W-4 does not give any right and it is not genuine document on which basis the concerned workmen be considered for their regularisation. WW-1, Ram Lakhan Das, has stated in cross-examination that in all 82 workmen are involved in the present industrial dispute. But I do not maintain any record in respect of these other workmen. I am not in a position to speak about the details, such as parentage, village name, district of each and every workman of this case. None of the workmen was provided with quarters by the management. We did not get any Identity Card, Bonus Card, Pay-slips and letter of appointment from the management. I do not know if the management of BCCI issues letter of appointment, bonus card, identity cards and wage slips to its employees. True it is that railway wagons are having number of their own. I did not keep any record with respect to particulars number of wagons loaded by any to particular workmen amongst us from 1997 till August, 1984. I am also not in a position to produce any record or paper showing that on any particular date of any particular year, a particular railway wagon was loaded by a particular workman or workmen. I know that sometime sufficient number of railway wagons are placed on railway siding and sometimes not at all. I do not have any knowledge that the management had on its own casual wagon loaders, but it had permanent wagon loaders. I have got no paper to show that any of us worked as stackers of hard coke from Hard Coke Bhatta on any particular day or any particular year. I have got no paper to show that we were provided with work implements from the stores of the management as these papers were retained by the management. We have got no paper to show that we worked in Katras Chaitndih Colliery save and except the wage sheet produced by us, Ext. W-1. I am not so much literate. I can only sign. I cannot read the names as appearing in the wagesheet because the names have been written therein in English.

It shows that no paper has been filed by the concerned workmen which may be genuine and on this basis it may be presumed that they have worked with the management. MW-1, P. B. Bhowmik, stated that for regular employees their names are entered in Form 'B' Register, they are given pay slip and Identity Card as well and they have got permanent loaders. MW-2, Manohar Singh, also stated that Ext. W-1 wage sheets do not bear my signature, but it shows his signature is there in Ext. W-1

When he has stated that those signatures in Ext. W-1 are not his signature at all, so it only shows that Ext. W-1 is nothing but a waste paper. MW-3, Kamal Nath Singh, who was Manager of Coke Oven Plant of BCCL, stated that the workmen whose names appear in the schedule of reference have never worked at Katras Chautidih Colliery. The workmen working in the Coke Oven Plant get wages and bonus and accordingly their names would appear in the

Wage Register and Bonus Register. MW-4, Prasant Kumar Pandey, who is Despatch Clerk in Katras Area-IV, has stated that Ext.M-3 which has been proved and maintained for official business by M. G. Dave, Despatch Clerk, who has been superannuated. There is no letter bearing the same serial number noted in this register in the entries dated 16-5-85. MW-5, Ashok Kumar Sinha, who is working as Despatch Clerk in Katras Area No.IV, has stated that any letter coming in the Area Office is first noted in the receipt register of the office. The first register covers the letters received from 7-1-85 to 15-7-85. The second register covers the period from 18-7-84 to 17-11-86. Both these registers have been written by Sri Dave, the then Despatch Clerk which have been marked Exts.M-4 and M-4/1 and M-4 relates to the letters received through Dak Book and Ext.M4/1 relates to the letters received through post. He has not filed any of the two registers. MW-6, Hara Kant Jha, who is working at present as General Manager of Khusunda Area and who worked as Agent at Katras Chautidih Colliery of M/s. BCCL from 1980 upto July, 1986, has stated that he had not issued Ext.M-4 nor it bears his signature. It shows that Ext.M-4 is manufactured document filed by the concerned workmen.

8. In view of the above facts and circumstances discussed above I come to the conclusion that the demand of Dalit Mazdoor Sangh that Shri Prayag Bhuiya and 81 others, whose names are mentioned in the schedule of reference, are to be treated as workmen of Katras Chautidih Colliery of M/s. BCCL and these persons be regularised in the service of the colliery is not justified and accordingly, the concerned workman are not entitled to any relief.

AWARD

By Order No. L-20012/291/97-IR (C-1) dated 28-10-97 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Dispute Act, 1947, referred the following dispute for adjudication to this Tribunal :

“Whether the demand of the Union regarding non-regularisation/departmentalisation of the services of Shri Moshahab Prasad Sah and Naresh Sah by the management of Konduadih Colliery of M/s. BCCL, is justified? If so to what relief are the concerned workmen entitled?”

2. Written statement has been filed on behalf of the concerned workmen stating that the present industrial dispute has arisen due to denial of regularisation/departmentalisation of the S/Sri Moshahab Prasad Sah and Naresh Sah who have been working as cook and canteen boy respectively since 1974. Presently these workmen are working at Gopalichak Colliery. The management provided accommodation for the canteen inside the office premises of Konduadih Colliery. Management also provided necessary furnitures, electricity, water, fuel and utensils etc. free of charge to run the canteen at Konduadih Colliery for the facility of the workers and staff etc. The management constituted a Canteen Managing Committee consisting of the representatives of workers and management to supervise the day-to-day working of the canteen and fix prices of the eatables prepared at the canteen for sale to the workers and staff etc. As per provisions of NCWA-IV specific provisions have been mentioned that there will be a canteen in each of the colliery/establishment and the same will not be run by contractors. Utensils and fuel

required in the canteen will be supplied by the colliery management. The management will give certain amount to the canteen managing committees depending upon the size and operation of the canteen to enable the canteens to supply food articles at cheaper prices. Initially the management was having canteens at Pootkee, Bararee Coke Plant and Bhagabandh colliery which were being run by the Staff and Payments to the Canteen employee were being managed and paid out of the sales proceeds of the catables prepared in those canteens, but gradually all employees working in these canteen were regularised/departmentalised. The management Bhagabandh Area implement the award of this Hon'ble Tribunal being Ref. No.105 of 19 and regularised/departmentalised the employee working in the canteen of the then Bhagabandh Area now Pootkee Balihari Area of M/s. BCCL. The employees working at P. B-Area office canteen have already been regularised/departmentalised consequent upon the award of this Tribunal. It has been submitted that there cannot be two different policies in the same company i.e. BCCL and Pootkee Balihari Area that there will be departmental canteen at one colliery/establishment while denying the concerned works the right of regularisation/absorption as permanent workmen of the company.

It has been prayed that the Hon'ble Tribunal be pleased to pass an award by directing the management of Konduadih Colliery under M/s. BCCL to regularise/departmentalised S/Sri Mushahab Prasad Sah and Naresh Sah as per permanent employees of Konduadih Canteen with their designation as Canteen Cook and Canteen Boy respectively from 1974 with full back wages.

3. Written statement has been filed by the management stating that the concerned workman were running a tea stall jointly in the colliery premises of their own and there was no relationship of Master and servant between the management and the concerned workman. Water, Utensils and electricity were provided to the workmen concerned for running a tea stall as a taken of benevolency. An industrial dispute was raised in the year 1988 by the same persons which was settled at joint committee consisting of Sri A.P.P. Sinha, the then C.G.M. (P) and Sri S. P. Roy, M.L.A. The terms and conditions for running the canteen has been mentioned in the said tripartite settlement. Now all of a sudden the decision of a Joint Committee which was owned by the concerned workmen from 12-12-90 to 5-7-93 is now being challenged and an industrial dispute was raised by Janta Mazdoor Sangh, which was numbered as 1/330/92-E3 by the A.L.C. (C), Dhanbad. After receipt of the notice from A.L.C. (C) the Project Officer, Konduadih Colliery vide letter dated 20-11-93 explained the facts of the case and prayed for rejection of the matter. The present reference is out come of the dispute. The present reference is not at all maintainable in as much as the matter was settled in Tripartite Settlement. The management has nothing to do

with Sri Meshab Prasad Sah and Naresh Prasad Sah as they are not the employees of the company and there is no Master and Servant relationship between the management and the concerned workmen.

It has been prayed that the Hon'ble Tribunal be pleased to pass an award holding that the demand of the union regarding non regularisation/departmentalisation of the services of Meshab Prasad Sah and Naresh Prasad Sah by the management of Konduadih Colliery of M/s. BCCL is not justified and the concerned workmen are not entitled to any relief.

4. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paragraphs of each other's written statement.

5. The management has produced MW-1, L. Sahu, who has proved documents as Ext.M-1 to M-3.

The workmen have produced Naresh Prasad Sah, one of the concerned workmen as WW-1 to W-5/1. The concerned workmen also produced WW-2, Sudarshan Paswan in support of their case.

6. Main argument advanced on behalf of the concerned workmen is that the management is maintaining a canteen and they are working since September, 1997 in the canteen of Gopalichak Colliery of the management. Before that they were working since 1974 with the management's canteen and management also provided furniture, electricity, water, fuel and utensils etc. free of charge to run the canteen for the facility of the workers and staff. The management also supervise the working of the canteen and fix prices of the eatables prepared at the canteen for sale to the workers and staff. But they are not regularising the concerned workmen, though there is provision in NCWA-IV for providing employees in different grades/categories. As per Mines Act and Mines Rules the management has been maintaining canteen and NCWA-IV gives management committee to maintain canteen.

7. Argument advanced by the management that the concerned workmen are not the workmen of the management and no canteen is run by the concerned workmen and they cannot be regularised/departmentalised in the service of the management. In this respect during the course of proceedings Mosahib Prasad Sah died on 21-3-2005 and presently only Naresh Sah is working at Gopalichak Colliery since September, 1974. But the demand for regularisation of the concerned workman is at Konduadih Colliery of M/s. BCCL.

8. As per statement given by W-1 who has stated that he is working at Canteen Clerk at Konduadih for about 8 years. In the years. 1998 he is doing the job at Gopalichak Colliery. In cross-examination the witness has stated that the canteen is being run only upon the permission accorded by the company. In this respect I have filed the papers. But there is no such paper which may show that they were

authorised to run the canteen on behalf of the management. By merely as per Ext. W-1 which does not give any right for regularisation, neither it indicates that this price is fixed by the management for running of the canteen.

As per Ext. W-2 it is order dated 1-9-82 for getting payment by the workmen, Ext. W-3 regarding Gopalichak Colliery, it does not relate to Konduadih Colliery. Exts. W-3/1, W-3/2, W-3/3 and W-3/4 relate to Gopalichak Colliery. Ext. W-4 shows that this letter was sent from the management to District Supply Officer regarding supply of food article. There is no mentioned the name of the person which may show that he is doing the work at canteen run by the management. Exts. W-5 and W-5/1 relate to Gopalichak Colliery. The concerned workman is working, as per his statement and also as per evidence from September, 1997 at Gopalichak Colliery and not at Konduadih Colliery. The reference relates to Konduadih Colliery regarding regularisation/departmentalisation, so the question of regularisation of the concerned workman does not arise and not justified.

9. Accordingly, I render the following award :

The demand of the union regarding non-regularisation/departmentalisation of the services of Shri Moshahab Prasad Sah and Naresh Sah, by the management of Konduadih Colliery of M/s. BCCL is not justified and hence, the concerned workmen are not entitled to any relief.

By Order No. L -20012/668/97- IR (C-I) dated 13-8-98 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal:

“Whether the demand of the Union for regularisation of Sri Sajjan Kumar Mishra, clerk of BCCL Officers’ Benevolent Fund on the roll of BCCL is legal and justified? If not to what relief the workman is entitled?”

The press of BCCL has also been preparing proforma and printing materials for the use of BCCL. To run this department BCCL has been bearing all kinds of establishment cost from their account. The concerned workman has been getting salary prepared in the same pay order slip/voucher of BCCL which is used in BCCL to pay their workers' salary. He has been performing the work against the permanent vacant post. From the above facts it will be clearly evident that the action of the management was not justified.

It has been prayed before this Tribunal to pass an award directing the management to regularise the concerned workman as Clerk w.e.f. 24-12-90.

3. Written statement has been filed by the management stating that the concerned workman claims to be an employee of the Society named 'BCCL Officers Benevolent Fund Society'. The aforesaid Society has been registered under Societies Registration Act, 1860. Thus the Society is an independent body incorporated under the Societies Act. The Society acts through executive committee duly constituted as per the Memorandum of Association and the rules of the Society. The Managing Director of M/s. BCCL is the ex-officio Chairman and the Chief Finance Manager or his nominee acts as the ex-officio treasurer of the Society. The Society collects the fund from the officers of the company by way of admission fees, monthly subscriptions and special contributions and deposits the same in fixed deposits and earn interest out of such fixed deposits. The Society provides assistance to the officers and the family members out of the special contributions, interests etc. according to the rules, in case of death of a member or in case of disability suffered by him in the course of his employment. It has been submitted that the society is completely an independent body and functions independently for the benefit of officers. M/s. BCCL does not exercise control, supervision, direction or management of the Society. The concerned workman is demanding to be on the roll of M/s. BCCL alleging that the Society is a part and parcel of M/s. BCCL as the officers of the BCCL including the Managing Director are the members of the Society and they are holding dual parts. The demand made by the sponsoring union that the concerned workman should be treated as workman of M/s. BCCL and should be regularised on the roll of M/s. BCCL is fallacious and not based on proper reasoning as per the provisions of the Societies Act and Rules. The demand of the sponsoring union for regularisation of the concerned workman on the roll of M/s. BCCL is without any merit and the same is liable to be summarily rejected.

Accordingly, it has been prayed that the Hon'ble Tribunal be pleased to pass the award holding that the concerned workman is not entitled to any relief.

4. Both the parties have filed their respective rejoinders admitting and denying some of the contents of some of the paragraphs of each other's written statement.

5. The concerned workman has produced himself as WW-1 who has proved documents as Exts. W-1 to W-14. The concerned workman has produced WW-2, Dasrath Paswan, who has proved documents as Exts. W-15 and W-16.

The management has produced MW-1, Vani Bhusan Upadhyaya, who has proved documents as Exts. M-1 to M-7.

6. Main argument advanced on behalf of the concerned workman is that he is working with the management as Clerk in BCCL Officers' Benevolent Fund Society and is entitled for regularisation. He is working as per management's order dated 31-12-90 which was done by the Honorary Secretary of the Society of M/s. BCCL with the approval of the C.M.D. as per Ext. W-1. Initially the terms of employment of the concerned workman was for one year w.e.f. 1-12-90 on remuneration of Rs.600 plus Rs.400 total Rs.1000 per month. The terms of employment of the concerned workman renewed from time to time and the remuneration per month is also increased from time to time from Rs.1000 to Rs.4600 per month as drawn by him on 31-10-2000 and now he is being paid salary of Rs.4600 per month excluding other benefits.

Another argument advanced on behalf of the concerned workman is that one Smt. Sewli Sarkar was appointed as a Clerk (Trainee) vide appointment letter BCCL/PA/2/5/2/11260 dated 28-2-89/1-3-89 duly issued by the Dy. Personnel Manager (Recruitment) under clause 9.4.2 of NCWA. She was posted under Sri S.N. Mishra, the then Accountant of Central Accounts of M/s. BCCL to look after the job of officers' Benevolent Fund Society vide office order dated 6/7-3-89 under the signature of Sri B.N. Jha, Dy. Chief Personnel Manager as per Ext. W-15. She had been working in the said Society of BCCL which is a department of M/s. BCCL and she continued till her transfer to CCWO at Calcutta by order dated 14/15-7-94. Previously the concerned workman had been getting a consolidated salary of Rs.1000 which was increased upto Rs.4600 as per Ext. W-2/1 under the signature of Sri Prakash Ray, Chief Finance Manager and pay order vouchers belong in BCCL. After transfer of Ray these vouchers are being signed by P.N. Thakur, Finance Manager as per Ext. W-2/2. After transfer of Smt. Sewli Sarkar the concerned workman has been assigned additional jobs which Smt. Sarkar used to perform. This department has got no separate building for the society, rather, it has been running in the same office building at the Head Quarters of BCCL as it has been admitted by the management's witness MW-1. All these materials for the day-to-day work in the office are being received by the concerned workman. The Press of BCCL is preparing proforma and printing materials for use of the department as per Ext. W-8.

Dr. E.R.K. Titus, Executive Director (Medical Services), Sri Prakash Roy, Chief Finance Manager, Sri S.N. Mishra, Sri Arbind Kumar, General Manager Personnel, Sri A. Ahmad, General MIS have been assisting this department during their duty hours and in course of their employment in BCCL, which has been admitted by MW-1 during the course of his cross-examination at page 4 in para 3. To run this department, M/s. BCCL has been bearing all kinds of establishment costs from their account as per Exts. W-17, W-9, W-10 and W-8 series and MW-1 has also admitted this fact. The concerned workman has been getting salary prepared in the same pay order voucher i.e. slip/voucher of BCCL which is used in BCCL to pay their workmen's salary and which is also used in other transactions of money in BCCL as per Ext. W-2. First salary of the concerned workman had been prepared by one Accountant with pay order/voucher of BCCL. Later on the same is being passed by Sri B.N. Sharan, Chief General Manager (F & M) and Sri Prakash Ray, Chief Finance Manager and then Sri Mishra is drawing salary. The BCCL Officer's Benevolent Fund Society has been using the Monogram of Coal India Ltd. which may be seen on the bound annual report book of this department and all pay order voucher. Noting sheets Exts. W-1/2, W-2, W-9 and other papers. M/s. BCCL has also provided facilities of their own Telex and telephone to this department as per Exts. W-11 and W-12. The Personnel Manager (Welfare) vide his notesheet dated 2-12-96 has also certified that the concerned workman has been appointed with the approval of the then C.M.D. to work as clerk in this department. This department was directly under the charge of Addl. Chief Finance Manager, Central Accounts of BCCL and now it is under Chief Finance Manager of BCCL at Koyla Bhawan. This department has not attained any separate identity, rather it is an integral part and parcel of M/s. BCCL. The concerned workman has been performing the work against the permanent vacant post which was previously held by a permanent workman of BCCL. Ext. W-3 shows that the concerned workman has been provided all kind of medical facilities like a permanent workman of BCCL. Ext. W-17 shows that the salary of the concerned workman is being reimbursed from BCCL. Exts. W-4 and W-5 shows that like a permanent workman of BCCL the concerned workman has been imparted training time to time and his name is also shown in the same list of the employees of BCCL.

On behalf of the concerned workman it has been denied that the so called society is an independent body, rather, it is a part and parcel of BCCL because the management of BCCL provides all facilities to the concerned workman like that of permanent employees of M/s. BCCL. It only shows that the society is part of the management of M/s. BCCL.

7. In this respect the evidence of management's witness MW-1 is very much material. MW-1 admitted in his cross-examination at page 3 that "I do not know S. N.

Mishra, Accountant, Central Accounts of BCCL. I am not aware of the fact whether in the year 1989 one Smt. Sewli Sarkar was appointed under Clause 9.4.2 of NCWA as Clerk (Trainee) under the management or not. The aforesaid society is housed in the Headquarter of BCCL in a room provided by BCCL. This is Form 'F' maintained by BCCL which is being utilised by the said Society for their staff to save the stationery cost of the Society, as per Ext. W-6. Form 'F' is for Gratuity nomination of a particular employee. Ramayan Pandey was Chief Engineer (E&M) of BCCL. He has signed the said form (Ext. W-6). Ext. W-1/2, the printed paper is being utilised by M/s. BCCL. It is a printed stationery of BCCL it contains the monogram of BCCL also. Again at page 4 the witness admitted that I do not identify the signature of the Authority on this document (Ext. W-10). Vehicle of BCCL is being utilised for the meeting of the said society as some of the office bearers are also the officers of BCCL. This document (Ext. W-1) is under signature of P. R. Sinha, the then President of said society who was also the C.M.D. of M/s. BCCL." It shows that the concerned workman is working with the management of M/s. BCCL since long and his regularisation on the roll of M/s. BCCL is legal and justified.

8. Considering the above facts and circumstances I hold that the demand of the Union for regularisation of Sri Sajjan Kumar Mishra, Clerk of BCCL Officer Benevolent Fund on the roll of BCCL is legal and justified and he is entitled to be regularised as clerk w.e.f. 24-12-1990 with difference of back wages and all other consequential benefits as per NCWA. The management is directed to implement the award within 30 days from the date of publication of the award.

This is my Award.

AWARD

The Government of India, Ministry of Labour, in exercise of the powers conferred on them under Section 10 (1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/(352)/93-I.R. (Coal-I), dated the 25th July, 1994.

SCHEDULE

“Whether the denial by the management of Rajrappa Washery of M/s. C.C. Ltd., Hazaribagh to regularise Shri Basdeo Mahto and 56 others as given in the annexure is justified? If not to what relief these workmen are entitled?”

2. The case of the concerned workmen as disclosed in their Written Statement is that they have been working as permanent workmen in permanent nature of job since 22-8-88 under the direct control and supervision of the Rajrappa Washery Management. The management used to supply all the implements for execution of the job. It has been further stated that they have completed 240 days attendance in each calendar year.

3. It has been further stated by the workmen side that the concerned workmen have been working in maintenance of Railway line/track which is of 19 Km. running from Rajrappa Station to Rajrappa Washery. They have been maintaining 19 Kms line/track regularly under the direct control and supervision of the Washery Management. They have been rendering services and producing goods for the benefit of the Washery Management. Management have implemented the Wage

Board Recommendation and NCWAs which has got statutory force. Though the concerned workmen have been performing permanent nature of job but the management has been paying them wages below the rates of NCWAs in the name of intermediaries, which is nothing but a legal camouflage. The intermediaries are changing but the workmen remain the same.

4. According to the workmen the concerned workmen for all purposes are the employees of the Management and accordingly they demanded before the Management for their regularisation at least Cat. I wages. Since the management did not pay any heed to the repeated requests and prayer of the concerned workmen they raised an industrial dispute before the ALC (C), Hazaribagh which ultimately resulted reference to this Tribunal for adjudication. It has been prayed on behalf of the workmen to pass as Award in favour of the workmen by directing the Management to regularise the concerned workmen and to pay them at least Category-I wages with retrospective effect with all arrears of the wages and other consequential benefits.

5. In the Written Statement filed on behalf of the management it has been stated that the present reference is not legally maintainable and that there is no relationship of employer and employee between the concerned workmen, workman and the management.

6. It has been alleged by the management in their Written Statement that the sponsoring union has taken up the present case with the sole purpose of providing employment to some job seekers under the Public Sector Management with the help of litigation. Some of the workmen named in the list had worked as workmen under different contractor firms engaged for systematic Maintenance of Railway Track at Rajrappa Washery Siding and most of the persons named in the list are job seekers, who approached the sponsoring union for providing them job under the Manager of M/s. CCL. Thus the sponsoring union has raised the present demand on behalf of large number of persons, some being the contractor workers and most of them being strangers. In such a situation, no industrial dispute ever existed between the management and the concerned persons. They have further stated that the job of systematic Maintenance of Rajrappa Washery Siding has been awarded to different Contractor Firms, during different periods which are registered and having Labour Licence. The management is under obligation to maintain Railway Line/Tracks situated in between Barkipona Station to Rajrappa Washery.

7. Management have stated that they floated tenders for Systematic Maintenance of railway Siding, including the Railway Line, tracks etc., M/s. United Constn. Co., M/s. United Technical & Economic Services (P) Ltd. along with other submitted its tender for undertaking systematic maintenance jobs of the Railway lines, tracks

etc. The Tender Committee examined different tenders submitted by different parties and accepted the tender of either M/s. United Technical & Economic Supervises (P) Ltd. for M/s. United Constrn. Co. for awarding contract for repairing and maintenance of Railway line and tracks and the siding etc. The details of the jobs will appear from the contract agreement/award.

8. Management have submitted that it was the responsibility of the contractor to select and recruit its own workmen and to supervise their jobs. Moreover the contractor exercise control over the workmen recruited by it and to make payment of their wages. As per contract Labour (R & A) Act, the responsibility of management was only to supervise/ensure the payment to the different contractor workers as per law. The contractor used to supply all tools and tackles etc. The contractor selected the workmen of different levels including supervisors and carried on different jobs as was allotted to them. After completion of the contract job, services of their workmen stands terminated. Whenever fresh contract was awarded to other contractors, they were recruiting their persons again and in that process, that contract workers were carried on from time to time by different parties.

9. Management have further submitted that the concerned workmen were never selected or recruited by the management. The management cannot directly appoint any workmen without following the procedure as laid down by the Employment Exchange. This being the statutory requirement, the management cannot recruit any workmen directly before intimating to the Employment Exchange and calling names through it. The Officer of the Public Sector Undertaking cannot recruit workmen at their own whims and at their own convenience. The persons have to be called for interview before the Selection Committee and the selection have to be made by the Committee at some centralised place and the persons selected are given appointment letters and identity cards and they are posted at different places and at different projects and collieries under the management. The concerned persons never came through Employment Exchange. They were never selected by any Selection Committee and were never issued any Appointment letter and Identity Card. Their names do not appear in the Form B Register and other statutory documents maintained by the management for the workmen of the company.

10. It has been stated by the management in their Written Statement that the maintenance of Railway Siding, Railway Track is not a regular nature of job although inspection of the Railway track and the sidings and adjoining places has to be done in a routine manner by some supervisory personnel of the contractor. The contractor is required to pay immediate attention to any defect observed by the inspection team on routine basis. Therefore, the job of maintenance of Railway track is

intermittent in nature and it is the responsibility of the contractor to ensure the Railway track in proper working order all throughout the day and night and for the entire period of contract. As per the provision of Section-10 of the Contract Labour (Regulation and Abolition) Act, 1970, the Central Government had issued notification prohibiting engagement of contract labour on the jobs which are of permanent and perennial in nature. The Central Government has its technical departments, labour department and Advisory Bodies to make time studies to visit different places and mines and to find out the permanent and perennial nature of jobs available in collieries washeries and projects. On the basis of several studies made by the Expert committee and on the recommendation of the Advisory Bodies, the Central Government had issued notification prohibiting engagement of contract labour on some of the regular permanent and perennial nature of jobs. The job of maintenance of Railway Siding or railway track has not been considered to be such type of jobs where engagement of contractor labours should be prohibited—even the Railways engage contractor on such jobs to maintain the net work of railway tracks all over the country. Therefore, notification of the Central Government no where prohibits engagement of contract labour on the job of repairing and maintenance of Railway Siding Railway tracks remaining under the charge of the management of different coal companies and as such the management of Rajrappa Washery Project is justified in awarding contract to different parties on the jobs of repairing and maintenance of Railway tracks.

11. Management have further stated in their Written Statement that the sponsoring union has made an attempt to indicate that the engagement of contract labour on such jobs should be prohibited. The union is demanding that the contract system should be abolished and the employment of the contractors should be regularised on the roll of the company. In that process, the sponsoring union has included a large number of strangers with some contractor workers. The contractor workers have no right to demand for their employment under the company i.e. the principal employer. The demand for regularisation of the contract labour cannot be the subject matter of adjudication. If there is any contravention of any provision of contract labour (Regulation and Abolition) Act, 1970, the management should be prosecuted but the contract labour cannot demand for their regularisation or, the assertion that there are violation of Contract Labour.

12. It has been further stated by the management that the provision of Contract Labour (Regulation and Abolition) Act, 1970 have full application to all cases of contract labour. Before introduction of Contract Labour (Regulation and Abolition) Act, 1970 and its enforcement in the coal industry, different principles used to be adopted for deciding employer-employee relationship but after

coming into force of this law, the employer-employee relationship is decided purely in accordance with the provisions of law and one cannot deviate from the principles of law and make out a case for regularisation of Contract Labour under the management of principal employer. As the concerned persons were never the employees of the management the question of their regularisation does not arise. Accordingly, it has been prayed on behalf of the management to pass an Award rejecting the claim of the concerned persons.

13. Both the parties have filed their respective rejoinders admitting and denying the contents of some of the paras of each other's Written Statement.

14. Management side in order to substantiate their claim have produced B.P. Agarwal, K.A. Kindo and Amarendra Kumar Singh who have been examined as MW-1, MW-2 and MW-3 respectively. MW-3 has proved documents marked as Exts.M-1 to M-11. Workman side produced Basudeb Mahato who has been examined as WW-1 and he has proved documents marked as Exts.W-1 and W-2.

15. Main argument advanced on behalf of the workmen is that the concerned workmen are the workers of the management and the management is taking work through the Contractor and the management is changing the contractor but the concerned workmen remain the same. They are not regularising the concerned workmen. Management is also providing requisite for doing the job but the concerned workmen have been deprived of regularisation. The argument of the management is that the concerned workmen are not their workers. They have not completed 240 days in any calendar year and they are the workers of the United Construction Company. Contract was awarded to the United Construction Company for maintenance of Railway Track for which the said Company have engaged the concerned workmen. So they cannot be regularised. In this respect the evidence of Basudeb Mahato, WW-1 is very much important. The above witness at page-2 in course of his cross-examination has stated "The wage sheet was prepared by the contractor, United Construction Company. Amar Singh Mahata, Munshi of contractor used to mark our attendance. The Munshi who had prepared the wagesheet has not mentioned his name. The Munshi of the contractor is sitting idle in his home. This is the signature of P.S. Chouhan, Manager of the Contractor in each sheet marked as Ext.W-2. The original wagesheet must be in possession of the contractor. We have got no appointment letter to show that we were appointed by the United Construction Co. We have got no other paper to show that we have worked there. The employment card issued by the contractor is with us. We will file the Employment Card on the next date. We have got no order for repair of any defect." The above statement of the concerned workmen show that they are workers of

the Contractor and contract was awarded to the United Construction Company by the management. In this respect Management representative argued that the Attendance Register which used to be maintained by the Munshi and the Manager of the United Construction Company who used to put his signature on the Wagesheets have not been examined by the workmen which may show that the concerned workmen used to work with the above Construction Company because Amar Singh Mahata is the Munshi of the Contractor and P. S. Chouhan was the Manager of the contractor as per statement of WW-1. No Attendance Register has been filed which has been maintained by the contractor which may show that the concerned workmen have worked more than 240 days in any calendar year so that they may be considered for regularisation with the management.

16. Another argument advanced on behalf of the concerned workmen is that as per cross-examination of MW-1 the concerned workmen were working for maintenance of Railway Track which is for the benefit of Rajarappa Washery of the management. It has also been argued that MW-1 had admitted in cross-examination "We supply implements and materials to the concerned workmen required for repairing of the Railway track." MW-2 K.A. Kindo also admitted in cross-examination at page-2 that he supervise the work of the concerned workmen though the work of maintenance of track is done by the management through contractor. This track is used only for carrying coal of the company. It is in the interest of the company to keep the track for the benefit of the company. The work done by the workers for repair and maintenance of the track is for the benefit of the company. MW-3 in course of his cross-examination at page-2 stated "We get the name of the contractor and job to be performed by him from time to time. I do not know if the contractor mentioned in registration (Ext.M-2) were allotted any work regarding maintenance of railway track. We have not filed any document to show that registration certificate was ever amended. The maintenance work of railway track was started from the year 1988. I have not brought the original of the labour licence because it remains with the contractor." By this statement it cannot be presumed that the concerned workmen were engaged by the management and that they have performed 240 days in any calendar year on which basis they can be regularised through the work was performed for the interest of the management.

17. In this respect the concerned workmen have referred to a decision reported in 2001 LLR 961 in which Hon'ble Supreme Court held the following:—

A. Contract labour (regulation and abolition) act 1970

—Section 10 — Prohibition of employment of Contract Labour — The issue before the Constitution Bench of Apex Court for decision related to the legality of the notification dated 9-12-1976 issued by

Central Government prohibiting employment of contract labour for sweeping cleaning, dusting and watching of buildings owned and occupied by establishments in respect of which the appropriate Government is the Central Government under the Act — The background for issuing of the notification — Clearly indicated that the Central Government had not adverted to any of the essentials of Section 10 of the Act except the requirement of Constitution with the Central Advisory Board — Various relevant factors as specified in sub-section (2) of Section 10 of the Act in respect of each establishment whether individually or collectively are imperative to be considered while issuing such notification for prohibition of contract labour — The impugned notification is only an omnibus notification thus not sustainable.”

In the decision reported in 1999 Lab I. C. 1323 referred by the concerned workmen Hon’ble Supreme Court held the following :—

“(E) Contract Labour (Regulation and Abolition) Act, 1970(37 of 1970), S-10-Contract Labour — Absorption in service — Electricity Board — Work of keeping plants and station clean and hygienic awarded to contractor— Work not of seasonal nature —Contract itself stipulating number of employees to be engaged by Contractor — Overall control of workings of contract labour including administrative control remaining with the Board — Board neither registered as principal employer nor contractor was licensed contractor — Contract system was thus a mere camouflage which could be easily pierced and employer-employee relationship between Board and employee easily visualised — Employees who have worked for more than 240 days cannot therefore be denied absorption.

The workman side has cited the Special Leave Petition No. 1853 of 1978 which was decided on 28th July, 1978, the Hon’ble Supreme Court held the following:—

“Employer-Employee Relationship—Determination of —Test indicated - Court’s duty.”

In the decision cited by the workmen side reported in LLJ Vol. II (1964) P-633 The Hon’ble Supreme Court laid down the following :—

“ Industrial Disputes Act. 8.2 (s) -Workman -Who is-Master and Servant-Relationship of -A bidi manufacturer engaging a number of persons on contract for getting the work of rolling the bidi done-Such persons in turn engaging a number of other persons—The persons so engaged taking the leaves home for cutting in proper shaves —The work of rolling the bidis done by such persons in the premises of the intermediaries with the materials

supplied to them by such intermediaries— The necessary materials such as thread, bidi leaves and tobacco supplied to his intermediaries by the bidi manufacturer —Payment to the bidi rollers made a piece-rate basis - Such payment plus the commission due to the intermediaries ultimately made by the bidi manufacturer—The intermediaries found to be men of innecunious means—On the evidence on record the Industrial Tribunal finding that the real employer of the bidi rollers was the bidi manufacturer and that the system of such work was adopted to camouflage the industrial law—Conclusions of the industrial tribunal holding the bidi rollers as workmen of the bidi manufacturer as confirmed by the High Court in writ appeal, in the circumstances, held justified.”

In the decision reported in 2003 (99) FLR 5 referred by the workmenside the Hon’ble Supreme Court held the following:—

“ Absorption—As regular employees—Appellants indisputably are obliged to run canteens in their establishment—On account of obligation cast upon them under mandatory provisions of Factories Act, 1948 and Rules—Workers in canteen would be treated as workers of Company (Para-7)”

The workman side has referred to the decision reported in 2000 (87) FLR 7 (Supreme Court) the Hon’ble Supreme Court held the following:—

“ Regularisation— Cafeteria workers in University— For purpose of providing food to the inmates of the hostels —Employees of cafeteria, therefore, be termed to be employees of University—Entitled to be regularised—The University directed to regularise the services of employees in terms of award passed by Labour Court.

The University is directed to regularise the services of the employees in terms of the award passed by the Labour Court by 31st August, 2000 so as to entitle the employees of the Cafeteria to obtain the monthly wages at par with the other employees of the University as directed by the Labour Court. The arrears if there be any payable, as per the said directions as confirmed by the Labour Court be paid to the canteen staff concerned by twelve equal monthly instalments along with the regularised salary.”

In the decision reported in 2002 LLR 449 referred by the workmen the Hon’ble Supreme Court held the following:—

“ On due appreciation of evidence, the Tribunal came to the conclusion that they are the employees of the appellant and that finding of fact was based on evidence. In our opinion, the conclusion reached

by the Tribunal could not be seriously assailed by the learned counsel for the appellant. We find no justification to interfere with the award as affirmed by the High Court. The appeal, therefore, stands dismissed. No costs”

The workman side has referred to a decision reported in 2003 (98) FLR 826 in which Hon'ble Supreme Court held the following :—

“ UP Industrial Disputes Act, 1947 — Section 2 (i) (iv)—Employer— If workmen were employed with appellant establishment — To work in their premises — The fact found established after removing the mask of employment under contractor — Appellant cannot escape its liability — Respondents were its employees.”

In the decision referred by the workmen reported in 2008 AIR S.C.W. 3996 the Hon'ble Supreme Court held the following :—

“(B) Industrial Disputes Act, 1947 (14 of 1947), Sch. 2 Item 6 — Regularisation of service—Contractual workers —Disentitlement from claiming regularization — Not inflexible rule — Workers appointed by ONGC initially through contractor — Claim for regularization — Reference to Tribunal — Finding of fact by Tribunal that workmen were employees of ONGC and not contract employees — Being employees of ONGC workmen would be entitled to all benefits available in that capacity and issue of regularization would pale into insignificance.

(Paras 8, 9)

(C) Industrial Disputes Act, 1947 (14 of 1947), S 10— Reference — Scope — Pleadings of parties and evidence produced — Relevant for determining real scope of dispute — Working of reference showing that dispute was as to regularization of service of contractual workers — Pleadings however showing that core issue before Tribunal was with regard to status of workers as employees of principal employer — Award of Tribunal holding workers to be employees of principal employer and granting relief of regularization — Not outside to jurisdiction

(Para-13)

In the decision reported in 2009 (120) FLR 143 referred on behalf of the concerned workman the Hon'ble Supreme Court held the following:—

“ U.P. Industrial Disputes Act, 1947 — Sections 4-K, 6-N, 6-P and, 6-Q—Service— Termination— Validity—Contention of appellant that there was no employer-employee relationship between the appellant and the respondents — On basis of documents submitted by the workmen and for lack of proper rebuttal to such documents there was no ground to presume that workmen were employees of the contractor — In fact they were in regular

employment of appellant as cashiers having worked more than 240 days — Tribunal rightly concluded that termination of service of respondents without notice and payment of compensation was illegal.

(Paras 14 and 20)

In the decision reported in 2008 LLR 509 referred by the concerned workmen the Hon'ble Supreme Court held the following :—

“ A. Canteen Workers through Contractors— Absorption of — By the principal employer — When the canteen is required to be run under Section 46 of the Factories Act, 1948 — There were 27 canteen workers working for many years through the contractors who were changing but the workers remained the same — Complaint for unfair labour practice on behalf of canteen workers accepted by the Industrial Court — High Court confirmed the order since the canteen has been a part of establishment of the Management and the workers in canteen were carrying on the work which was of perennial nature — Canteen has been incidental and connected with the work of establishment of the Management — Though treating the workers as contract employees contrary to the statutory obligation and the judicial pronouncement of the Apex Court — Management filing appeal before the Supreme Court — Relying upon the judgment of 3 judges bench in Petrochemical Corporation Limited & Ors. with identical facts held that the fact is that the canteen in establishment of the Appellant — Management is a statutory canteen. The respondents —workmen are in fact workmen of the Appellant-Management.

(Paras 16, 18, 22 & 26)

B. RELATIONSHIP OF EMPLOYER AND EMPLOYEE—

The decisive factor for determination of — Control and supervision by the principal employer — Absorption of workers working in statutory canteen through contractor — When the Management is employing more than 250 workers — Factories Act, 1948 — Section 2 (I), 'worker' — Management engaging contractor for running the canteen since 1971 — Contractors were changing from time to time — Last two contractors running the canteen since more than 14 years each but the employees remained the same — The appellant-Management was providing premises furniture, fuel gas, electricity, water and laid down several procedures as to how food items to be supplied Industrial Court has rightly held that the wages and the provident fund contributions were reimbursed by the appellant-Management and the evidence revealed that the contract has been nothing but only a paper arrangement — The material as placed showed that though the

canteen was run by the contractor but ultimate control and supervision has been by the Company — Directions issued to implement the decision dated 15-10-1998 within a period of three months.

(Paras 22, 23 and 26)

C. MAHARASHTRA RECOGNITION OF TRADE UNIONS AND PREVENTION OF UNFAIR LABOUR PRACTICES ACT, 1971—

Section 28, item 9 of Sch. IV — ULP Complaint — Respondent — Union filed a complaint of unfair labour practice on behalf of 27 canteen workers against company claiming the said canteen workers to be employees of the Company — Sought that the canteen workers be given all the benefits as provided to other employees of the Company and to stop the said unfair labour practice — Industrial Court held it to be unfair labour practice committed by Management — Writ petition by Management dismissed — Writ Appeal also dismissed — Appeal in the Apex Court — The Apex Court upheld the decision of the Industrial Court which was confirmed by the High Court for the reasons :— (i) canteen employees continued despite change of canteen contractors (ii) evidence on record established the ultimate control of Management on the canteen employees, (iii) Industrial Court rightly decided, in view of evidence coupled with terms of agreement that canteen contract was only paper agreement; and rightly held that the company has committed unfair labour practice (iv) No error or infirmity in those conclusions of the Industrial Court which was affirmed by High Court.

(Para 24)

D. CONTRACT LABOUR (REGULATION & ABOLITION) ACT 1970 VIS - A- VIS MAHARASHTRA RECOGNITION OF TRADE UNIONS AND PREVENTION OF UNFAIR LABOUR PRACTICES ACT, 1971 — Workers working through canteen contractor seeking absorption by the principal employer to be entitled to the same benefits — Plea of the principal employer that instead of complaint under the latter Act, the appropriate remedy for seeking redressal of grievances is under the former Act, whereby it is to be resolved by the machinery as provided under the Industrial Disputes Act — Untenable.”

In the decision reported in 2008 (3) JLJR page 109 referred on behalf of the workmen the Hon'ble Supreme Court held the following:—

“ Labour and Industrial Laws — Regularisation — workmen engaged by the petitioner company in its various units since past twenty years — Worked in various departments of petitioner company under direct control and supervision of officers of petitioner company — frequently transferred and posted in

various departments — petitioner company cannot take advantage of dubious intermediaries like consumer co-operative stores on the plea of engaging contract labour — management adopted such practice only to avoid the liability of financial trappings as otherwise would be payable to the workmen if absorbed regularly — there existed a direct relationship of employer and employee — veil of contract employment cannot alter this fact — no reason to interfere with impugned award of Tribunal passed in favour of workmen.

(Paras 12 to 16)

18. Management also referred the following decisions:—

1. 2007 (4) JLJR page 662.
2. (2009) 2 Supreme Court Cases (L & S) 259
3. 2007 (4) JLJR page 341
4. (2009) 1 Supreme Court Cases (L & S) 943

In the decision reported in 2007 (4) JLJR page 662 Hon'ble Supreme Court held the following:—

“ Labour and Industrial Laws — Regularisation — declaration in favour of workmen given by Tribunal on the basis of notification issued U/s. 10 (1) of Contract Labour (Regulation and Abolition) Act dated 8-12-1976 prohibiting engagement of contract labourers on sweeping, cleaning etc. namely prohibited category of jobs — only on the basis of prohibition contained in notification, Tribunal found the workers to be permanent workers — said notification having been held to be bad by Supreme Court in Steel Authority of India Ltd. vs. National Union Waterfront Workers' case. Tribunal's finding was wrong — award having not attained finality, said judgment of Supreme Court would apply in this case — concerned workmen cannot be considered to have worked against prohibited category — also finding of the Tribunal that workers worked for more than 240 days on the basis of presumption is perverse- burden of proof was upon the workmen to prove that they worked for more than 240 days in a calendar year and that onus having not been discharged by leading cogent evidence by workmen finding of Tribunal cannot be sustained — award quashed.”

In the decision reported in (2009) 2 Supreme Court Cases (L & S) 259 Hon'ble Supreme Court held the following:—

“ A. Regularisation — Entitlement to — Departmental instructions issued prior to and contrary to law laid down in Umadevi (3) case, (2006) 4 SCC 1 — Applicability of — Held, regularisation could not be claimed on the basis of such instructions — Appellants who were engaged as daily-rated casual

labourers on Group C posts in Railway Electrification Project for long, held could not claim regularisation— Railway Board Circular dated 11-5-1973, which supported their case further held, was issued long before the law laid down in Umadevi (3) case that recruitment could not be made contrary to statutory recruitment rules and in violation of Arts. 16 and 14, therefore, such circular could not be given effect to —Adhoc —Casual labour —Recruitment process —Service/Recruitment Rules—Constitution of India, Arts, 16, 14 and 309 proviso and 162 & 73”

In the decision reported in 2007 (4) JLJR 341 Hon'ble Supreme Court held the following:—

“ Labour and Industrial Laws — Regularisation — of mine workers — only because an employee has been engaged temporarily or for a number of years, it cannot be held that such engagement has been made for depriving him from the status of permanent employee, and onus is on the workmen to prove such fact — only because the workman completed 240 days and there is violation of Section 25F of Industrial Dispute Act they do not become entitled to regularisation — Tribunal misdirected itself while directing for regularisation-award set aside.”

In the decision reported in (2009) 1 Supreme Court Cases (L & S) 943 Hon'ble Supreme Court held the following:—

“ A. Constitution of India — Arts. 16 & 14 and 141 — Public employment — Rulings of Constitution Bench in Umadevi (3) case, (2006) 4 SCC—1 Binding effect of— Attempt in Pooran Chandra Pandey case (2007) 11 SCC 92, a two Judge Bench decision, to water down binding effect of Umadevi (3) case, a Constitution Bench decision —Impermissibility of— Held by virtue of Art. 141, the judgment of the Constitution Bench in Umadevi (3) case is binding on all courts including the Supreme Court till the same is overruled by a larger Bench — The attempt to dilute the rulings in Umadevi (3) by the suggestion in Pooran Chandra Pandey case that Umadevi (3) case cannot be applied to a case where regularisation has been sought for in pursuance of Art. 14, held is obiter and the two-Judge Bench in Pooran Chandra Pandey case had no occasion to make any adverse comment on the binding character of the Constitution Bench judgment in Umadevi (3) case— The said comments and observations made in Pooran Chandra Pandey case should be read as obiter and should neither be treated as binding by the High Courts, tribunals and other judicial for as nor should they be relied upon or made the basis for bypassing the principles laid down in Umadevi (3) case — Absorption — Regularisation.

B. Constitution of India — Arts 141 and 124 (6), 219 and 144 — Binding effect of judgments of

Supreme Court — Judicial discipline — Cardinal importance of, strongly emphasised — Total commitment to constitutional ideals by those who take oath to uphold it — High Courts or smaller Benches of Supreme Court ignoring or bypassing ratio of larger Benches of Supreme Court including Constitution Benches—Impermissibility — Need to adhere to basics of judicial discipline, strongly emphasised — Need for predictability and certainty in the law — Impact of disrespect to constitutional ethos and breach of judicial discipline spelled out — Held, discipline is a sine qua non for effective and efficient functioning of the judicial system — If the courts command others to act in accordance with the provisions of the Constitution and the rule of law, it is not possible to countenance violation of the constitutional principle by those who are required to law down the law—Judiciary — Judicial discipline — Cardinal importance of — Precedents — Stare decisis — Rationale for doctrine of, explained.

C. High Courts — Precedents — Binding effect of rulings of coordinate/larger Benches of High Courts reiterated.

D. Constitution of India — Arts. 16 & 14 and 32, 226 and 136 — Public employment — Power of employer — Judicial review — Scope of — Though decision of employer to create or abolish posts or cadres or to prescribe source or mode of recruitment, etc. is not immune from judicial review, held, power of judicial review can be exercised in such matters only if it is shown that the action of the employer is contrary to any constitutional or statutory provision or is patently arbitrary or is vitiated by malafides — Abolition/Reduction of posts.”

18. In the above circumstances as discussed above there is no authentic and reliable evidence which may show that the concerned workmen have worked for more than 240 days in any calendar year so that they may be regularised by the management. Moreover, the Munshi of the United Construction Company who has taken attendance of the concerned workmen has not been examined by the concerned workmen. The Manager of the above construction company has also not been examined who may prove that the above concerned workmen are in attendance and have worked for the benefit of the management in repairing and maintenance of the railway track which is used by the management. I find no merit in the claim of the concerned workmen. Accordingly following Award is rendered:—

“ The denial by the management of Rajrappa Washery of M/s. C.C.Ltd., Hazaribagh to regularise Shri Basdeo Mahto and 56 others as given in the annexure to the schedule of order of reference is justified. Consequently, the concerned workmen are not entitled to get any relief.”

Supplementary Award (Dated 5th August, 2010)

1. The Central Government after satisfying the existence of disputes between the General Secretary, Mineral Exploration Corporation Employees Union (Affiliated to AITUC), Seminary Hills, Nagpur (Party No.1) and the Chairman-cum-Managing Director, Mineral Exploration Corporation Limited, Seminary hills, Nagpur

(Party No.2) referred the same for adjudication to this Tribunal vide its letter No. L-29011/12/92-IR (M) dated 07-01-1993 under clause (d) of sub-section (1) and sub-section (2A) of Section 10 of Industrial Dispute Act, 1947 (14 of 1947) with the following schedule.

2. (A) "Whether the action of the management of Mineral Exploration Corporation Ltd., Nagpur in not regularizing the services of S/Shri A.K. Janson and 2144 others (as per Annexure 'A' Attached) and depriving them from all fringe benefits like permanent workmen is justified ? If Not, to what relief the concern workmen are entitled to and from what date?"

AND

(B) "What the action of the management of MECL, Nagpur in not providing the employment to Smt. Surya Gayee and 63 others (as per Annexure 'B' Attached) as the legal heirs/dependants of the deceased employees on compassionate ground is justified ? If yes, to what relief is they entitle to and from what date?"

Consequent upon the establishment of this tribunal at Nagpur, the present Reference registered on transfer as No.92/2003, earlier was referred and registered as reference No. 11 of 1993 at the C.G.I.T., Jabalpur. In response to the notices of this tribunal the parties appeared and filed their respective statements of claims.

3. As per the directions of the Hon. Supreme Court, this Tribunal on 14-1-2009 passed the Award. The same Award was challenged on behalf of the management i.e. Party No. 2 before the Hon. High Court Bench at Nagpur. After hearing the parties, Hon. High Court passed judgment in Writ Petition No. 2006 of 2009 and set aside some of the directions given by this Tribunal in the Award dtd. 14-1-2009. It gave the directions to scrutinize the claims of individual workman for regular wages in the light of Umadevi's case. It has also directed to the Tribunal to the first examine the availability of regular or permanent posts and availability of the work of perennial nature and genuineness of each individual workman, legal representative and thereafter propose the monetary entitlement of the individual workmen prior to the date of retrenchment. It has also observed that the Award of this tribunal to this extend does not carry out judgment of the Hon. Supreme Court dtd. 26-7-2006. Thereafter, the Hon. High Court maintaining the finding of this Tribunal regarding the claims of appointment on compassionate ground which was rejected by this Tribunal upheld it. It has also given certain directions to the management and the Union to co-operate to the Tribunal and decide the case within a certain period.

4. The Tribunal on remand of this case called the parties and as directed by the Hon. High Court issued the notices calling upon the petitioners, who are the members of the Union, for verification. The Hon. High Court has directed to cause the publication of detailed notices in leading Newspapers at Nagpur (one English, one Hindi and one Marathi). Accordingly I have issued the notices called upon the individual of the workmen directing them to place before the tribunal the details of their claim and supporting evidence. Accordingly, after lengthy process I have verified the petitioners and in case of death, their representatives asking them to submit the detailed information in one format. Thus the detailed information is collected along with the personal verification. I have also directed to paste passport size photos on the format. In response to this exercise, in all 1743 out of 2145 workmen appeared and submitted their details. I would like to point out that during this verification, the representative of the management M.E.C.L. was present throughout. Earlier to it the Petitioner Union has called by issuing a notice to the management to produce all the documents which are helpful for the decision of the Tribunal. Order was passed directing the management to submit all these documents as prayed by the Union. However, the corporation did not produce any document.

5. After verification of the petitioners, the management was also asked to file the documents disclosing whether these persons are the same and had worked as temporary workers as claimed by them. The management was expected to submit some reply in respect of each employee and the representative of the management has promised to give in details regarding their appointments and whether the dates and period given by them are correct as per its record. It would have been very much helpful for arriving at a conclusion as to whether the claims of the petitioner are genuine or at least to what extent they are exaggerated etc. the management did not co-operate and filed any documents. It has promised from time to time on many occasions but though the period of more than 7 months has been elapsed, it has not filed the documents. It was also expected from the management to submit regarding availability of the work, vacancy of the regular post etc. Despite of it, management has not produced any documents except one list of the petitioner which is photostatic copy of the list produced by the Petitioner Union. This indicates the non-cooperation of the management and also an admission that as per those lists the petitioners were working till they are retrenched. Of course, regarding vacancies of the sanctioned post are nowhere disclosed or denied by the management. It is pertinent to note that the Written Statement filed by the management does not contain the non-availability of the work as well as of the vacant post. It has given as to how it will cause a financial

implication but nothing has been stated about the availability of the work as well as the vacancies. In these circumstances there is no other way than to infer that the work is also of perennial nature as well as there are vacancies to accommodate at least the petitioner who are entitled to be regularized as per directions and in the light of the principle enumerated in the famous *Umadevi's* case. In this situation, in my humble view the adverse inference will have to be drawn that the work of perennial nature as well as the vacancies of the post are available.

6. In the above circumstances, I proceed to follow and give my findings as directed by the Hon. High Court in a judgement passed in writ Petition No. 2006 of 2009. As indicated above, I have verified the genuineness of the petitioner who appeared before me. I have prepared the list of them as per Annexure-A of 1743 petitioner. The other workman did not remain present on the date on which they were called. The Hon. High Court has directed to this Tribunal to scrutinize the individual claim in the light of judgment of *Umadevi's* case reported in AIR 2006 Supreme Court page No. 1806. The Honorable full bench of Supreme Court gave a mandate initially regarding the appointments of the employees whose appointments are legal and proper. The point of regularization is discussed in Para No. 14 and 39. The Hon. Supreme Court in head note C has observed as follows :

“The employment on daily wages confers no right of permanent employment on daily wagers appointed on less than minimum wages that was known to him. Not forced labour can be continued on the post for long period. Daily wagers form a class by themselves they cannot claim parity vis-a-vis those regularly recruited on the basis of relevant rules”. They cannot claim that they are discriminated as against those who have been regularly recruited on the basis of relevant rules. No right can be founded on an employment on daily wages to claim that such employees should be treated on a par with a regularly recruited and made permanent in the employment even assuming that the principle could be invoked for claiming equal wages for equal work. There is no fundamental right in those who have been employed on the daily wages or temporarily or on contractual basis to claim that they have right to be absorbed in the service. They cannot be said to be holders of the post, since regular appointment could be made only by making an appointment consistent with the requirement of article 14 and 16 of constitution. The right to be treated equal with the other employees employed on the daily wages cannot be extended to claim for equal treatment with those who are regularly employed. They would be treated unequal as equal. It cannot also be relied on to claim a right to be absorbed in the service even though

they have never been selected in the terms of relevant recruitment rules”.

7. Further the Hon. Supreme Court observed permanent absorption of a daily wagers cannot be claimed as of right Article 21 a set of person cannot be prefer over vast majority depriving them of their opportunity to compete for a public employment.

8. Thus, the Hon. Supreme Court laid down the principles that the daily wagers cannot claim that they are discriminated as against those who have been regularly recruited on the basis of relevant rules. No right can be founded on an employment on daily wages to claim that such employee should be treated on par with the regularly recruited candidate and made a permanent in the employment. There is no fundamental right to claim right to be absorbed in service. Permanent absorption of a daily wagers cannot be claimed as of right. A set of persons cannot be preferred over the vast majority depriving them of their opportunity.

9. Thus the Hon. Supreme Court in the above judgment of Umadevi's case made it clear that the daily wagers are not entitled for regularization as of right. It is as a rule and on this ground only the petitioners cannot claim absorption in a regular service.

10. In the light of the principles enumerated in the case of Umadevi v/s State of Karnataka. The temporary appointed workman cannot claim absorption in regular service. Though these principles are laid down by the Hon. Supreme Court, it has further given some exception. Those are in respect of employee regularly appointed following due recruitment process and the rules, on vacant post and having a work of perennial nature. It has considered the workman who had continuously worked for 10 years or more can be considered for absorption in the regular service. In Para No. 44, the Hon. Supreme Court has observed as follows :

11. “One aspect need to be clarified there may be cases where irregular appointments (not illegal appointment) as explained in the various cases AIR 1967 Supreme Court 1071, AIR 1972 Supreme Court 1767, AIR 1979 Supreme Court 1676 of duly qualified persons in duly sanctioned vacant post might have been made and the employees have continued to work for 10 years or more but without intervention of the order of the Court or Tribunal. The question of the regularization of the services of such employees may have to be considered on merits in the light of the principle settled by this Court”. After laying down the above principles, the Hon. Supreme Court considered the absorption in regular service who have worked for 10 years or more. Here also there are so many

workmen who have spent their valuable life for 10 years or more in the service of the respondent. It will be unjust if the claim in respect of them is not considered. I don't think that they would be able to get another service. Similarly, here also since all the workmen are retrenched, they will not be able to get the benefit of service. In the cited case of Umadevi, the workmen were not retrenched. But in the present case in hand, the workmen are already retrenched and retrenchment is not challenged. Therefore, there is no other way to consider them for the further service. It is not the case of the Petitioner Union that the management has engaged some other persons excluding the petitioners in their place. Therefore, neither the reinstatement is possible nor the management can be directed to continue them on the work. Only the direction that can be given is in respect of past employment. In my humble view, the person who have worked for 10 or more years should be regularized and the management should be directed to pay them the difference of the pay which has already been paid and are entitled as regularized workman in a particular cadre as per their grade pay scale of the post on which they worked. There are some workmen who are now no more, the question of the appointment of their next kin on a compassionate ground also cannot be granted. Therefore, in my view, the heirs of the deceased workman should be paid the difference of pay till the date of death of the workman. The entitlement of all workmen who have worked for 10 years or more will have to be paid from the date of reference i.e. 7-1-1993 till the retrenchment or till the death in case of deceased person. Accordingly I pass the following order :

ORDER

1. The corporation/respondent is directed to regularize the services of the petitioner as mentioned in a list Annexure-B and fix their pay in a regular cadre.
2. Pay them the salary of regular employee from the date of reference till the date of retrenchment.
3. The claim of the rest of employees who have not worked for 10 years or more and did not attend the personal verification on the given date in response to the notices in daily Newspapers shall stand as dismissed.
4. The two lists Annexure A & B shall form part and parcel of this Award.
5. This supplementary award of the award dt. 14-1-2009.
